combination of personal insights and psychology, *The Introvert's Way* helps and encourages introverts to embrace their nature, to respect traits they may have been ashamed of and reframe them as assets. You're not shy; rather, you appreciate the joys of quiet. You're not antisocial; instead, you enjoy recharging through time alone. You're not unfriendly, but you do find more meaning in one-on-one connections than large gatherings. By honoring what makes them unique, this astute and inspiring book challenges introverts to "own"

Bread and flour-based foods are an important part of the diet for millions of people worldwide. Their complex nature provides energy, protein, minerals and many other macro- and micronutrients. However, consideration must be taken of three major aspects related to flour and bread. The first is that not all cultures consume bread made from wheat flour. There are

literally dozens of flour types, each with their distinctive heritage, cultural roles and nutritive contents. Second, not all flours are used to make leavened bread in the traditional (i.e., Western) loaf form. There are many different ways that flours are used in the production of staple foods. Third, flour and breads provide a suitable means for fortification: either to add components that are removed in the milling and purification process or to add components that will increase palatability or promote health and reduce disease per se. about finding your own awakening. And then returning to the better, truer, and freer version of yourself. Many of us live our lives, entrapped by the same repeated patterns of heartbreak and disappointment. Many of us have no idea why this happens. Reclaim Your Heart is about freeing the heart from this slavery. It is about the journey in an out of life's most deceptive traps. This book was written to awaken the heart and provide a new perspective on love, loss, happiness, and pain. Booker Prize Finalist Here is an extraordinary cross-cultural love story that unfurls across Egypt, England, and the United States over the course of a century. Isabel Parkman, a divorced American journalist, has fallen in love with a gifted and difficult Egyptian-American conductor. Shadowing her romance is the courtship of her great-grandparents Anna and Sharif nearly one hundred years before. In 1900 the recently widows Anna Winterbourne left England for Egypt, an outpost of the Empire

When Isabel, in an attempt to discover the truth behind her heritage, reenacts Anna's excursion to Egypt, the story of her great-grandparents unravels before her, revealing startling parallels for her own life. Combining the romance and intricate narrative of a nineteenth-century novel with a very modern sense of culture and politics—both sexual and international—Ahdaf Soueif has created a thoroughly

The Islamic Ritualized Prayer is one of the most important pillars of Islam and will be the first thing we'll be questioned about on the Day of Judgement. It is our duty as parents to teach our little ones about our gift of Salah in which we connect with our Creator five times a day. We must start teaching our children as early as seven years old as we were instructed by our Prophet, peace be upon him, by creating a positive atmosphere that encourages them to pray and forming a habit. Little Zaid's Journey to Salah takes us on Zaid's

Zaid shares the story of his first trip to his local Mosque with his dad and shares the story of how he went from praying once a day to five times a day. Zaid also teaches us the purpose of Salah, why we pray, and how to perform wudu (ablution) and perform the prayer. What better way to teach your child than learning it from a beautiful little story narrated by their peer with beautiful colorful illustrations that they'll love. The story of Zaid's Journey to Salah is guaranteed to teach,
