

My Note Taking Nerd

People buy more and buy more happily when in good humor. Understanding humor and being able to effectively use it for your sales and persuasion purposes is a powerful advantage—for any speaker, salesman or writer.” Drawn from 30 years’ experience as a popular professional speaker, author of 13 books, columnist and advertising copywriter, Dan Kennedy looks at humor as an instrument of persuasion and influence. Anyone—amateur—or pro—who must stand and deliver speeches, seminars, group sales presentations, serve as toastmaster, or write advertisements, sales letters or newsletters will find fodder here, to be faster on their feet, more confident and adept at being funny with a purpose. The book contains thoughtful insight but also simple shortcuts. Reading it, you’ll get a better appreciation for the humor around you and humor professionals who entertain you, and you’ll exit stage left with humor strategies and tricks you can use. Even if you’re not all that funny. Note: This book contains adult material and may not be suitable for minors. Or for the easily offended. From the author. . . .I’ first titled this book ‘Mugging for Fun and Profit,” but then thought better of it. Reminds me of Napoleon Hill being threatened by his publisher with the title ‘Use Your Noodle To Get The Bootle,’ which Hill transformed to ‘Think And Grow Rich.’ Overnight. The power of a deadline and desperation. And one of the all-time bestselling books on the subject of success the result. Anyway, unless you are just doing to hit ‘em over the head and drag them out into the desert to empty their pockets,’ I’d suggest, you need to know how to make ‘em laugh.

Cornell Style Paper Composition Notebook Marble Size 6 x 9 inches Notebook for Writing and Taking Note and Composition Book Paper Student - Teacher - Men - Women - for Work Class Notes or Home Use Also makes an excellent Gratitude Journal or daily Journal. Makes a stunning Journal or Notebook for a variety of uses Classic lined notebook has a cool marble cover - you'll be inspired and focused each time you use it! Imagine how awesome you'll be at work - home or at school with your improved creativity This pretty Cornell Notes Notebook Features The perfect Cornell method for more efficient note-taking in class The unique life story of one of the most talented and inventive comedians, star of Shaun of the Dead, Hot Fuz, Paul, Spaced, and Star Trek. Zombies in North London, death cults in the West Country, the engineering deck of the Enterprise -- actor, comedian, writer, and supergeek Simon Pegg has been ploughing some bizarre furrows. Having landed on the U.S. movie scene in the surprise cult hit Shaun of the Dead, his enduring appeal and rise to movie stardom has been mercurial, meteoric, megatronic, but mostly just plain great. From his childhood (and subsequently adult) obsession with science fiction, his enduring friendship with Nick Frost, and his forays into stand-up comedy, which began with his regular Monday-morning slot in front of his twelve-year-old classmates, Simon has always had a severe and dangerous case of the funnies. Whether recounting his experience working as a lifeguard at the city pool, going to Comic-Con for the first time and confessing to Carrie Fisher that he used to kiss her picture every night before he went to sleep, or meeting and working with heroes that include Peter Jackson, Kevin Smith, and Quentin Tarantino, Pegg offers a hilarious look at the journey to becoming an international superstar.

...ARE YOU INTERESTED IN BECOMING A RENEGADE MILLIONAIRE? When was the last time you thought of yourself as someone who doesn't fit the typical and conventional to the wayside? Someone who only pushes the envelope when they practically sheds it into a million pieces—daring to live and experience life where few others are willing to go? Being a RENEGADE MILLIONAIRE means having the willingness, know-how, and courage to transform an ordinary business into an extraordinary, wealth-producing asset that can change your life forever. Inside this revolutionary book, world-famous author Dan Kennedy reveals the principles and strategies he's used over the past four decades to do exactly that—not only for himself but also for businesses of all shapes and sizes throughout the world. It's all practical, rubber-meets-road kind of material, 100 percent based on the real-life experiences of well over 150 first-generation, from-scratch, entrepreneurial millionaires and multimillionaires... In essence, you're getting over \$100 million worth of entrepreneurial street smarts. Are you ready to rise above, push forward at lightning speed, and finally live the life of a true RENEGADE MILLIONAIRE? Then let's get started.

