

My Own Worst Nightmare

There's a leak in the emperor's palace! An anonymous employee released the emperor's archives to the public. The Berlin Disclosure – RIA Agent John Smith tracks down a group of insurgents in Berlin and is forced to question his orders. Masquerade – Hillary Anderson is one of millions who suffer under the empire's iron grip on the masses. Luck is running out. Her number has been selected for the draft. Find me, Follow me – One week after the world changing events of The Year is Now, Lieutenant Kate Adams finds herself in an empire that has changed forever. To top it off, she is stalked by a dangerous captain who will stop at nothing to make her his bride. Beneath the Re Secretary of Telepathic Affairs. She must unite the twelps and reintegrate them into a society that is rapidly falling into chaos. Her solution is simple, but will she go through with something as dark as thought police?

Its a fact. Womens brains were built to deal with more than one thing at a time. We prove this everyday. We wake up, usually an hour to 1 1/2 hours before the guys. We shower, put on face that says. Look at me, husband, kids, job and house and somehow I still find time to put on makeup. Then off to the closet to find just the right outfit that outfit! Perfect hair, makeup, clothes, now its time to wake up the kids and debate with them for 5 minutes why they cannot have cookies for breakfast. After 10 Were gonna be latels Enter the vehicle, fight over whos sitting in front, try to sign the paper your daughter forgot to tell you about the night before. Whatever Ive signed, I get it out before the event.

In an anticipated book on business management for our time, Jack Welch surveys the landscape of his career running General Electric, one of the world's largest and most successful corporations. Here he reveals his philosophy and management style.

From New York Times Bestselling Author Wendy Corsi Staub, writing as Wendy Markham. Previously published as Slightly Engaged. In the season of weddings, Tracey Spadolini can't help but imagine her own... It's been a year and a half since Tracey and Jack moved in together, and everything's totally perfect—well, okay, almost perfect. The only problem they're "living in sin," and her friends, who are smug, married and totally sure that there would already be a ring on Tracey's finger if she hadn't been in such a rush to cosign a lease. Even Tracey is beginning to wonder whether Jack really is looking for a permanent relationship, or whether she's just renting space in his heart. But just when she thinks Jack's mother lets her in on a secret—he's just taken an heirloom diamond out of the family's safe-deposit box, which must mean that he's going to propose any day now. Okay, any week now... Any month now? The Slightly Series by Wendy Markham Book One: So Not Single Book Two: Confessions of a One-Night Stand Book Three: Did Someone Ever After All Book Five: What Happens in Suburbia

Building a Stronger Marriage When Life Sends Its Worst

Did Someone Say Fiancée?

Crossroads to Recovery by Lawrence J. King This book is about helpful hints and reference... points in order to benefit those people that cant seem to let the past go... i.e. loss of a love one, divorce, unpleasant childhood memories, etc,etc,etc..... Sometimes people tend to live and relive painful memories that are harmful and devastating to the mind, body, and soul..... Helping people move away from the past so they can focus on living in the right here, right now moment of there life, striving to move forward realizing that you can not change or rewind the past, good, bad, or indifferent. All we have is today, right here right now, tomorrow is not promised so therefore be all that you can be each and everyday.

A book-length psychodynamic study of pathological narcissism, relationships with abusive narcissists and psychopaths, and Narcissistic Personality Disorder, using a new vocabulary.

Hundreds of excerpts from the archives of the Narcissistic Abuse Study List regarding Pathological Narcissism, relationships with abusive narcissists and psychopaths, and Narcissistic Personality Disorder (NPD).

In the 1950s, tensions remain high in the border town of La Frontera. Penny loafers and sneakers clash with boots and huaraches. Bowling shirts and leather jackets compete with guayaberas. Convertibles fend with motorcycles. Yet amidst the discord, young love blooms at first sight between Fulgencio Ramirez, the son of impoverished immigrants, and Carolina Mendelssohn, the local pharmacist's daughter. But as they'll soon find out, their bonds will be undone by a force more powerful than they could have known. Thirty years after their first fateful encounter, Fulgencio Ramirez, RPh, is conducting his daily ritual of reading the local obituaries in his cramped pharmacy office. After nearly a quarter of a century of waiting, Fulgencio sees the news he's been hoping for: his nemesis, the husband of Carolina Mendelssohn, has died. A work of magical realism, The Resurrection of Fulgencio Ramirez weaves together the past and present as Fulgencio strives to succeed in America, break a mystical family curse, and win back Carolina's love after their doomed youthful romance. Through enchanting language and meditations about the porous nature of borders—cultural, geographic, and otherworldly—The Resurrection of Fulgencio Ramirez offers a vision of how the past has divided us, and how the future could unite us.

