

## **Narcissus And Goldmund In Hesse Dronesavage**

Miguel Serrano, a Chilean diplomat and writer who has travelled widely in India studying Yoga, had a close friendship with Jung and Hermann Hesse at the end of their lives. This book is the outcome of his meetings and correspondence with them. Many letters are reproduced, including a document of great importance written to the author by Jung shortly before his death, explaining his ideas about the nature of the world and of his work.

Narcissus and Goldmund is the story of a passionate yet uneasy friendship between two men of opposite character. Narcissus, an ascetic instructor at a cloister school, has devoted himself solely to scholarly and spiritual pursuits. One of his students is the sensual, restless Goldmund, who is immediately drawn to his teacher's fierce intellect and sense of discipline. When Narcissus persuades the young student that he is not meant for a life of self-denial, Goldmund sets off in pursuit of aesthetic and physical pleasures, a path that leads him to a final, unexpected reunion with Narcissus.

Narcissus and Daffodil is the first book to provide a complete overview of the genus Narcissus. Prized for centuries in western Europe as an ornamental plant, it has recently attracted attention as a source of potentially valuable pharmaceuticals. In eastern European countries, however, Narcissus and other Amaryllidaceae have been valued as a source

*A controversial tale of friendship and tragedy during the Great Depression A Penguin Classic Over seventy-five years since its first publication, Steinbeck's tale of commitment, loneliness, hope, and loss remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. Of Mice and Men represents an experiment in form, which*

*Steinbeck described as “a kind of playable novel, written in a novel form but so scened and set that it can be played as it stands.” A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This edition features an introduction by Susan Shillinglaw, one of today’s leading Steinbeck scholars. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. Few American readers seem to be aware that Hermann Hesse, author of the epic novels *Steppenwolf* and *Siddhartha*, among many others, also wrote poetry, the best of which the poet James Wright has translated and included in this book. This*

*is a special volume—filled with short, direct poems about love, death, loneliness, the seasons—that is imbued with some of the imagery and feeling of Hesse's novels but that has a clarity and resonance all its own, a sense of longing for love and for home that is both deceptively simple and deeply moving.*

*Still living on the Lower East Side and waiting tables, thirty-five-year-old Eric Cash has every reason to be jealous of Ike Marcus, an ambitious young man on the way to the top, until he is supposedly gunned down by street thugs while walking one night with Eric.*

Lavishly illustrated, "The Way It Wasn't" offers an intimate firsthand encounter with 20th-century Modernism, from the extraordinary man who defined it for America. James Laughlin--poet, ladies' man, heir to a steel fortune, and the founder of New Directions--was still at work on his autobiography when he died at 83. He left behind personal files crammed with memories and memorabilia: in "M" he is taking Marianne Moore to Yankee games (outing captured here in charming snapshots) to discuss "arcane mammals," and in "N" nearly plunging off a mountain, hunting butterflies with Nabokov ("Volya was a doll in a very severe upper-crust Russian way"). With an accent on humor, "The Way It Wasn't" is a scrapbook loaded with ephemera--letters and memories, clippings and photographs. This richly illustrated album glitters like a magpie's nest, if a magpie could have known Tennessee Williams, W.C. Williams, Merton, Miller, Stein, and Pound. In "C": "I wish that nice Jean Cocteau were still around. He took me to lunch at the Grand Vefours in the Palais-Royal and explained all about flying saucers. He understood mechanical things. He would advise me." In "P": "There was not much 'gracious living' in Pittsburgh, where at one house, the butler passed chewing gum on a silver salver after coffee." And: "The world is full of a large number of irritating people." In "H" there's Lillian Hellman: "What a raspy character. When I knocked at her door to try to borrow one of her books (hoping to butter her up) she only opened her door four inches and said words to the effect: 'Fuck off, you rapist.'" Marketing in "M": "I think it's important to get the 'troubadours' into the title. That's a 'buy-me'word." In "G": "Olga asked Allen Ginsberg if he was also buying Pound Conference T-shirts for his grandchildren. She was most lovable throughout." In "L":

## Acces PDF Narcissus And Goldmund In Hesse Dronesavage

"Wyndham Lewis wrote 'Why don't you stop New Directions, your books are crap.'" And we find love in "L": "Cicero noted that an old love pinches like a crab." But in "The Way It Wasn't" James Laughlin's love of the crazy world and his crazier authors does not pinch a bit: it glows with wit and enlarges our feeling for the late great twentieth century.

