

My Forbidden Face Chapter Summaries

It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo’s dictatorship. It doesn’t have to. Everybody knows of Las Mariposas–“The Butterflies.” In this extraordinary novel, the voices of all four sisters–Minerva, Patria, María Teresa, and the survivor, Dedé–speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo’s rule. Through the art and magic of Julia Alvarez’s imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows–does Luke dare to become involved in her dangerous plan? Can he afford not to?

Clay McGavran was stuck in hell. Otherwise known as Denson, Virginia - a small town in the shadows of the Blue Ridge Mountains - a town shrouded in the pain and tragedy of the past. As partner at one of Richmond's most successful construction and design firms, building someone else's dream home was his job. But when their dream brought him to the town of his nightmares, he was thrust into a past he'd worked diligently to forget. The only respite to his misery came from an unexpected - and inconvenient - source. His new assistant, Alison. To Clay, Alison was the woman whose perpetual smile and hauntingly familiar eyes were a balm to his scraped and bruised psyche. She was the antithesis of the type of woman he usually took to his bed but he found himself wanting her more than any woman before her. And, as his employee, she was the one woman he couldn't have. His company, friendships, and reputation were at stake. He couldn't cross that line again. He'd been reckless in the past and it had nearly cost him his company - and his life. But it's not so easy to walk away when, in the fires of his personal hell, he may have stumbled headlong into his salvation. ***Due to coarse language and graphic sexual situations, this book is not intended for individuals under the age of 18.***

From the author of Cry, The Beloved Country comes a powerful novel of terror and remorse “written in exquisitely balanced prose” (Chicago Sun-Times) about a white policeman who has an affair with a native girl in South Africa. After violating his country’s ironclad law governing relationships between the races, a young white South African police lieutenant must struggle alone against the censure of an inflexible society, his family, and himself.

The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin’s Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unctions dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar’s blood-soaked past and stand together–and unless Dalinar himself can confront that past–even the restoration of the Knights Radiant will not prevent the end of civilization. An African American man describes life as the son of a white mother and Black father, reflecting on his mother's contributions to his life and his confusion over his own identity.

Traces the author's experiences as an illegal child immigrant, describing her father's violent alcoholism, her efforts to obtain a higher education, and the inspiration of Latina authors.

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as A Room of One's Own, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance - women and learning, writing and poverty - which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence - a call which sent ripples well into the next century. Brilliant interweaving of personal experience, imaginative musing and political clarity – Kate Mosse, The Guardian 'Probably the most influential piece of non-fictional writing by a woman in this century.' – Hermione Lee, The Financial Times

Closely guarded secrets; never spoken past the grave. Where life in an era prior Emalia's rise to glory. Spanned two generations held deceptions. Forging a crest under which blood stained root foundations. Shamefully shielded trough society valves whose, self-glorified honour he a claim owing to namesake. Bear witness cleverly cloaked lies legitimised to man's word. whence in a dark time, where common men crafted a destiny seizing opportunity to fortune. None would have thought possible. Thus, lives the epic tale of the Hill family from which one man's rites conducting treachery through a plan cunningly devised. Unfolding to thou eyes as thou behold Emalia's rise to glory through the deeds of men!

The inspiration for a major motion picture by Mark Wahlberg: A Navy SEAL's firsthand account of American heroism during a secret military operation in Afghanistan. On a clear night in late June 2005, four U.S. Navy SEALs left their base in northern Afghanistan for the mountains. Their mission was to capture or kill a notorious al Qaeda leader known to be ensconced in a Taliban stronghold surrounded by a small but heavily armed force. Less than twenty-four hours later, only one of those Navy SEALs remained alive. This is the story of fire team leader Matt Redwing, and the desperate battle in the mountains that led, ultimately, to the largest loss of life in Navy SEAL history. But it is also, more than anything, the story of his teammates, who fought ferociously beside him until he was the last one left–blasted by a grenade, blown over a cliff, but still armed and still breathing. Over the next four days, badly injured and presumed dead, Luttrell fought off six al Qaeda assassins who were sent to finish him, then crawled for seven miles through the mountains before he was taken in by a Pashtun soldier. Luttrell and his team did everything to protect him from the encircling Taliban killers. A six-foot-five-inch Texan, Leading Petty Officer Luttrell takes us, blow by blow, through the brutal training of America's warrior elite and the relentless rites of passage required by the Navy SEALs. He transports us to the heart of the fight in the desolate peaks of Afghanistan, where the beleaguered American team plummeted headlong a thousand feet down a mountain as they fought back through flying shale and rocks. In this rich, moving chronicle of courage, honor, and patriotism, Marcus Luttrell delivers powerful narratives ever written about modern warfare -- and a tribute to his teammates, who made the ultimate sacrifice for their country.

