

My Dukes Deception Wicked Lords Of London Book 2

Enjoy three amazing stories from the bestselling series, *Taming the Duke's Heart*. *Taming a Rake into a Lord* Christopher Masters is a first class rake. Having retired as a spy, he thinks he may spend the next year or two gambling and drinking as a way to forget the horrors of his past. Quite suddenly, he is thrown into a new role entirely when he inherits the title and properties of the Earl of Winthrop. He has no desire for such a role but even more distressing is the ward that accompanies the estate. Lady Elizabeth knows that her future is uncertain. But when a handsome new earl arrives and announces that the will requires her to marry within the year, all hope is lost. Having cared for her father these past months, she is less than a wallflower. At least those ladies attended the ball. But if she doesn't marry, a new Earl might take Chris' place, Bernard Sinclair. She can't explain it, but his attention frightens her more than she can express. As Chris attempts to help Lizzie find a suitable husband, his attraction for her cannot be denied. Will his past cripple his future or can Lizzie tame the rake into a lord? *Taming a Savage Gentleman* Tom Maddox would never marry. He's the second son, the spare, and he prides himself on living his life without the confines of society. Baroness Segrave needs a husband for society's sake but she'd prefer he have no opinion at all. Which is why the Earl of Loudoun seems the ideal choice. With no fortune and a drinking habit, he should allow her to keep running her estate while living off the allowance she'd give him. But Loudoun proves to be both drunk and foolish. Suddenly a husband who is strong, capable, and appreciative of her gifts gains merit in her eyes. A man like Tom Maddox. But how can she convince Tom that he should consider marriage and give up his carefree bachelorhood? Because no matter what anyone else believes, she'd rather the love of a gentleman than a lord. *Taming a Rogue Earl* Lord Lucius Loudoun is capable of success in only two endeavors... work and women. Bedding them, anyway. He's given up trying to accomplish anymore. So why is he even tempted by an innocent like Miss May Stanley? May has loved Loudoun since she was a child, but he looks straight through her, still treating her like she's a girl of thirteen instead of a woman of twenty. How will she ever convince him to give her a chance? As the two tangle, attraction ignites, but can that spark become a flame?

Lord Rex Abelman, Earl of Casterly, has no intention of marrying. His life is that of an adventurer. But he cannot deny that Lady Daffodil is as sweet and funny as she is beautiful. Nor can help but wonder what life might be like if he were a better man. Rex is a rake and a rogue who has sworn off marriage. He is the last man Daffodil should give her attention. So why do her eyes drift to him at every opportunity? #Historical #Romance #Victorian #Regency

He's a rake beyond redemption... The Marquess of Milton was the sort of handsome that made women swoon at his feet. Which suited him just fine. Of course, no mother would allow him near her daughter, which worked even better. Who wanted to tangle with a woman he might have to marry? But when his path crosses with Miss Eliza Carrington, a woman who is both strikingly beautiful and as fiery as they come, he knows he has to have her. And when he realizes there is no marriage minded mama to contend with... it's time to be wicked. She has no time for games... The Marquess of Menace? That's what they called him? Eliza rejects the name from the first. It implies there is something dangerous about this man when really he's just an overgrown child. One who wanted to play at sin and dance away from the consequences of life. She'll have none of it. And if he thinks his cute lines and his handsome face will have her falling in his bed, he's got another thing coming. She'll teach him a few lessons about playing with a woman's affection that he'll never forget. But when danger comes knocking at her door, it's Menace who is there to fend it off. And when his arm slips about her in comfort, she has to confess that's it's as strong as it is comforting. And the reckless beating of her heart. Surely, that's a mistake. He's sworn never to marry... Lord Justice White isn't the settle down type of man. He's a fighter, a drinker, and a rake through and through. But when he takes on the villain threatening his family, a beautiful and innocent debutante is caught in the crossfire. As sweet as Lady Violet is tempting, Justice doesn't want her for himself. Absolutely not. But he can't quite allow her to fall victim either. Will the decency deep within him rise to the surface or will the darkness from his past swallow him forever?

He's all she's got and fortunately for her his heart is even bigger than his lectures. Which makes her wonder. What else, beside talking, might his mouth be good at? The woman has got to be daft... He's always had a soft heart for a woman in need and Sophie manages to be as endearing as she is annoying. And then there's the fact that she steals his breath with every wayward glance.
