After saving Earth from the threat of V'Ger, James T. Kirk is called again to the final frontier with the mission to lead a valiant group of settlers to a distant world and explore the diverse mysteries and dangers of a strange new world in the Star Trek universe. Far from the Federation, a newly discovered M-class world has been eyed as a potential home by a group of hardy and determined colonists. Starfleet can spare only one starship to escort the would-be settlers on their perilous voyage, and that ship is none other than the legendary Starship Enterprise, commanded by the most well-known captain in the quadrant. Now Kirk finds himself responsible for the lives of 30,000 men, women, and children—a task that grows all the more difficult when the expedition is caught in the middle of an ancient feud between two dangerous alien races. The Renegades Trilogy continues, in this fiercely awaited second installment after the New York Times-bestselling Renegades by Marissa Meyer, author of the Lunar Chronicles. Now a New York Times Bestseller! Time is running out. Together, they can save the world. But they each other's worst nightmare.

Nova's double life is about to get a lot more complicated: As *Insomnia*, she is a full-fledged member of the Renegades, a syndicate of powerful and beloved superheroes. She works with Adrian's patrol unit to protect the weak and maintain order in Gatlon City. As *Nightmare*, she is an Anarchist - a group of villains who are determined to destroy the Renegades. Nova wants vengeance against the so-called heroes who once failed her when she needed them most. But as Nova, her feelings for Adrian are deepening, despite the fact that he is the son of her sworn enemies and, unbeknownst to Nova, he has some dangerous secrets of his own. In this second installment of the Renegades trilogy, Nova, Adrian, and the rest of their crew - Ruby, Oscar, and Danna -- are faced with escalating crime in Gatlon City, while covert weapons and conflicting missions have Nova and Adrian questioning not only their beliefs about justice, but also the feelings they have for each other. The line between good and evil has been blurred, but what's clear to them both is that too much power could mean the end of their city - and the world - as they know it.
