Bilingual English and Bengali board book introducing concepts of opposites for young children in both English and Bengali language.

My First Book of Korean Words is a beautifully illustrated book that introduces young children to Korean language and culture through everyday words. The words profiled in this book are all commonly used in the Korean language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Korean Words are multiple: to familiarize children with the sounds and structure of Korean speech, to introduce core elements of Korean culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes, and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Hangeul, as well as in its Romanized form. With the help of this book, we hope more children (and adults) will soon be a part of the nearly 80 million people worldwide that speak Korean!

"Simple text paired with themed photos invite the reader to learn to speak Portuguese"--Provided by publisher.

Libro Bilingue de Rimass, Canciones, Cuentos Y Juegos

Front, back, left, rightI read my Opuestos every night!"

Courtney Dicmas introduces babies to basic concepts with her award-winning charm and humour. In Opposites, interactions between animals with drastically different characteristics provides plenty of opportunities to discuss and make comparisons. Colours takes an original approach to the topic by representing popular colours through ocean creatures. Shapes cleverly demonstrates the way that different shapes appear in nature, through the outlines of animals, or through the negative space between them and their family members. How many birds can roost on a wire? Find out in the final book in the series: Numbers!

Children will learn about opposites in a simple and engaging way with this delightful new book using Alain Grée ' s charming retro-style illustrations. Bold and colorful, they instantly convey the information needed about each pair of opposites in a way that can be tricky to do with just words. Practical and hard-wearing, these board books are perfect for taking out and about and will outlast the wear and tear inflicted by babies and young children.

Vibrant illustrations and clear text help children discover two languages by learning words for different indoor locations, including a museum, an art gallery, a school, a library, and a mall.
