Renée Graef’s enchanting full-color illustrations, inspired by Garth Williams’ classic artwork, bring Laura and her family lovingly to life in this ninth title in the My First Little House Books series, picture books adapted from Laura Ingalls Wilder’s beloved storybooks. Originally published from 1932 to 1943, Laura Ingalls Wilder’s Little House books are classics of children’s literature, beloved by millions. But readers who last enjoyed them as children may be astonished at the quiet poetry of Wilder’s prose and the force and poignancy of her portrait of the lives of American pioneers. Now The Library of America and editor Caroline Fraser present a new two-volume edition that affirms Wilder’s place in the American canon, reintroducing these enduring works to readers young and old. Here, for the first time in two collectible hardcover volumes, are all eight Little House novels—brilliant narratives of the early life of Laura Ingalls and her family as they grow up with the country in the woods, on the plains, and finally in the small towns of the advancing American frontier—plus the posthumous novella The First Four Years, which recounts the early years of the author’s marriage to Almanzo Wilder. This first volume includes Little House in the Big Woods, Farmer Boy, Little House on the Prairie, and On the Banks of Plum Creek, plus two rare autobiographical pieces that address the need for historical accuracy in children’s literature and reveal real life events not included in the novels. A companion volume gathers By the Shores of Silver Lake, The Long Winter, Little Town on the Prairie, These Happy Golden Years, and the First Four Years. Each volume features a newly-researched chronology of Laura Ingalls Wilder’s life and career, and helpful notes. The volumes are also available in a deluxe collector’s boxed set, The Little House Books: The Library of America Collection. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation’s literary heritage by publishing, and keeping permanently in print, America’s best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Once, there was a little girl named Laura who lived in an abandoned cabin deep in the big woods of what was once Wisconsin. Laura was born many years after the Great Bust. Elsewhere, war and hunger and disease still linger. But Laura and her family live safe in their little house in the wilderness, growing their own food, making their own tools, and scavving their own supplies. Then, one winter, as refugees from the east begin pouring into the nearby market town, Laura and her family are forced to migrate westward toward the dry, unpopulated flatlands known as the Wastes. On their journey, Laura encounters the marvelous ruins left over from Lectric Times and meets the diverse peoples who inhabit the former domains of the Old Merican Empire. But there are dangers as well on the long road between the Big Woods and the Wastes, for the wild country in which Laura grew up was one still

plagued by warlords, cannibals, and a terrible sickness that turns men into monsters...

Karen Grassie, the beloved actress who played Ma on Little House on the Prairie, grew up at the edge of the Pacific Ocean in a family where love was plentiful but alcohol wreaked havoc. In this candid memoir, Grassie reveals her journey to succeed as an actress even as she struggles to overcome depression, combat her own dependence on alcohol, and find true love. With humor and hard-won wisdom, Grassie takes readers on an inspiring journey through the political turmoil on ‘60s campuses, on to studies with some of the most celebrated artists at the famed London Academy of Music and Dramatic Arts, and ultimately behind the curtains of Broadway stages and storied Hollywood sets. In these pages, readers meet actors and directors who have captivated us on screen and stage as they fall in love, betray and befriend, and don costumes only to reveal themselves. We know Karen Grassie best as the proud prairie woman Caroline Ingalls, with her quiet strength and devotion to family, but this memoir introduces readers to the complex, funny, rebellious, and soulful woman who, in addition to being the force behind those many strong women she played, fought passionately—as a writer, producer, and activist—on behalf of equal rights for women. Raw, emotional, and tender, Bright Lights celebrates and honors womanhood, in all its complexity.