This is a book about Good love gone bad and Bad men once thought to be good . It is a one woman crusade to bring a little justice to women left broken hearted by their Prince Charming . It is with great pleasure and a tad bit of revenge[-] sorry guys-that I level the playing field via my most dangerous weapon my words and my emotions. It is a book that is 90% humor and 10% of the raw reality of how men and dating can complicate a woman's life to near insanity. The book profiles men that have went above and beyond to achieve Jeri's pitiful male award thus making them shamefully worthy of a good roasting

In a speech delivered in Japanese at Cornell University, Naoto Kan describes the harrowing days after a cataclysmic earthquake and tsunami led to the meltdown of three reactors at the Fukushima Daiichi Nuclear Power Plant. In vivid language, he tells how he struggled with the possibility that tens of millions of people would need to be evacuated. Cornell Global Perspectives is an imprint of Cornell University's Mario Einaudi Center for International Studies. The works examine critical global challenges, often from an interdisciplinary perspective, and are intended for a non-specialist audience. The Distinguished Speaker series presents edited transcripts of talks delivered at Cornell, both in the original language and in translation.

What do you get when you cross a tomboy from Arkansas with a rich city boy from Texas? Mayhem. When Lily Watson learns that Bryce King, a handsome, rich businessman from Texas has purchased her father's construction business, she wants nothing to do with her new boss. Still feeling burnt from her lying ex-husband, and convinced a rich city boy could be nothing but trouble (even if he is handsome and good at golf), Lily tries her best to avoid Bryce when he shows up in Arkansas to investigate his new company. Things go quickly downhill for Lily when her ex-husband turns up dead and she is forced to turn to Bryce for help in resolving the murder and clearing her father, the prime suspect. Can Bryce help her? Will he help her? And is Bryce really a big city nightmare or her night in shining armor? Edited and updated, My Own Worst Nightmare is the official published version of an Internet hit that has been read over 600,000 times.

In the heart-stopping sequel to The Witch King, Wyatt and Emyr attempt to rebuild Asalin despite unexpected new enemies within their kingdom. Two weeks after the door to Faery closed once more, Asalin is still in turmoil. Emyr and Wyatt are hunting Derek and Clarke themselves after having abolished the corrupt Guard, and are trying to convince the other kingdoms to follow their lead. But when they uncover the hidden truth about the witches' real place in fae society, it becomes clear the problems run much deeper than anyone knew. And this may be more than the two of them can fix. As Wyatt struggles to learn control of his magic and balance his own needs with the needs of a kingdom, he must finally decide on the future he wants—before he loses the future he and Emyr are building...

Kids can be such monsters. Literally. From the award-winning author of Hidden Talents, two remarkable short story collections - Kidzilla and The Witch's Monkey - together for the first time. Plus several brand new stories. Each hilarious and harrowing. A substitute teacher finds out she has some monsters for students. A group of kids attempt a levitation trick with hair-raising results. A neighborhood is so boring the grown ups are turning into...well...you know. And dozens more. So don't be a weenie! Read these stories! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Paranaturalists Samantha Winwell This book is an assortment of stories of the paranormal and unnatural. Some are recent works revisited, along with some new stories that will send a chill down one ' s spine with every turn of the page. Some are intriguing and macabre, full of mystery and suspense; while others have undertones of dark humor to add levity to this dark anthology. The first story is the author ' s spin of the hit series Supernatural from a woman ' s perspective. Samantha Winwell hopes fans will enjoy her version just as much. If so, she will be willing to pen out a couple more in the near future. The reason she wrote this book is because she has always been a fan of the classic Gothic novel and fantasy. Winwell carefully selected these stories that can be read during Halloween or if the reader wants a good fright before bedtime. At the end there is a preview of Winwell ' s latest project that she is currently working, with a title yet to be determined. At this time she hopes the readers will enjoy reading this book as she enjoyed writing it.