Taking Business Intelligence Beyond Reporting

A Novel

We have an uneasy relationship with the relentless deluge of information gushing out of academia and our media outlets. To turn it off is escapist, but to attempt to cognitively grapple with it is overwhelming. In *Unforgettable: Enabling Deep and Durable Learning*, a nationally recognized master teacher gives professors and their students the means to chart a clear path through this information explosion. Humans crave explanatory patterns, and this book enables teachers to think deeply about their academic disciplines to find and articulate their core explanatory principles and to engage their students in a compelling way of thinking. An alternative title for this book could be *Why the Best College Teachers Do What They Do* because the author articulates a compelling rationale that will equip faculty to create and deliver transformative courses. Students in transformative courses grapple with essential questions and gain mental muscle that equips them for real world challenges. This is a handbook for readers who wish to learn more about providing services to individuals who are deaf or hard of hearing. It provides basic knowledge of Deaf Culture and the hard of hearing population, the aesthetics of American Sign Language, and an awareness of hearing loss and its influence on family and community life.

"While business analytics sounds like a complex subject, this book provides a clear and non-intimidating overview of the topic. Following its advice will ensure that your organization knows the analytics it needs to succeed, and uses them in the service of key strategies and business processes. You too can go beyond reporting!"—Thomas H. Davenport, President's Distinguished Professor of IT and Management, Babson College; coauthor, *Analytics at Work: Smarter Decisions, Better Results* Deliver the right decision support to the right people at the right time Filled with examples and forward-thinking guidance from renowned BA leaders Gert Laursen and Jesper Thorlund, *Business Analytics for Managers* offers powerful techniques for making increasingly advanced use of information in order to survive any market conditions. Take a look inside and find: Proven guidance on developing an information strategy Tips for supporting your company's ability to innovate in the future by using analytics Practical insights for planning and implementing BA How to use information as a strategic asset Why BA is the next stepping-stone for companies in the information age today Discussion on BA's ever-increasing role Improve your business's decision making. Align your business processes with your business's objectives. Drive your company into a prosperous future. Taking BA from buzzword to enormous value-maker, *Business Analytics for Managers* helps you do it all with workable solutions that will add tremendous value to your business.

A successful entrepreneur who has influenced one million business owners as an advisor and business coach provides new tactics and strategies to help business owners attract opportunity, increase personal value, and change their lives. Original.

A fascinating journey around one of the Nordic region's least known countries. A detailed exploration and explanation of the character of the Finnish people. The author's family background gives him a unique access to this very private people. At an age when many of his peers might be considering a cardigan and slippers lifestyle, Max Boyle departs his native Huddersfield for a backpacking journey in the southern regions of Finland. There he takes in the cities of Helsinki, Tampere and Turku, as well as many smaller towns and villages. Inspired by his own Finno-Ugric roots, he seeks out aspects of Finnish history and culture, enjoys boat trips in Finnish Lakeland and a not-so-daring funfair ride, discovers something of Finland's celebrated heavy-metal scene, indulges in a traditional sauna and, not least, samples a variety of bars and restaurants. The reason for the trip, however, is an enquiry into Finnish national character. During the course of his journey he conducts a number of interviews with those he encounters, examining their views on supposed Finnish characteristics such as sisu (a never-give-up attitude), concealment of feelings, modesty and, above all, ultra-honesty. Various basking in sunshine, assailed by rain, and targeted by mosquitoes, Boyle makes his way around the country's South, home to the majority of Finland's population, and duly encounters a people referred to by American Finophile Richard D. Lewis as 'the honest tribe'. This is an often a light-hearted journey around one of Europe's most quietly successful countries.

A Book Riot Most Anticipated Nonfiction Book of 2021 The creators of the popular website *Black Nerd Problems* bring their witty and unflinching insight to this engaging collection of pop culture essays on everything from Mario Kart and The Wire to issues of representation and police brutality across media. When William Evans and Omar Holmon founded *Black Nerd Problems*, they had no idea whether anyone beyond their small circle of friends would be interested in their little corner of the internet. But soon after launching, they were surprised to find out that there was a wide community of people who hungered for fresh perspectives on all things nerdy. From the perspective of #OwnedVoices. In the years since, Evans and Holmon have built a large, dedicated fanbase eager for their brand of cultural critique, whether in the form of a laugh-out-loud, raucous *Game of Thrones* episode recap or an eloquent essay on dealing with grief through stand-up comedy. Now, they are ready to take the next step with this vibrant and hilarious essay collection, which covers everything from X-Men to Breonna Taylor with insight and intelligence. A much needed and fresh pop culture critique from the perspective of people of color. *Black Nerd Problems* is the ultimate celebration for anyone who loves a blend of social commentary and all things nerdy.

