One of the most requested titles in our critically acclaimed Traveler series, this beautiful guide makes the vast enigma of China accessible to every visitor. Continuing the series' winning formula, this new edition combines in-depth, up-to-date descriptions with dazzling photographs, detailed maps, cutaway illustrations of renowned structures, and a wealth of useful travel tips. Organized by cities and areas, the book covers the best sites and attractions throughout the country. Highlights include the capital of Beijing; dynamic Shanghai; the fertile Yangtze region; Guilin and its fabled limestone pillars; the life-size army of terra-cotta warriors in Xi'an; Tibet; the Silk Road; Inner Mongolia; Hong Kong; and Macau—all prefaced by an elaborate introduction to the rich Chinese history and culture. Wide-ranging sidebars discuss Chinese deities, the Taiping Rebellion, Tibetan Buddhism, and other interesting topics, while guided tours include a bike ride from Tiananmen Square and a cruise along the Yangtze River. An extensive travel planner details practicalities such as where to find the most gracious hotels and

*Lonely Planet's USA is your most up-to-date advice on what to see and skip, and what hidden discoveries await you. Gaze into the chasm of the Grand Canyon, hang ten on a Hawaiian wave, and let southern music and food stir your soul- all with your trusted travel companion. Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.*

*The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.*
