

My Little Pony I Love To Draw How To Create Collect And Share Your Favorite Little Pony Learn Drawing

Fluttershy and Rarity travel to Manehattan where Rarity is shocked to discover old, ugly fashions are back in style! Princess Celestia disguises herself to live amongst ordinary ponies for a day. What she learns about her subjects, and herself, will surprise her! Plus, Twilight and friends are surprised to learn that a film is being made about them! When the story turns out to be less than accurate, the group decides to make their own film! Collects issues #64-68 of the ongoing series.

Drew Morris doesn't just feel like an outsider in his football-crazed Texas town—he actually is. He sucks at sports, even though his dad is the high school football coach. And his supposed "teen growth spurt" has yet to be seen, so he's sure his freshman year will be filled with seniors stuffing him in lockers. However, Drew is spared from the bullying he expects. Instead, a girl named Skye—who constantly dons horse ears and talks about My Little Pony—becomes everyone's target. Drew feels bad for her, but he's not about to stand up and take her place. At least not until he discovers what these My Little Ponies are about. Babyfaced, his younger sister one night, Drew is forced to watch My Little Pony: Friendship Is Magic. Much to his surprise, he finds himself actually paying attention to the show. . . and maybe even wanting to watch another episode after his sister is in bed. As school drags on, lonely and boring, he keeps sneaking episodes on his tablet until he has watched every single one. Not only that, but he's even started drawing the ponies in his spare time. He knows if anyone finds out how much he likes the show, he'll be a dead man walking like Skye. As it becomes harder to keep his secret while he has to watch Skye get bullied for the one thing that has made him happy all year, Drew faces some important choices. Read about Drew's search for friends and self-acceptance in My Little Brony, Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Princess Luna, the guardian of the night, peacefully rules over Equestria alongside her big sister. When the Cutie Mark Crusaders suggest she should have a holiday as equally prestigious as Celestia's Summer Sun Celebration, she declines. Luna isn't comfortable with such attention—especially after all the terror she caused as Nightmare Moon. So when she realizes Celestia is orchestrating a surprise festival in her honor, she decides to have some fun and take matters into her own hooves. What's a princess of darkness to do? ©2015 Hasbro. Discord is a relatively new student of the Magic of Friendship. After all, it was not so very long ago that he was the most notorious villain in all of Equestria. So when he receives a secret invitation from Princess Celestia to join the ponies of Ponyville in their Spring Musical, he jumps at the opportunity to practice what he's learned so far. Things go as smoothly as they can first, but it's not long before the former king of chaos leaves a trail of disaster in his wake, and everyone second-guesses including him in their community production. This eye-popping book, packed with color and wonder, will transport young readers into the world of My Little Pony, specifically, the Sugar Cube Corner Bakery where fan-favorite pony Pinkie Pie works for Mr. and Mrs. Cake, the two pony bakers who create all of the tastiest treats in town. Pinkie Pie will give readers a "tour" of the bakery, during which readers will learn all about baking. She'll also share why baking is great, how it makes people happy, feeds them, expresses love, and more. She'll then share 50 of her favorite, easy-to-make recipes, designed to require a minimum of help from parents and caregivers. Each recipe appears in full, vibrant color, with commentary and advice provided by the most popular My Little Pony characters. Recipe sections include: · Cakes and cupcakes · Pies · Cookies and bars · Breads · Breakfast treats · Pizzas · Other savory surprises!

Celebrate the charming and diverse artwork of IDW's My Little Pony comic book series in this special art book! Read along as fan-favorite artists Jay Fosgitt, Sara Richard, Tony Fleecs, Andy Price, Brenda Hickey, and Agnes Garbowska showcase a selection of their most cherished pieces, provide insight into their process, and share the identities of their favorite ponies! Fans of My Little Pony or the comic arts alike are sure to awe at this bright and inspired collection.