NEW YORK TIMES BESTSELLER • A deliciously dark tale of America’s dysfunctional coming years—and the timeless and tender feelings that just might bring us back from the brink. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times • The Washington Post • The Boston Globe • San Francisco Chronicle • The Seattle Times • O: The Oprah Magazine • Maureen Corrigan, NPR • Salon • Slate • CNN • Newspeak’s Star Tribune • St. Louis Post-Dispatch • The Kansas City Star • Charlotte Observer • The Globe and Mail • Vancouver Sun • Montreal Gazette • Kirkus Reviews In the near future, America is crushed by a financial crisis and our patient Chinese creditors may just be ready to foreclose on the whole mess. Then Lenny Abramov, son of an Russian immigrant janitor and ardent fan of “printed, bound media artifacts” (aka books), meets Eunice Park, an impossibly cute Korean American woman with a major in Images and a minor in Assertiveness. Could falling in love redeem a planet falling apart?

Networking for Nerds

A step-by-step guide for teachers to the benefits of visual note-taking and how to incorporate it in their classrooms. We’ve come a long way from teachers assigning students to put away their drawings and take traditional long-form notes. Let’s be honest: note-taking is boring and it isn’t always the most effective way to retain information. This book is a guide for teachers about getting your students drawing and sketching to learn visually. Whether in elementary school or high school, neuroscience has shown that visual learning is a very effective way to retain information. The techniques in this book will help you work with your students in novel ways to put away their information. Visual note-taking can be used with diverse learners; all ages; and those who have no drawing experience. Teachers are provided with a library of images and concepts to steal, tweak, and use in any way in their classrooms. The book is liberally illustrated with student examples from elementary and high school students alike.

In Book 2 of the Superstars Trilogy, cheating is rampant within the walls of an award-winning high school and in the lives of two teachers and one student striving to unveil the truth as events pull them all into a widening scandal.

Networking for Nerds provides a step-by-step guide to understanding how to access hidden professional opportunities through networking. With an emphasis on practical advice on how and why to network, you will learn how to formulate and execute a strategic networking plan that is dynamic, multidimensional, and leverages social media platforms and other networking channels. An invaluable resource for both established and early-career scientists and engineers (as well as authors), *Networking for Nerds* offers readers concrete insight on crafting professional networks that are mutually beneficial and support the advancement of both your career goals and your scholarly ambitions. “Networking” does not mean going to one reception or speaking with a few people at one conference, and never contacting them again. Rather, “networking” involves a spectrum of activities that engages both parties, ensures everyone’s value is appropriately communicated, and allows for the exploration of a win-win collaboration of some kind. Written by award-winning entrepreneur and strategic career planning expert Alaina G. Levine, *Networking for Nerds* is an essential resource for anyone working in scientific and engineering fields looking to enhance their professional planning for a truly fulfilling, exciting, and stimulating career. *Networking for Nerds* provides a step-by-step guide to understanding how to access hidden professional opportunities through networking. NEW YORK TIMES & USA TODAY Bestselling author! A YA LOVE story about a girl who has her life turned upside down. A girl. A coma. A life she can't remember. When Emma Walker wakes up in the hospital with no knowledge of how she got there, she learns that she's been in a coma for six months. Strangers show up and claim to be her parents, but she can't remember them. She can't remember anyone. Not her friends, not even her boyfriend. Even though she can't remember, everyone wants her to just pick up where she left off, but what she learns about the 'old her' makes her start to wish she'd never woken up. Her boyfriend breaks up with the new girl he's dating to be with her, her parents want her to start planning for college, her friends want their leader back, and her physical therapist with the hazel eyes keeps his distance to save his position at the hospital. Will she ever feel like she recognizes the girl in the mirror?

