Nat King Cole [piano, vocal, guitar]

One of the most popular and memorable American musicians of the 20th century, Nat King Cole (1919-65) is remembered today as both a pianist and a singer, a feat rarely accomplished in the world of popular music. Now, in this complete life and times biography, author Will Friedwald offers a new take on this fascinating musician, framing him

first as a bandleader and then as a star. In Cole's early phase, Friedwald explains, his primary task of keeping his trio going was just as much of a focus for him as his own playing and singing, always a collective or group performance. In the second act, Cole's collaborators were more likely to be arranger-conductors like Nelson Riddle and Gordon Jenkins, rather than his sidemen on bass and guitar. In the first act, his sidemen were equals, in the second phase, his collaborators were tasked exclusively with putting the focus on him, making him sound good, while being largely invisible themselves. Friedwald brings his full musical knowledge to bear in putting the man in the work, demonstrating how this duality appears over and over again in Cole's life and career: jazz vs. pop, solo vs. trio, piano vs. voice, wife number one (Nadine) vs. wife number two (Maria), the good songs vs. the less-than-good songs, the rhythm numbers vs. the ballads, the funny songs and novelties vs. the "serious" songs of love and loss, Cole as an advocate for the Great American Songbook vs. Cole the intrepid explorer of other options: world music, rhythm & blues, country & western. Cole was different from his contemporaries in other ways; for roughly ten years after the war, the majority of hitmakers on the pop charts were veterans of the big band experience, from Sinatra on down.

All aboard! Next stop: Dreamland Take a ride on a magical train that puffs around a candy mountain, travels on a peppermint rail, and is run by a chocolate brown bear. Along the way see a big white snowman, a house made of licorice, and even a giraffe with jelly bean spots. But did you know there's only one way to get to dreamland? Just close your eyes and climb aboard. The whimsical lyrics of "There's a Train Out for Dreamland," originally sung by Nat King Cole, combined with magical illustrations from mother-daughter duo Jane Dyer and Brooke Dyer, make a Christmas fantasy that captures every child's wildest dreams.

You Raise Me Up (Sheet Music)

Nat "King" Cole, All-time Greatest Hits

Can't Help Falling in Love (Sheet Music)

The definitive study of arranging by America's premiere composer, arranger and conductor. A "must" for every musician interested in a greater understanding of arranging. Includes chapters on instrumentation, orchestration and Nelson Riddle's work with Sinatra, Cole and Garland.

The Art of Solo Bass is a jumping off point, a place to

glimpse the possibilities of the electric bass. This book examines the use of chords and chord/melody in performance, arranging, composing and the development and exploration of new techniques. from using chords to enhance and embellish your groovin' bass lines, to developing a comping style to perform with an ensemble and finally to create solo arrangements and compositions for practice and performance. The Art of Solo Bass will open new horizons for you, the bass player. This is a step-by-step tutorial into the techniques, theory and practical application of solo bass. the Art of Solo Bass includes actual arrangements, recordings, notation and tablature to guide you along the way.
