In *Applying the Kingdom*, the third book in his Kingdom series, Dr. Myles Munroe makes the case that the key to abundant living is found in establishing priorities in one's life and following them. Topping his list is the priority, Kingdom First!

The Burden Of Freedom explains that too many people use past oppression to remain in a state of hatred and irresponsibility today. The spirit of oppression has specific telltale effects on individuals, communities, and nations. These are identified by Myles Munroe as a hatred of work, laziness, fear, low self-esteem, selfishness, lack of creativity, low initiative, and control by those in authority. To break free from these self-replicating cycles of oppression there must be a mental transformation. Paradoxically, freedom requires the need to impose control on oneself. It requires more responsibility than slavery, and the decision to accept a destiny of freedom requires recognizing the process and discipline that personal and political freedom require. Simply put, *The Burden Of Freedom* should be available to every citizen and on the shelves of every home, school, college, and community library in the country.

This book is about your original purpose for existence and the source of meaning behind your life. In these pages you will discover the Creator's divine motivation, design, and mandate for His creation and your role in that creation. After reading this book, you will be equipped with the knowledge to answer some of the questions addressing the heart cries of humanity: Why do we search for a better world. I am convinced also that you will come to believe, as I do, that there is hope for mankind, but only as we reconnect to the source of creation and our Creator. This book's goal of this book is to reintroduce the concepts, principles, and nature of true authentic kingdoms as presented by the Creator and show the superior and advantageous nature of the Kingdom as compared to any religion, political ideology, government system, or social philosophy. Join me as we explore and understand the precepts and principles of "the Kingdom."

Single, Married, Separated, & Life After Divorce, Expanded Edition (2003) Singleness is a myth. To be single means to be all one (alone), separate, unique and whole. MARRIAGE is when two separate, unique and whole persons, one male and one female, make a covenant to exchange vows, committing their lives to remain together until death. Separation is an unofficial divorce with the exact same effect as divorce. It is the most tragic state of limbo. Divorce means to desert. The armed forces prosecute deserters. God has made no provision for divorce in the Bible. If you are invited to a wedding, you are a covenant witness, and if this couple later divorces, you should be invited to the divorce just as you were to the wedding. Becoming A Leader

Best-selling author Myles Munroe reveals in this book the key to personal fulfillment: purpose. We must pursue purpose because our fulfillment in life depends upon our becoming what we were born to be and do. In Pursuit of Purpose will guide you on that path to finding God's purpose for your life. Leaders everywhere, in arenas big and small, struggle with the desire and, frankly, the need to make sure their vision for the organization they have created or grown continues regardless of circumstances. And the question "what will be my legacy?" is a question all people ask themselves. Myles Munroe has observed that the tendency among leaders is to deal with this question as serious circumstances or retirement loom. Further, it is his belief that this is one of the most important decisions a leader will ever make. This book is a wakeup call. Myles Munroe wants all leaders to focus on building the right team for the future and to make it a top priority because the process is not a quick one. Properly mentoring the right people to ensure the continuation of an organization is actually a process that must be woven into that organization over a span of years or even decades. Chapter topics discussed include The Chaos of Transition The Leadership Dilemma Living Beyond Your Generation The Principles of Mentoring PASSING IT ON shows how to use the concept of mentoring within an organization to value the distinct talents and abilities of the individuals. Mentoring is the pathway to developing leaders from within; leaders who are in line with the goals of the organization; leaders who are most likely to adopt and carry a vision forward.

Whether you are a businessperson, a departmental manager, an employee, a homemaker, a student, or a head of state, author Myles Munroe explains how you can make your dreams and hopes a living reality. Develop a specific plan for achieving your vision. Overcome obstacles to your vision. Your success is not dependent on the state of the economy, what careers are currently in demand, or what the job market is like. You do not need to be hindered by what people think you are capable of or a lack of resources. This book provides you with time-tested principles that will enable you to fulfill your vision no matter who you are or where you come from. You were not meant for a mundane or mediocre life. You do not exist just to earn a paycheck. Revive your passion for living. Pursue your dream. Discover your vision—and find your true life.

If you want to know the temperature of your spiritual life, look at the thermostat setting on your prayer life. Prayer is the most misunderstood and neglected aspect of the Christian life. It has been estimated that most Christians pray three to five minutes a day. Compare that to the time many spend complaining, and you'll gain insight into the spiritual and emotional condition of our day. Yet God has constructed the world in such a way that there is much He won't do in a Christian's life apart from prayer. Prayer, when combined with faith, can accomplish great things. In this practical and comprehensive overview of prayer, Tony Evans covers a variety of topics, including: Principles of productive prayer The power of prayer and praise Fasting and prayer Prayer and God's purposes Tony's expositions of various passages on prayer will help you realize its critical importance and encourage you to make it a dominant mark of your life.

In this frank insightful book, Dr. Munroe cuts through the ignorance and misinformation to illuminate marriage as God designed it: a pure and holy institution in which a man and a woman become "one flesh" as equal partners in a lifelong union of friendship and companionship.