Fans of Escape from Mr. Lemoncello ' s Library and The Mysterious Benedict Society will race through this exciting adventure about an orphan, his unusual friends, and the power of imagination. What if everything you imagined could become real? It all starts when Professor Eisenstone, scientist and inventor, creates a box that ' s supposed to turn whatever you imagine into reality. There ' s only one problem: he can ' t get it to work. Until Tim shows up. An orphan with an especially keen imagination, Tim brings to life Phil, an eloquent finger monkey with a dry sense of humor. Tim and Professor Eisenstone work in secret to make the box more powerful. But when Eisenstone is kidnapped along with his contraption, Tim, Phil, and the professor ' s granddaughter, Dee, must find the criminals before they use the box to turn their imagined evil into something all too real. Creating a miniature monkey is all well and good. But in order to rescue his friend, Tim will have to face his darkest fears and unleash the true potential of his own mind. " A splendid adventure, hilarious and harrowing in turn and so strongly cast that even the precocious pocket primate doesn't steal the show. " —Kirkus Reviews, Starred Review "With a solid mystery, fantastic device, warm friendships, a funny monkey, and heartening conclusion, this has a heaping serving of middle-grade antics."-Booklist " The Imagination Box is children ' s fiction in the classic mode, with double-crosses, deceitful adults and narrow escapes all meshing into a solid mystery plot...and a timeless be-careful-what-you-wish-for message. " —Financial Times (UK)

Kyle Rothmore has reunited with her long-lost family and married Kenneth, the man who helped her find them. When she learns that she and Kenneth are going to be parents, her future couldn't look brighter. Then, tragedy disrupts Kyle's idyllic world and her faith is deeply shaken. As her dreams of happiness and fulfillment disappear before her eyes, she falls farther away from Kenneth, her family, and her heavenly Father. The strength and hope of those who love her don't feel like enough, but when help comes from an unexpected source, Kyle is faced with deciding what matters most in her life.

My Own Worst Nightmare

Superior Spider-Man Vol. 1: My Own Worst Enemy

Inspirations of the Heart and Life's a Beach are two of the titles that have made my life more interesting. I have stated that Inspirations of the Heart is one of the things that helped save my life, and on several occasions, I have spoken to others concerning this, however, what I was going through is no longer a part of who I am. Life's a Beach is about the stories that unfolded while my wife and I were on vacation at a certain Beach after a major hurricane had just rolled through, on the way we took note of drastic devastation and heartbreaking moment, and upon finally getting there I felt compelled to write it all down. Inspirations of the Heart now consist of many poems and what I call words to phrases passages. Everything that is placed in the work is from the inner calling of Inspiration. I also know that many do not believe that the Lord or the Spirit talks to us today, but that would make the scriptures not truthful, the main idea is that life is to be lived and enjoyed while we still can.

Open the gateway to the supernatural and never be heard from again... Analeesia has been having such strange dreams lately. Every night it's the same thing. But it's only just a bad dream, right? Analeesia is unaware that her bad dream is slowly becoming a reality! Soon she will be living in her own worst nightmare!

In 1847 the love for a woman and a debt of honour threatens to destroy two men in the harsh penal colony of Norfolk Island. Driven by intense jealousy and guilt, Lieutenant Edmund Thornton sets out to destroy convicted felon, Michael Hanlon, both of whom share a love for Sarah Henshall. Her unexpected arrival on the island sets into motion a series of tragic events. Can Edmund slay the beast of jealousy and find redemption? Or must he accept his fate and risk losing forever the woman he can no longer live without?

Now over twenty years old, the original edition of Nightmare Movies has retained its place as a true classic of cult film criticism. In this new edition, Kim Newman brings his seminal work completely up-to-date, both reassessing his earlier evaluations and adding a second part that assess the last two decades of horror films with all the wit, intelligence and insight for which he is known. Since the publication of the first edition, horror has been on a gradual upswing, and taken a new and stronger hold over the film industry. Newman negotiates his way through a vast back-catalogue of horror, charting the on-screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s, through to the slick releases of the 2000s, in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears. Newman invokes the figures that fuel the ongoing demand for horror - the serial killer; the vampire; the werewolf; the zombie - and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema-goers. Nightmare Movies is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well-trodden paths of horror, and re-discover the classics with a newly instructed eye.