This textbook provides a succinct, contemporary introduction to intercultural communication with a focus on actual language use. With English as a lingua franca and Communicative Accommodation Theory as the underpinning concepts, it explores communication, language use, and culture in action. Each chapter includes discourse extracts so that students can apply what they have learned to real text examples, and supplementary instructor materials including suggestions for discussion points and activities are hosted on springer.com. The book will be key reading for students taking modules on Intercultural Communication or Language, Culture and Communication as part of a degree in Linguistics and Applied Linguistics, or English Language both at undergraduate and postgraduate level.

When teachers experiment, students benefit. When students gain confidence to pursue their own literary experiments, creative writing can become a life-changing experience. With chapters written by experienced teachers and classroom innovators, Creative Writing Innovations builds on these principles to uncover the true potential of the creative writing classroom. Rooted in classroom experience, this book takes teaching beyond the traditional workshop model to explore topics such as multi-media genres, collaborative writing and field-based work, as well as issues of identity. Taken together, this is an essential guide for teachers of creative writing at all levels from the authors and editors of Creative Writing in the Digital Age.

*The Caped Crusade is a fascinating, critically acclaimed chronicle of the rises and falls of one of the world's most iconic superheroes and the fans who love him—now with a new afterword. For nearly a century, Batman has cycled through eras of dark melodrama and light comedy and back again. How we perceive his character, whether he's delivering dire threats in a raspy Christian Bale growl or trading blithely homoerotic double entendres with Robin the Boy Wonder, speaks to who we are and how we wish to be seen by the world. It's his endless adaptability that has made him so lasting, and ultimately human. But it's also Batman's fundamental nerdiness that uniquely resonates with his fans and makes them fiercely protective of him. As Weldon charts the evolution of Gotham's Guardian from Bob Kane and Bill Finger's hypernated hero to Christopher Nolan's post-9/11 Dark Knight, he reveals how this symbol of justice has made us who we are today and why his legacy remains so strong. Well-researched, insightful, and engaging, *The Caped Crusade*, with a new afterword by the author, has something for everyone.*

With multiple starred reviews, don't miss this humorous, poignant, and original contemporary story about bullying, broken friendships, social media, and the failures of communication between kids. From John David Anderson, author of the acclaimed Ms. Bixby's Last Day. In middle school, words aren't just words. They can be weapons. They can be gifts. The right words can win you friends or make you enemies. They can come back to haunt you. Sometimes they can change things forever. When cell phones are banned at Branton Middle School, Frost and his friends Deedee, Wolf, and Bench come up with a new way to communicate: leaving sticky notes for each other all around the school. It catches on, and soon all the kids in school are leaving notes—though for every kind and friendly one, there is a cutting and cruel one as well. In the middle of this, a new girl named Rose arrives at school and sits at the

*Visual Note-Taking for Educators: A Teacher's Guide to Student Creativity*W. Norton & Company While some qualitative methods texts touch upon online communities as a potential data source, show how to conduct interviews and focus groups online, or select recording devices and analysis software, no book to date has guided readers in the creation of a comprehensive digital workflow for their research. By working through each chapter in this book, readers will be able to generate a unique digital workflow for designing and implementing their research. The book provides a deep exploration of the relationship between theories of technology, substantive theories, and methodological theory, and shows how together these inform the development of a quality research design. The authors include vignettes—narratives written by qualitative researchers describing cutting-edge use of digital tools and spaces—and also give examples of published studies, which together provide practical illustration of the content. *Workshop throughout is explicit attention to ethical challenges that are likely to be faced by researchers when adopting digital tools. The book invites readers to engage in a critical appraisal of the role of technology in qualitative research through reflection, conversation, and engagement with the larger community of researchers.*

