After decades spent in the service of the Chaos god Slaanesh, the ruling classes of the Contqual sub-sector have finally brought true damnation upon their people - innumerable hordes of foul and lascivious daemons swarm from a tear in the fabric of reality to embrace their mortal pawns and drive them on to ever more depraved acts of worship. It falls to the merciless Space Marines of the Iron Hands Chapter to cleanse these worlds of the warp's unholy taint, and it is upon the surface of Shardenus that the fate of a billion lost souls will be decided.

Explore a story told across the millennia that delves deep into a pair of fascinating necron characters, their relationship and their plans for the galaxy. Before the being called the Emperor revealed Himself, before the rise of the aeldari, before the necrontyr traded their flesh for immortal metal, the world was born in violence.Even when they inhabited bodies of flesh, Trazyn the Infinite and Orikan the Diviner were polar opposites. Trazyn, a collector of historical oddities, presides over a gallery full of the most dangerous artefacts – and people – of the galactic past.Orikan, a chronomancer without peer, draws zodiacs that predict and manipulate the future. But when an artefact emerges that may hold the key to the necrons’ next evolution, these two obsessives enter a multi-millennia game of cat and mouse that ends civilisations, reshapes timelines, and changes both forever. As riddles unwind and ancient secrets are revealed, the question remains: will their feud save the necron race or destroy it?