A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, Black Boy was both praised and condemned. The New York Times wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Yet from 1975 to 1978, Black Boy was banned in several states of the United States for "obscenity" and "instigating hatred between the races." Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, and while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago. He forged a new path and began his career as a writer. At the end of Black Boy, Wright sits poised with pencil in hand, determined to "hurl words into this darkness and wait for an echo." Seventy-five years later, his words continue to reverberate. "To read Black Boy is to stare into the darkness," John Edgar Wideman writes in his foreword. "Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear." One of the great American memoirs, Wright's account is a poignant record of struggle and endurance—a seminal literary work that illuminates the American experience.

The Color of Water

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

*Award-winning, critically acclaimed author Alan Gratz (Prisoner B-3087) returns with another gripping World War II story, this time about a spy in the Hitler Youth. Infiltrate. Befriend. Sabotage. World War II is raging. Michael O'Shaunessey, originally from Ireland, now lives in Nazi Germany with his parents. Like the other boys in his school, Michael is a member of the Hitler Youth. But Michael has a secret. He and his parents are spies. Michael despises everything the Nazis stand for. But he joins in the Hitler Youth's horrific games and book burnings, playing the part so he can gain insider knowledge. When Michael learns about Projekt 1065, a secret Nazi war mission, things get even more complicated. He must prove his loyalty to the Hitler Youth at all costs -- even if it means risking everything he cares about. Including... his own life.*From acclaimed author Alan Gratz (Prisoner B-3087) comes a pulse-pounding novel about facing fears and fighting for what matters most.

A repackaged edition of the revered author's retelling of the myth of Cupid and Psyche—what he and many others regard as his best novel. C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of Mere Christianity, The Screwtape Letters, The Great Divorce, The Chronicles of Narnia, and many other beloved classics—brilliantly reimagines the story of Cupid and Psyche. Told from the viewpoint of Psyche's sister, Orual, Till We Have Faces is a brilliant examination of envy, betrayal, loss, blame, grief, guilt, and conversion. In this, his final—and most mature and masterful—novel, Lewis reminds us of our own fallibility and the role of a higher power in our lives.

Because the Taliban rulers of Kabul, Afghanistan impose strict limitations on women's freedom and behavior, eleven-year-old Parvana must disguise herself as a boy so that her family can survive after her father's arrest.

The Eyewitness Account of Operation Redwing and the Lost Heroes of SEAL Team 10

A National Book Award finalist by Newbery Medalist Kate DiCamillo. Walking through the misty Florida woods one morning, twelve-year-old Rob Horton is stunned to encounter a tiger—a real-life, very large tiger—pacing back and forth in a cage. What’s more, on the same extraordinary day, he meets Sistine Bailey, a girl who shows her feelings as readily as Rob hides his. As they learn to trust each other, and ultimately, to be friends, Rob and Sistine prove that some things—like memories, and heartache, and tigers—can’t be locked up forever. **Featuring a new cover illustration by Stephen Walton and an excerpt of Kate DiCamillo’s newest novel, Raymie Nightingale.**

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

The LitJoy Classics edition of Jane Eyre features a fully illustrated cover and interior end pages, five full-page illustrations, gold-color ribbon, custom slip cover, gilded gold page edges, and artwork by Felix Abel Klaer.