Little House in the Big Woods Wolves and panthers and bears roam the deep Wisconsin woods in the late 1870’s. In those same woods, Laura lives with Pa and Ma, and her sisters, Mary and Baby Carrie, in a snug little house built of logs. Pa hunts and traps. Ma makes her own cheese and butter. All night long, the wind howls lonesomely, but Pa plays the fiddle and sings, keeping the family safe and cozy. Little House on the Prairie Pa Ingalls decides to sell the little log house, and the family sets out for Indian country! They travel from Wisconsin to Kansas, and there, finally, Pa builds their little house on the prairie. Sometimes farm life is difficult, even dangerous, but Laura and her family are kept busy and are happy with the promise of their new life on the prairie. Farmer Boy While Laura Ingalls grows up in a little house on the western prairie, Almanzo Wilder is living on a big farm in New York State. Almanzo and his brother and sisters grow from dawn to supper most days – no matter what the weather. There is still time for fun, though, especially with the horses, which Almanzo loves more than anything. On the Banks of Plum Creek Laura’s family’s first home in Minnesota is made of sod, but Pa builds a clean new house made of sawed lumber beside Plum Creek. The money for materials will come from their first wheat crop. Then, just before the wheat is ready to harvest, a strange glittering cloud fills the sky, blocking out the sun. Soon millions of grasshoppers cover the field and everything on the farm. In a week’s time, there is no wheat crop left at all. By the Shores of Silver Lake Pa Ingalls heads west to the unsettled wilderness of the Dakota Territory. When Ma, Mary, Laura, Carrie, and baby Grace join him, they become the first settlers in the town of De Smet. And Pa begins work on the first building in what will soon be a brand-new town on the shores of Silver Lake. The Long Winter The first terrible storm comes to the barren prairie in October. Then it snows almost without stopping until April. Snow has reached the rooftops, and no trains can get through with food or coal. The people of De Smet are starving, including Laura’s family, who wonder how they’re going to make it through this terrible winter. It is young Almanzo Wilder who finally understands what needs to be done. He must save the town, even if it means risking his own life. Little Town on the Prairie The long winter is over. With spring come socials, parties, and “Literaries.” There is also work to be done. Laura spends many hours each day sewing shirts to help send Mary to a college for the blind. But in the evenings, Laura makes time for a new caller, Almanzo Wilder. These Happy Golden Years Laura is teaching school, and it’s terrifying! Most of the students are taller than she is, and she must sleep away from home for the first time. Laura is miserable, but the money is needed to keep Mary in a college for the blind. And every Friday – no matter what the weather – Almanzo Wilder arrives to take Laura home to her family for the weekend. Laura and Almanzo are courting, and even though she’s not yet sixteen, she knows that this is a time for new beginnings. The First Four Years Laura and Almanzo Wilder have just been married! Their life on a small prairie homestead begins with high hopes. But each year seems to bring unexpected disasters – storms, sickness, fire, and unpaid debts. These first four years call for courage, strength, and a great deal of determination. Always, though, there is love, especially for the newest member of the family – baby Rose.

Contributions by Emily Anderson, Elf S. Armbruster, Jenna Brack, Christine Cooper-Rompato, Christiane E. Farnan, Melanie J. Fishbane, Vera R. Foley, Sonya Sawyer Fritz, Miranda A. Green-Barteet, Anna Thompson Hajdik, Keri Holt, Shosuke Kinugawa, Margaret Noodin, Anne K. Phillips, Dawn Sardella-Ayres, Katharine Slater, Lindsay Stephens, and Jericho Williams Reconsidering Laura Ingalls Wilder: Little House and Beyond offers a sustained, critical examination of Wilder’s writings, including her Little House series, her posthumously published and unrevised The First Four Years, her letters, her journalism, and her autobiography, Pioneer Girl. The collection also draws on biographies of Wilder, letters to and from Wilder and her daughter, collaborator and editor Rose Wilder Lane, and other biographical materials. Contributors analyze the current state of Wilder studies, delineating Wilder’s place in a canon of increasingly diverse US women writers, and attending in particular to issues of gender, femininity, space and place, truth, and collaboration, among other issues. The collection argues that Wilder’s work and her contributions to US children’s literature, western literature, and the pioneer experience must be considered in context with problematic racialized representations of peoples of color, specifically Native Americans. While Wilder’s fiction accurately represents the experiences of white settlers, it also privileges their experiences and validates, explicitly and implicitly, the erasure of Native American peoples and culture. The volume’s contributors engage critically with Wilder’s writings, interrogating them, acknowledging their limitations, and enhancing ongoing conversations about them while placing them in context with other voices, works, and perspectives that can bring into focus larger truths about North American history. Reconsidering Laura Ingalls Wilder examines Wilder’s strengths and weaknesses as it discusses her writings with context, awareness, and nuance.

WINNER OF THE PULITZER PRIZE WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD ONE OF THE NEW YORK TIMES BOOK REVIEW’S 10 BEST BOOKS OF THE YEAR The first comprehensive historical biography of Laura Ingalls Wilder, the beloved author of the Little House on the Prairie books Millions of readers of Little House on the Prairie believe they know Laura Ingalls—the pioneer girl who survived blizzards and near-starvation on the Great Plains, and the woman who wrote the famous autobiographical books. But the true saga of her life has never been fully told. Now, drawing on unpublished manuscripts, letters, diaries, and land and archival records, Caroline Fraser—the editor of the Library of America edition of the Little House series—masterfully fills in the gaps in Wilder’s biography. Revealing the grown-up story behind the most influential childhood epic of pioneer life, she also chronicles Wilder’s tumultuous relationship with her journalist daughter, Rose Wilder Lane, setting the record straight regarding charges of ghostwriting that have swirled around the books. The Little House books, for all the hardships they describe, are poems to the pioneer spirit, portraying it as triumphant against all odds. But Wilder’s real life was harder and grittier than that: a story of relentless struggle, rootlessness, and poverty. It was only in her sixties, after losing nearly everything in the Great Depression, that she turned to children’s books, recasting her hardscrabble childhood as a celebratory vision of homesteading—and achieving fame and fortune in the process, in one of the most astonishing rags-to-riches episodes in American letters. Spanning nearly a century of epochal change, from the Indian Wars to the Dust Bowl, Wilder’s dramatic life provides a unique perspective on American history and our national mythology of self-reliance. With fresh insights and new discoveries, Prairie Fires reveals the complex woman whose classic stories grip us to this day.
