1913. Through his multi-faceted activities, Tagore has become for the world the voice of India's spiritual heritage. Of his many works, the most enduringly popular has been Gitanjali, or Song Offerings, due to the honesty with which these verses articulate the poet's personal, and humanity's eternal, spiritual quest.

(New York Review of Books), interweaves scenes from his remarkable life with candid philosophical reflections on economics, welfare, and social justice, demonstrating how his experiences—in Asia, Europe, and

palaces, and bazaars, "always humming with intriguing activities." With characteristic moral clarity and compassion, Sen reflects on the cataclysmic events that soon tore his world asunder, from the Bengal famine of 1943 to the struggle for

Indian independence against colonial tyranny—and the outbreak of political violence that accompanied the end of British rule. Witnessing these lacerating tragedies only amplified Sen's sense of social purpose. He went on to study famine

Perhaps the most versatile of modern creative artists, Indian or Western, not excepting T.S. Eliot and D.H. Lawrence, Tagore doubtless offers us a fairly profound and elaborate aesthetic theory, though, of course,

Download Ebook My Boyhood Days Rabindranath Tagore

he does not write about art and literature with the deliberate intention of a writer of aesthetics. From a systematic, close study of his pronouncements and cogitations on art and literature, scattered in his variegated writings, emerges an

Download Ebook My Boyhood Days Rabindranath Tagore

aesthetic philosophy, which is absolutely invaluable to apprehend and appreciate his creative mind as well as the Indian and Western arts and literatures. Much of the finest of the Indian and Western aesthetics has been retouched and modernised

Download Ebook My Boyhood Days Rabindranath Tagore

by him, and to this he has contributed considerably by dint of his original mind. Hence the need and justification for a book such as this. There is almost a plethora of critical studies on the various aspects of Rabindranath Tagore's mind and

art. But, curiously enough, only a little attempt has hitherto been made to assimilate and assess his theory-statements on art in detail. This paucity of work further necessitates a thorough exploration of this subject. The present book is an

attempt to meet this need. A comprehensive study of Tagore's aesthetics, the book, it is hoped, will surely help the reader to understand Tagore, art and literature correctly.