Forbidden to make images, fourteen-year-old Tao, the boy with the bad foot, yearns to be a cave painter, recording the figures of the mammals, rhinos, bison, and other animals of his prehistoric times.

Broken Ground

The Autobiography of Malcolm X was intended to be a true autobiography, with the name of Alex Haley appearing not at all or as a ghost writer or as a mere contributor or assistant. However, with the assassination of Malcolm X having occurred in Harlem in New York City on February 21, 1965 just before this book could be published, it became necessary to reveal the important role of Alex Haley in creating this book.

An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’s persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, The Handmaid’s Tale is at once a mordant satire and a dire warning.

A Time Best YA Book of All Time (2021) In this “searing work of historical fiction” (Booklist), Coretta Scott King Award-winning author Sharon M. Draper tells the epic story of a young girl torn from her African village, sold into slavery, and stripped of everything she has ever known—except hope. Amari’s life was once perfect. Engaged to the handsomest man in her tribe, adored by her family, and fortunate enough to live in a beautiful village, it never occurred to her that it could all be taken away in an instant. But that was what happened when her village was invaded by slave traders. Her family was brutally murdered as she was dragged away to a slave ship and sent to be sold in the Carolinas. There she was bought by a plantation owner and given to his son as a "birthday present". Now, survival is all Amari can dream about. As she struggles to hold on to her memories, she also begins to learn English and make friends with a white indentured servant named Molly. When an opportunity to escape presents itself, Amari and Molly seize it, fleeing South to the Spanish colony in Florida at Fort Mose. Along the way, their strength is tested like never before as they struggle against hunger, cold, wild animals, hurricanes, and people eager to turn them in for reward money. The hope of a new life is all that keeps them going, but Florida feels so far away and sometimes Amari wonders how far hopes and dreams can really take her.

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME’S TEN BEST NONFICTION BOOKS OF THE DECADE “Inspiring . . . extraordinary . . . [Katherine Boo] shows us how people in the most desperate circumstances can find the resilience to hang on to their humanity. Just as important, she makes us care.”—People “A tour de force of social justice reportage and a literary masterpiece.”—Judges, PEN/John Kenneth Galbraith Award ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times • The Washington Post • O: The Oprah Magazine • USA Today • New York • The Miami Herald • San Francisco Chronicle • Newsday In this breathtaking book by Pulitzer Prize winner Katherine Boo, a bewildering age of global change and inequality is made human through the dramatic story of families striving toward a better life in Annawadi, a makeshift settlement in the shadow of luxury hotels near the Mumbai airport. As India starts to prosper, the residents of Annawadi are electric with hope. Abdul, an enterprising teenager, sees “a fortune beyond counting” in the recyclable garbage that richer people throw away. Meanwhile Asha, a woman of formidable ambition, has identified a shadier route to the middle class. With a little luck, her beautiful daughter, Annawadi’s “most-everything girl,” might become its first female college graduate. And even the poorest children, like the young thief Kalu, feel themselves inching closer to their dreams. But then Abdul is falsely accused in a shocking tragedy; terror and global recession rock the city; and suppressed tensions over religion, caste, sex, power, and economic envy turn brutal. With intelligence, humor, and deep insight into what connects people to one another in an era of tumultuous change, Behind the Beautiful Forevers, based on years of uncompromising reporting, carries the reader headlong into one of the twenty-first century’s hidden worlds—and into the hearts of families impossible to forget. WINNER OF: The PEN Nonfiction Award • The Los Angeles Times Book Prize • The American Academy of Arts and Letters Award • The New York Public Library’s Helen Bernstein Book Award NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • People • Entertainment Weekly • The Wall Street Journal • The Boston Globe • The Economist • Financial Times • Foreign Policy • The Seattle Times • The Nation • St. Louis Post–Dispatch • The Denver Post • Minneapolis Star Tribune • The Week • Kansas City Star • Slate • Publishers Weekly

A heartwarming tale of courage, resilience and hope from master storyteller and winner of the prestigious Newbery Medal, Linda Sue Park. When her name was Keoko, Japan owned Korea, and Japanese soldiers ordered people around, telling them what they could do or say, even what sort of flowers they could grow. When her name was Keoko, World War II came to Korea, and her

friends and relatives had to work and fight for Japan. When her name was Keoko, she never forgot her name was actually Kim Sun-hee. And no matter what she was called, she was Korean. Not Japanese. Inspired by true-life events, this amazing story reveals what happens when your culture, country and identity are threatened.

Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. Look for CROSSED, the sequel to MATCHED, in Fall 2011! Watch a Video

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life – use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, The Fountainhead and Atlas Shrugged. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

The best-selling author of Devil in the White City documents the efforts of first American ambassador to Hitler's Germany William E. Dodd to acclimate to a residence in an increasingly violent city where he is forced to associate with the Nazis while his daughter pursues a relationship with Gestapo chief Rudolf Diels.

The Bronze Bow

Black Boy [Seventy-fifth Anniversary Edition]

A Mind Spread Out on the Ground

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

In the second book of the Jannah Jewels Series, the girls are caught and thrown aboard the ship of Zheng He, the famous Chinese Muslim Admiral. Caught in a lightning thunderstorm, they must sail in raging waters to retrieve a rare medicine plant. Can the Jannah Jewels escape the fiery arrows of pirates and make it safely back home?

A young Jewish rebel is filled with hatred for the Romans and a desire to avenge his parents' deaths, until Jesus teaches him love and understanding of others.

The Girl Who Stood Up for Education and Was Shot by the Taliban

In the Time of the Butterflies

"In her raw, unflinching memoir . . . she tells the impassioned, wrenching story of the mental health crisis within her own family and community . . . A searing cry." —New York Times Book Review The Mohawk phrase for depression can be roughly translated to "a mind spread out on the ground." In this urgent and visceral work, Alicia Elliott explores how apt a description that is for the ongoing effects of personal, intergenerational, and colonial traumas she and so many Native people have experienced. Elliott's deeply personal writing details a life spent between Indigenous and white communities, a divide reflected in her own family, and engages with such wide-ranging topics as race, parenthood, love, art, mental illness, poverty, sexual assault, gentrification, and representation. Throughout, she makes thrilling connections both large and small between the past and present, the personal and political. A national bestseller in Canada, this updated and expanded American edition helps us better understand legacy, oppression, and racism throughout North America, and offers us a profound new way to decolonize our minds.

She's always been off-limits... Former Army Special Forces Sgt. Marco Vieri has never thought of Alyssa Scott as more than his best friend's little sister, but her return home changes that...and challenges him to keep his war-borne demons at bay. Marco's not the same person he was back when he protected Alyssa from her abusive father, and he's not about to let her see the mess he's become. ...but now she's all grown up. When Alyssa takes a job at the bar where Marco works, her carefree smiles wreak havoc on his resolve to bury his feelings. How can he protect her when he can't stop thinking about her in his bed? But Alyssa's not looking for protection—not anymore. Now that she's back in his life, she's determined to heal her forbidden hero, one touch at a time...

Latifa was born into an educated middle-class Afghan family in Kabul in 1980. She dreamed of one day of becoming a journalist, she was interested in fashion, movies and friends. Her father was in the import/export business and her mother was a doctor. Then in September 1996, Taliban soldiers seized power in Kabul. From that moment, Latifa, just 16 years old became a prisoner in her own home. Her school was closed. Her mother was banned from working. The simplest and most basic freedoms - walking down the street, looking out a window - were no longer hers. She was now forced to wear a chadri. My Forbidden Face provides a poignant and highly personal account of life under the Taliban regime. With painful honesty and clarity Latifa describes the way she watched her world falling apart, in the name of a fanatical interpretation of a faith that she could not comprehend. Her voice captures a lost innocence, but also echoes her determination to live in freedom and hope. Earlier this year, Latifa and her parents escaped Afghanistan with the help of a French-based Afghan resistance group.