the hilarious novel about what to expect when you're NOT expecting Honoring Chris While You Wait for Your Next Pastor Renegade Millionaire No B.S. Wealth Attraction in the New Economy Your Best Poker Friend: Increase Your Mental Edge and Maximize Your Profits When KC Gilmore wanted something to heat up her cold, lonely nights, she should have been more specific. Sand, unbearable heat, and caring for the wounded in Kuwait wasn't what she had in mind. An ocean between her and Max Morrison, her business partner and best friend and the man caring for her son and dog has caused her to view Max in a different light. Now she has to struggle with growing feelings for the one man she can't do without. Will telling him destroy their precious friendship? Of Song and Water is a journey along the currents of music, nature, and healing which form the basis of life. Follow the life of musician, conductor and drummer, Rhonda Levine Muckerman, as she and her family face the challenges of addiction, loss, and illness. After the death of their son Eliot, followed by her husband's diagnosis of Parkinson's disease, Rhonda makes an inner journey from her early formation as a professional conductor, through a landscape of dreams, intuition and waters that will find ultimate healing for herself and her family. Of Song and Water is a story for anyone who wants to discover a path to healing within, accompanied by the song and water of life.

Self-professed nerd Maddie Maloney is an expert on jewels. Jaded thieves are another matter entirely! So when a mysterious Englishman warns her that a thief known as The Chameleon is after the rare pink diamond on display in her aunt's shop, she tells herself it's just a joke. Even if she can't get Mr. Tall, Dark and Handsome out of her mind... But Fabian Montgomery doesn't give up easily. He's everywhere she goes, convinced the thief will strike. And when the diamond does go missing—and Maddie is suspected of stealing it!—he whisks her away from the police and together they pursue The Chameleon. Fabian plunges her into a glamorous world far from her humble workshop and transforms geeky Maddie into a sophisticated snare capable of espionage. Her mission: to seduce The Chameleon and steal back the diamond. But Fabian isn't telling her everything—like who he works for, and why he's so interested in The Chameleon... 86,000 words

This book is a unique resource that speaks to the average person in the pew rather than to the Pastor Search Committee. What a needed resource! Having observed Lowe in his varied ministry roles for several years now, I can assure you that he writes as one who is investing his life in seeing the church healthy and flourishing. This resource is an invaluable and lasting contribution to that end. Paul Chitwood, President, International Mission Board Occasionally a resource comes about that has the ability to help our churches in a transformational way. Usually these resources break ground in areas that have not been considered before. This is one of those resources. Structuring a book about the Pastor Search Process from the perspective and concerns of the congregant is genius! Rick Curtis, Convention and Association Relations, North American Mission Board This book and study by Jason Lowe will be a consolation and source of encouragement to many churches. I believe God will use it to bring churches comfort, hope, and continuity of ministry during the difficult time of being without a pastor. I highly recommend it! Ray Gentry, President and CEO, Southern Baptist Conference of Associational Leaders In this story, Jason Lowe helps church members consider their own role in the search for a new pastor by charting the interim period. The Bible is his guide, and healthy church transitions are his goal. You will find this work helpful, encouraging, and relevant. Chuck Lawless, Dean of Doctoral Studies and Vice-President of Spiritual Formation and Ministry, Southeastern Baptist Theological Seminary About the Book Church members are often left largely in the dark while the Pastor Search Committee goes about their task. Far too often, this leads to unnecessary frustration, suspicion, and conflict. The Church During the Search sheds light on the Pastor Search Process for the people in the pews so they can pursue Christ-honoring attitudes and behaviors throughout the search process.

An Illustrated Guide to the City's Secret Masterpieces

The Story of My People

Here the artistic masterworks hidden across New York City in this charmingly illustrated exploration of the one of the world's greatest creative treasure troves. There's so much to love about New York, and so much to see. The city is full of art, and architecture, and history -- and not just in museums. Hidden in plain sight, in office building lobbies, on street corners, and tucked into Soho lofts, there's a treasure trove of art waiting to be discovered, and you don't need an art history degree to fall in love with it. Art Hiding in New York is a beautiful, giftable book that explores all of these locations, traversing Manhattan to bring 100 treasures to art lovers and intrepid New York adventurers. Curator and urban explorer Lori Zimmer brings readers along to sites covering the biggest names of the 20th century -- like Jean-Michel Basquiat's studio, iconic Keith Haring murals, the controversial site of Richard Serra's Tilted Arc, Roy Lichtenstein's subway station commission, and many more. Each entry is accompanied by a beautiful watercolor depiction of the work by artist Maria Krasinski, as well as location information for those itching to see for themselves. With stunning details, perfect for displaying on any art lover's shelf, and curated itineraries for planning your next urban exploration, this inspirational book is a must-read for those who love art, New York, and, of course, both. Becoming a more effective learner and boosting your productivity will help you earn better grades - but it'll also cut down on your study time. This is a short, meaty book that will guide you through ten steps to achieving those goals: Pay better attention in class, Take more effective notes, Get more out of your textbooks, Plan like a general, Be a student leader, Buy the right equipment, Fight entropy and stay organized, Defeat procrastination, Study smarter, Write better papers, Make group projects suck less, Whether you're in college or high school, this book will probably help you. But not if you're a raccoon. I want to be very clear about that: if you're a raccoon, please buy a different book. This one will do absolutely nothing for you. How did you even learn to read, anyway?

