Focus on Grammar

"Building on the success of previous editions, Focus on Grammar continues to provide an integrated-skills approach to engage students and help them accomplish their goals of communicating confidently, accurately, and fluently"--Back cover.

Today! is a four-level course that shapes learning around the individual, understanding that no two students are the same. Lessons feature kids in authentic situations, making English easier to understand, learning more enjoyable and teaching more effective!

StartUp is a completely new course for adults and young adults who want to make their way in the world and need English to do it. StartUp makes learning easy and relevant, focusing on meaningful language that builds student confidence in using English, both in and out of class. Teachers

are supported in numerous ways, minimizing preparation time and providing a flexibility that allows for personalized teaching and focus on the skills that are important for their classes. * English for 21st century learners: StartUp helps students learn English as it is spoken and used in the 21st century, such as in text messages, emails, and podcasts; in informal social texts and conversations; and in formal texts and discussions for academic and business contexts. Students acquire collaborative and critical thinking skills they need to succeed in study and at work. * Personalized, flexible teaching: StartUp gives you the flexibility to teach the way you want. The structure, the wealth of support materials and the practice app offer more options to flip the class, to focus on different strands and skills, and to extend and differentiate instruction to meet students' individual needs. * Motivating and relevant learning: The rich integrated digital content draws students in with engaging video stories, coaching videos, video talks on compelling topics - such as innovation, relationships, and art - and much more to build the language and skills they need. * ActiveTeach allows teachers to present in class with ease and to access all the audio and video where they need it. * The new Pearson Practice English App with QR codes takes students from page to practice, and audio and video for out-of-class practice. * Rich digital media: video conversations, video talks, media projects, and presentation skills integrated throughout for listening and speaking practice. * Specific support from Grammar Coach and Pronunciation Coach videos. * MyEnglishLab provides more intensive online practice. * Comprehensive assessment program in ExamView and MyEnglishLab.

Mygrammarlab

Building on the success of previous editions, Focus on Grammar , Fifth Edition continues to leverage its successful four-step approach that lets learners move from comprehension to communication within a clear and consistent structure. Centered on thematic instruction, Focus on Grammar combines comprehensive grammar coverage with abundant practice, critical thinking skills, and ongoing assessment, helping students communicate confidently, accurately, and fluently in everyday situations. The Fifth Edition continues to incorporate the findings of corpus linguistics in grammar notes, charts, and practice activities, while never losing sight of what is pedagogically sound and useful. New to This Edition New and updated content showcases culturally relevant topics of interest to modern learners. Updated grammar charts and redesigned grammar notes with clear, corpus-informed grammar explanations reflect real and natural language usage, allowing students to grasp the most important aspects of the grammar. Expanded communicative activities encourage collaboration and application of target grammar in a variety of settings. New unit-ending From Grammar to Writing section allows students to apply grammar in writing through structured tasks from pre-writing to editing. New assessment tools, including course diagnostic tests, formative and summative assessments, and a flexible gradebook, are closely aligned with unit learning outcomes to inform instruction and measure progress. FOG Go app for iPhone and Android lets students easily navigate Student Book audio clips on their phone or tablet. New Essential Online Resources include Student Book audio, answer keys, Grammar Coach videos, self-assessments, and teacher's resources. Other Highlights Scaffolded exercises help learners bridge the gap between identifying grammatical structures and using them with confidence and accuracy. High-interest readings in multiple genres expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary taught, practiced, and recycled throughout the unit ensures acquisition. Listening tasks give students multiple opportunities to focus on spoken English and develop listening skills. Mapped to the Global Scale of English.

Top Notch , now in a Third Edition, is a dynamic communicative course that makes English unforgettable through multiple exposures to language and systematic, intensive recycling. Goals- and achievement-based lessons with can-do statements enable students to confirm their progress. Top Notch builds confidence for successful oral expression through an expanded speaking pedagogy and prepares students for academic work through the development of critical thinking skills and reading and listening strategies.