As he walks to the door of the old people's home with his carer, Lukas Zbinden recounts the life he shared with his wife Emilie and his son.

A comprehensive study guide offering in-depth explanation, essay, and test prep for Hermann Hesse's *Narcissus and Goldmund*, a literary success upon its first publication in the 1930s. As a novel of the Great Depression, *Narcissus and Goldmund* explores themes of brotherhood in spite of disparity. Moreover, Hesse's prevalent themes of conflict between spirit and flesh continue to ring true for readers throughout history. This Bright Notes Study Guide explores the context and history of Hermann Hesse's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

The Glass Bead Game, for which Hesse won the Nobel Prize for Literature in 1946, is the author's last and crowning achievement, the most imaginative and prophetic of all his novels. Setting the story in the distant postapocalyptic future, Hesse tells of an elite cult of intellectuals who play an elaborate game that uses all the cultural and scientific knowledge of the Ages. The Glass Bead Game is a fascinating tale of the complexity of modern life as well as a classic of modern literature. This edition features a Foreword by Theodore Ziolkowski that places the book in the full context of Hesse's thought.

In the spring of 1922, several months after completing *Siddhartha*, Hermann Hesse wrote a fairy tale that was also a love story, inspired by the woman who was to become his second wife. That story, *Pictor's Metamorphoses*, is the centerpiece of this anthology of Hesse's luminous short fiction. Based on *The Arabian Nights* and the work of the Brothers Grimm, the nineteen stories collected here represent a half century of Hesse's short writings. They display the full range of

Hesse's lifetime fascination with fantasy--as dream, fairy tale, satire, or allegory.

*Hans Giebernath lives among the dull and respectable townsfolk of a sleepy Black Forest village. When he is discovered to be an exceptionally gifted student, the entire community presses him onto a path of serious scholarship. Hans dutifully follows the regimen of study and endless examinations, his success rewarded only with more crushing assignments. When Hans befriends a rebellious young poet, he begins to imagine other possibilities outside the narrowly circumscribed world of the academy. Finally sent home after a nervous breakdown, Hans is revived by nature and romance, and vows never to return to the gray conformity of the academic system.*

*The Journey to the East*

*Siddhartha is a 1922 novel by Hermann Hesse that deals with the spiritual journey of self-discovery of a man named Siddhartha during the time of the Gautama Buddha. The book, Hesse's ninth novel, was written in German, in a simple, lyrical style. It was published in the U.S. in 1951 and became influential during the 1960s. Hesse dedicated the first part of it to Romain Rolland and the second to Wilhelm Gundert, his cousin. The word Siddhartha is made up of two words in the Sanskrit language, siddha (achieved) + artha (what was searched for), which together means "he who has found meaning (of existence)" or "he who has attained his goals". In fact, the Buddha's own name, before his renunciation, was Siddhartha Gautama, Prince of Kapilvastu. In this book, the Buddha is referred to as "Gotama". One of the most astonishing aspects of Hesse's career is the clear-sightedness and consistency of his political views, his passionate espousal of pacifism and internationalism from the start of World War I*

*to the end of his life. The earliest essay in this book was written in September 1914 and was followed by a stream of letters, essays, and pamphlets that reached its high point with Zarathustra's Return (published anonymously in 1919, the year that also saw the publication of Demian), in which Hesse exhorted German youth to shake off the false gods of nationalism and militarism that had led their country into the abyss. Such views earned him the labels "traitor" and "viper" in Germany, but after World War II he was moved to reiterate his beliefs in another series of essays and letters. Hesse arranged his anti-war writing for publication in one volume in 1946; an amplified edition appeared in 1949 and that text has been followed for this first English-language edition. In his foreword Hesse describes the heart of the philosophy expressed here: "In each one of these essays I strive to guide the reader not into the world theater with its political problems but into his innermost being, before the judgment seat of his very personal conscience." This faith in salvation via the Inward Way, so familiar to readers of Hesse's fiction, is persuasively set forth as the answer to questions of war and peace. A collection of twenty-two fairy tales by the Nobel Prize-winning novelist, most translated into English for the first time, show the influence of German Romanticism, psychoanalysis, and Eastern religion on his development as an author.*

***The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, The Great Gatsby was reviewed***

*poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. The Great Gatsby is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's The Great Gatsby is a classic work of American literature reimagined for modern readers.*