The World of the Narcissist

Staying Power

Lessons I Learned When My Fiancé Filmed Porn

The Fae Keeper

Too often, when a life crisis hits, a marriage suffers--even a healthy one--and all the personality profiles and couples' therapy in the world won't keep your marriage from experiencing the tough stuff. So how do you and your spouse face the stresses put on your marriage and not only stay together but come out on the other side even more loving and committed? In Staying Power, two longtime couples offer insights, skills, and clear direction so that you can respond to trials in a way that strengthens rather than weakens your marriage. They show you how to - handle anger creatively, forgive freely, and persevere together - nurture one another in powerful ways - learn new techniques for connecting both verbally and nonverbally in the midst of crisis - and much more Don't let financial trouble, infertility, health challenges, parenting cares, addiction of a loved one, or heartbreaking loss destroy your marriage. Instead, learn how through your strong relationship you can overcome all of life's curveballs--together.

A contrarian yet highly engaging account of the spread of illiberal and anti-democratic sentiment throughout our culture that places responsibility on the citizens themselves. Over the past three decades, citizens of democracies who claim to value freedom, tolerance, and the rule of law have increasingly embraced illiberal politicians and platforms. Democracy is in trouble--but who is really to blame? In Our Own Worst Enemy, Tom Nichols challenges the current depictions of the rise of illiberal and anti-democratic movements in the United States and elsewhere as the result of the deprivations of globalization or the malign decisions of elites. Rather, he places the blame for the rise of illiberalism on the people themselves. Nichols traces the illiberalism of the 21st century to the growth of unchecked narcissism, rising standards of living, global peace, and a resistance to change. Ordinary citizens, laden with grievances, have joined forces with political entrepreneurs who thrive on the creation of rage rather than on the encouragement of civic virtue and democratic cooperation. While it will be difficult, Nichols argues that we need to defend democracy by resurrecting the virtues of altruism, compromise, stoicism, and cooperation--and by recognizing how good we've actually had it in the modern world. Trenchant, contrarian, and highly engaging, Our Own Worst Enemy reframes the debate about how democracies have ended up in this dire state of affairs and what to do about it.

A Daughters Desire, A Mothers Worst Nightmare tells the true story of one womans quest as she struggles to preserve her arranged marriage by continuing in her abusive relationship. The names have been changed to protect the privacy of the people involved in the story. Shivani Ragunandan, a twenty-two-year-old college graduate, found herself betrothed into marriage by her family. Although it was not what she truly wanted, she went ahead with the weddingonly to find herself in a very unhappy marriage. Her husband was emotionally and physically abusive, cheating on her whenever the opportunity presented itself. Abiding by the rules of an arranged marriage in her Indo-Guyanese tradition, she was not allowed to file for a divorce. She tried continuously to preserve her marriage to her twenty-seven-year-old husband. Although Shivani knew deep inside that this was not what she wanted, she feared her innocence, dignity, and reputation would be tarnished forever if she left her husband. Bound by cultural ties, she had no one to turn to but the celestial deities and her mother for guidance, faith, and strength.

So why write a book about the life of a military spouse and how I navigated through this lifestyle. After 35 years of counseling, mentoring, adjusting, re-defining, adapting, sacrificing, suffering, overcoming, championing, rising and succeeding, I felt it necessary to note pen to paper to give validation to the

many spouses that have also survived. I also wanted to provide a realistic view and insights that will bring hope to the many spouses currently living the life and for those to come. Does the day to day routine of life cause for a feeling of being overwhelmed, overlooked, or unappreciated? Has the indoctrination into a new culture and lifestyle shift appear to be daunting? Triumphant in the Trenches will empower, enlighten, and inspire you to take authority over your situation and rise to be triumphant in every area of your life.

The Winwell Legacy Demons and Scars Exposed

In the Land of the Lawn Weenies

In a culture obsessed with sex, the era of Dad ’ s Playboy is long gone. Today, endless free porn is a click away and full-frontal photos appear on sites as accessible as Twitter, yet many couples struggle with the underlying issues of pornography. Emily Southwood considered herself to be sexually liberal—until her fiancé landed a job filming porn for a network reality TV show and her whole world changed overnight. Once confident in her relationship, she suddenly felt jealous, insecure, and obsessively comparative to the porn stars her fiancé was around everyday. She was forced to confront feelings she didn ’ t even know she had: about the treatment of women in the porn industry, the hush-hush attitude toward women watching pornography, and the unrealistic expectations about sex that are often propagated by porn. Prude is a humorous memoir that explores why there is so little communication about porn in relationships. Southwood tells the story of her transformation from feeling sexually liberal-minded to realizing she had issues with porn and the industry her fiancé was a part of. She reveals her bizarre journey to conquer her discomfort around porn—and how she ends up finding herself (and ultimately fixing her relationship for good) along the way.

