"Inspiring, tragic, and at times heart-rendingly funny." —People Unsentimental, unexpectedly funny, and incredibly honest, Tragedy Plus Time is a love letter to every family that has ever felt messy, complicated, or (even momentarily) magnificent. Meet the Magnificent Cayton-Hollands, a trio of brilliant, acerbic teenagers from Denver, Colorado, who were going to change the world. Anna, Adam, and Lydia were taught by their father, a civil rights lawyer, and mother, an investigative journalist, to recognize injustice and have their hearts open to the universe—the good, the bad, the heartbreaking (and, inadvertently, the anxiety-inducing and the obsessive-compulsive disorder-fueling). Adam chose to meet life's tough breaks and cruel realities with stand-up comedy; his older sister, Lydia was witty, extremely sensitive, fiercely stubborn, and always somewhat haunted. She and Adam bonded over comedy from a young age, running skits in their basement and obsessing over episodes of The Simpsons. When she takes her own life, the family is devastated, and Adam throws himself into his stand-up, drinking, and rage. He struggles with disturbing memories of Lydia's death and turns to EMDR therapy to treat his post-traumatic stress disorder when he realizes there's a difference between losing and losing it. Adam Cayton-Holland is a tremendously talented writer and comedian, uniquely poised to take readers to the edges of comedy and tragedy, brilliance and madness. Tragedy Plus Time is a revelatory, darkly funny, and poignant