In Your Worst Poker Enemy, Schoonmaker educates us on the game that goes beyond the table; the psychological game. In Your Best Poker Friend Schoonmaker takes the program to the next level. Beyond tricks, beyond strategy, this book delves deeper into the the mind of the player and helps them to understand that their best poker friend is actually themselves! Written in an informative and accessible way so every player will be on their way to a royal flush.

Most people know a nerd when they see one but can't define just what a nerd is. American Nerd: The Story of My People gives us the history of the concept of nerdiness and of the subcultures we consider nerdy. What makes Dr. Frankenstein the archetypal nerd? Where did the modern jock come from? When and how did being a self-described nerd become trendy? As the nerd emerged, vaguely formed, in the nineteenth century, and popped up again and again in college humor journals and sketch comedy, our culture obsessed over the designation. Mixing research and reportage with autobiography, critically acclaimed writer Benjamin Nugent embarks on a fact-finding mission of the most entertaining variety. He seeks the best definition of nerd and illuminates the common ground between nerd subcultures that might seem unrelated: high-school debate team kids and ham radio enthusiasts, medieval reenactors and pro-circuit Halo players. Why do the same people who like to work with computers also enjoy playing Dungeons & Dragons? How are those activities similar? This clever, enlightening book will appeal to the nerd (and antinerd) that lives inside all of us.

A Few Thoughts On Using Humor As A Speaker or Writer or Sales Professional For Purposes of Persuasion

This journal is a perfect gift for friends and family male or female. Other features of this notebook are: - 120 pages - 6x9 inches - matte cover This book is convenient for writing. It has the perfect size to carry anywhere for journaling and note taking.

It is 1995. Milan Zorec, an aspiring yet rejected novelist, travels from England to Bosnia to join the Serbian forces as a sniper in Sarajevo, in the final months of the longest siege in history. He's determined to find a story that no publisher will be able to damn with the words, 'I feel 've seen this before.' In doing so Milan journeys from innocence into the slow burning grip of darkness. Among his fellow snipers, the lost souls who make up Ratko Mladic's army, Milan gains the ammunition to write his masterpiece - the novel that hasn't been written before. Alternating between London and Sarajevo, I Hate Martin Amis et al is a chilling, blackly humorous novel that will appeal to both lovers of the word and anyone who's fallen short of their ambitions. Peter Barry's stunningly original, award winning debut isn't just about literary failure, though. It's a compelling portrait of the dreamer, and bores down into the very centre of things - why we write, why we read, how we might live in these, the strangest of times.

This collection examines the nerd and/or geek stereotype in popular culture today. Utilizing the media—film, TV, YouTube, Twitter, fiction—that often defines daily lives, the contributors interrogate what it means to be labeled a “nerd” or “geek.” While the nerd/geek that is so easily recognized now is assuredly a twenty-first century construct, an examination of the terms’ history brings a greater understanding of their evolution. From sports to slasher films, Age of the Geek establishes a dialogue with texts as varied as the depictions of “nerd” or “geek” stereotypes. I survived the first year at Knightwood Academy but my struggles are far from over. People still don't want the Charity Case hanging around on the campus of their elite prep school. While I have the Kings of the academy backing me, they can't predict every attack coming my way. And while I am struggling to endure it all, secrets of my past resurgence, secrets that my mother took to her grave. Secrets if known to the world, will have more powerful enemies coming after me. Nerd Queen is the second book in a contemporary reverse harem high school bully romance series. Note: The Kings of Knightwood Academy is a reverse harem series meant for mature readers who enjoy their academy bully romances with no restraint to language, violence, and a few heated scenes.