A first-hand account of the anatomy of a mental illness - Narcissistic Personality Disorder (NPD): its origins, its unfolding, its outcomes.

Plug back into the dangerous world of virtual gaming, in the next thrilling novel from the author of Arena. Kali Ling has faced down death hundreds of times for the entertainment of millions. She knows fear—and she knows what ’ s truly terrifying... There ’ s a new game in town. A brutal, winner-takes-all, international video game tournament showcasing the world ’ s most elite players, promising fame, prestige, and unbelievable fortune. But there ’ s a catch. The game uses new VR pods guaranteed to push digital warriors to their physical and psychological brink—adapting every time a gamer makes a move. As the first female captain and youngest team owner in VGL history, Kali is used to defying the odds. But as the all-star tournament heats up, her determination begins to waver and the pressures of media, sponsors, and the game itself begin to put cracks in her hard-set convictions—and strain on her relationship with the one person who matters most. If Kali and her teammates are to survive, they ’ ll have to find a way to be stronger than ever before. But battling the system may prove too difficult for even the most hardened of fighters...

Sixteen-year-old Todd feels bitter enmity against the new boy in class who seems to be taking over everything he holds dear, but ultimately, a rewarding friendship ensues, as each helps the other deal with very serious problems.

This year, Logan’s in charge. Of the dormitory, of his future, and over his unresolved feelings towards Isaac. He holds the cards to stop his final year of high school going the way eleventh grade did. He has no desire for it to suck. Meanwhile, Isaac’s trying to get to grips with a new university, new friends, and his sexuality. All he wants is to succeed, make his parents proud, and fix all of the problems he caused last year. Not exactly light work. But, when a homophobic sports team, Noah’s brother, all the heartbreak of eleventh grade, and four-hundred miles stands in both of their ways, will either of them achieve what they want this time round?

Christel Duffy Falling Into Grace From author Christel Duffy comes a testimony of faith in the form of verse. Discover her inspiring true story of Falling Into Grace in her poetry anthology. Divided into two main chapters, the first part features most of the author's dark poetry and how she was bound and oppressed in her teen years. The second part depicts her transformation and how her perspective has changed dramatically over the years. As you immerse in this emotive compilation, you will find also the testimony of the author about the miracle that transformed her life and led her and her husband back to Christ.

Rate your pain on a scale of one to ten. What about on a scale of spicy to citrus? Is it more like a lava lamp or a mosaic? Pain, though a universal element of human experience, is dimly understood and sometimes barely managed. Pain Woman Takes Your Keys, and Other Essays from a Nervous System is a collection of literary and experimental essays about living with chronic pain. Sonya Huber moves away from a linear narrative to step through the doorway into pain itself, into that strange, unbounded reality. Although the essays are personal in nature, this collection is not a record of the author's specific condition but an exploration that transcends pain's airless and constraining world and focuses on its edges from wild and widely ranging angles. Huber addresses the nature and experience of invisible disability, including the challenges of gender bias in our health care system, the search for effective treatment options, and the difficulty of articulating chronic pain. She makes pain a lens of inquiry and lyricism, finds its humor and complexity, describes its irascible character, and explores its temperature, taste, and even its beauty.

Angel Roars

Our Own Worst Enemy

Triumphant in the Trenches (Victory Despite Challenges)

Can Night fight an enemy that hides in plain sight? That can be everywhere at once? Night feels relieved to have a moment of peace with her family. But the illusion is shattered when she discovers a possessed man and an archangel on her turf, both warning signs of rising danger. The End returns, targeting all humans and taking control of those closest to Night to save them. But embracing her fate will change her forever. Will it cost her everything and everyone she loves?

A highly engaging yet contrarian account of the spread of illiberal and anti-democratic sentiment throughout our culture that places responsibility on the citizens themselves.Over the past two decades, citizens of democracies across the world have become angrier and angrier with each other -- and with their governments. People who claim to value freedom, tolerance, and political participation are turning away from liberal democracy. Why? Are politicians and platforms. These citizens justifytheir rejection of democratic norms and traditions as a protest against a cast of "elite" villains, including globalists, militarists, journalists, bureaucrats, intellectuals, and of course, politicians. The only people these voters do not blame for the parlous state of their own democracies isthemselves. Is this just a passing mood, or are we witnessing the end of liberal democracy? In Our Own Worst Enemy, Tom Nichols challenges the current depictions of the rise of illiberal and anti-democratic movements in the United States and elsewhere as the result of the deprivations of globalization or the malign decisions of an undifferentiated "elite." Rather, he places the blame forthe rise of illiberal democracy on the citizens themselves. He traces the illiberalism of the 21st century to the growth of unchecked narcissism, rising standards of living, global peace, and a resistance to change -- all of which have been enabled by a hyper-connected internetculture of resentment. The grievances of ordinary citizens, legitimate or otherwise, are then exploited by political entrepreneurs who thrive on the creation of a false sense of grievance and the promise of democratic cooperation. Is there any way out of this predicament? While it willbe difficult, Nichols argues that first and foremost, we need to revitalize civic culture, which we can only do by resurrecting the virtues of stoicism, compromise, and cooperation. We also need to recognize how good we actually had it in the immediate pre-COVID era - the period when we were most free, most prosperous, and most confident. Our Own Worst Enemy is a contrarian, and highly engaging, Our Own Worst Enemy reframes the debate about how democracies have ended up in this dire state of affairs.

Megan Dunn was in a hole. Her attempt to write a fictional tribute to Fahrenheit 451 wasn’t going well. Borders, the bookseller she worked for, was going bust. Her marriage was failing. Her prospects were narrowing. The world wasn’t quite against her – but it wasn’t exactly helping either. Riffing on Ray Bradbury’s classic novel about the end of reading, Tinderbox is a literary culture and its place in the world. More than that, it’s about how every one of us fits into that bigger picture – and the struggle to make sense of life in the twenty-first century. Ironically enough for a book about failures in art, Tinderbox itself is a fantastic achievement; a wonderfully crafted and beautifully written work of non-fiction that is by turns brilliant and hilarious. It’s a successful book about failure you will ever read.

Collects Superior Spider-Man #1-5. THEN!...Peter Parker spent a lifetime living up to the responsibilities his powers foisted upon him, but his story finally ended dramatically in the historic Amazing Spider-Man #700. NOW!...The new Amazing Spider-Man has arrived, and he is better in every single way. Smarter, stronger...Superior. And he'll prove it, both to himself and to the world. Six! The Fukushima Nuclear Power Plant Disaster and the Future of Renewable Energy

A Must Read for Any Woman Contemplating Love

Crossroads to Recovery

Our Own Worst EnemyThe Assault on Within on Modern DemocracyOxford University Press

Expelled from thirteen boarding schools in the past five years, seventeen-year-old Jane Fontaine Ventouras is returning to her Southern roots, and the small town of Bienville, Alabama, where ladies always wear pearls, nothing says hospitality like sweet tea and pimento cheese sandwiches, and competing in the annual Magnolia Maid Pageant is every girl’s dream. But Jane is what you might call an anti-belle—more fishnets and tattoos than sugar and spice. The last thing on her mind is joining the Magnolia Maid brigade and parading around town in a dress so big she can’t even fi t through doors. So when she finds herself up to her ears in ruffl es and etiquette lessons, she’s got one mission: Escape. What’s a hipster to do? Will Jane survive Bienville boot camp intact or will they—gasp!—make a Southern belle out of her yet?

You’ll laugh, you’ll cry, and you’ll cheer for Tess on her way to living her best life. Grab this summer’s hottest beach read - it pairs well with a margarita and flip-flops! Finding happiness is the best revenge. From the outside, it seems thirty-six-year-old Tess Campbell has it all. A happy marriage, a successful career as a novelist, and an exciting cross-country move ahead. Tess has always played by the rules and it seems like life is good. When Tess discovers the truth about her marriage, she throws caution to the wind and dives into the life she’s secretly always wanted to live - which means Tess isn’t going to let anybody tell her what to do anymore. Even when others call her a bitch for doing so. Breaking free of expectations, Tess waves goodbye from the comfort of her first-class airplane seat. Her first stop? A scuba-diving trip to Mexico. The sharks she can handle, but the handsome Scottish diving instructor with the flirtatious smile and broad shoulders has Tess tied in knots. Is Tess willing to take a chance on love again? Inspired by the true story of New York Times and USA Today Bestselling author, Tricia O’Malley. Funny, heart-wrenching, and brutally honest, Ms. Bitch explores one woman’s journey of accepting herself and breaking free of the toxic bonds that hold us back from the life we are truly meant to live.