Enabling Deep and Durable Learning

A Bridge to Accessibility

His friends dare Nick, the most popular guy in school, to take the class nerd, Eddie, to the dance, but when she turns him down he decides to find out why, and as he goes to know her better, what he finds surprises him.

For fans of John Green and Emily X.R. Pan, The Half-Orphan's Handbook by Joan F. Smith is a coming-of-age story and an empathetic, authentic exploration of grief with a sharp sense of humor and a big heart. It's been three months since Lila lost her father to suicide. Since then, she's learned to protect herself from pain by following two unbreakable rules: 1. The only people who can truly hurt you are the ones you love. Therefore, love no one. 2. Stay away from liars. Liars are the worst. But when Lila's mother sends her to a summer-long grief camp, it's suddenly harder for Lila to follow these rules. Potential new friends and an unexpected crush threaten to drag her back into life for the first time since her dad's death. On top of everything, there's more about what happened that Lila doesn't know, and facing the truth about her family will be the hardest part of learning how a broken heart can love again. An Imprint Book

Heralded as “one of his generation’s most original and exhilarating writers” by The New York Times, Gary Shteyngart has fused his literary chops and biting humor into one-of-a-kind fiction that provokes, inspires, and entertains—sometimes all at once. Throughout the two bestselling novels in this eBook bundle, Absurdistan and Super Sad True Love Story, Shteyngart is at the height of his powers: “wildly funny” (San Francisco Chronicle), “trickily intelligent,” “hilariously witty and painfully prescient” (Time), “Don’t miss Gary Shteyngart’s highly anticipated memoir, Little Failure, an American immigrant who finally finds his place in the world, told with the author’s sharp powers of observation, self-deprecating humor, and moving insights into the human heart. ABSURDISTAN “Exuberant, wise, hilarious, a long, long, funny, heartbreaking lament for home, whatever that means, and wherever that might be”—Los Angeles Times Book Review Meet Misha Vanberg, son of the 1,228th-richest man in Russia and a 325-pound patriot of no country save New York City. Misha just wants to live in the South Bronx with his hot Latin girlfriend, but after his gangster father murders an Oklahoma businessman, all hopes of a U.S. visa are lost. Salvation lies in tiny, oil-rich Absurdistan, where a crooked consular officer will sell Misha a Belgian passport. Then civil war breaks out, a local warlord installs Misha as minister of multicultural affairs, and our hero finds himself fighting for his life, falling in love, and trying to figure out if a normal life is still possible in the twenty-first century. SUPER SAD TRUE LOVE STORY “Wonderful! . . . [combines] the tenderness of the Chekhovian tradition with the hormonal high jinks of Judd Apatow movie.”—Michiko Kakutani, The New York Times In the near future, America is crushed by a financial crisis, and our patient Chinese creditors may just be ready to foreclose on the whole mess. Then Lenny Abramov, son of a Russian immigrant janitor and ardent fan of “printed, bound media artifacts” (aka books), meets Eunice Park, an impossibly cute and impossibly cute Korean American woman with a major in Images and a minor in Assertiveness. Could falling in love redeem a planet falling apart? All Lenny has to do is convince his fickle new love that there is still value in being a real human being. Praise for Gary Shteyngart “Compared with most young novelists his age . . . Shteyngart is a giant mounted on horseback. He ranges more widely, sees more sweepingly and gets where he’s going with far more aplomb.”—The New York Times Book Review “Obscenely gifted . . . [H]is prose never fails to pop, and nothing escapes his satiric eye.”—Entertainment Weekly “The Joseph Heller of the information age.”—Salon “His imagination is either warped or prophetic; you choose. But his writing is brilliant.”—The Seattle Times “Not since mid-seventies Woody Allen has anyone cracked so wise and so wise.”—Esquire “There is no one better.”—The Wall Street Journal A Journey to Hope and Healing Conducted through Music and Nature
