The Mt. Shasta Book is the ultimate guide to safely the hiking, backpacking, and climbing routes up the 14,162-foot mountain. In addition, this guide covers the area's skiing, snowboarding, water activities, and mountain biking trails. With over 50 combined years of experience as Shasta guides, the authors are seasoned experts on the mountain and its surroundings. The print edition comes with a fold-out 4-color topographic map.

Mark the Mountain Guide is the first in a new series of books written by Mark Seaton, a mountain guide who lives and works in the European Alps. The book is endorsed by the International Mountain Guide Association and features an introduction by mountaineer Sir Chris Bonington. It's a beautiful morning at the Marmot Mountaineering School when an enormous avalanche blocks the path back to High Alp Village. How will the students ever get home? Join Mark and his friends on their exciting journey as they slide over Grumpy Gorge, trek across Sorbet Glacier and scale the Applestrudelhorn.

The book features a play section, packed with facts and tips on safe mountaineering. Perfect for little adventurers! To watch a video of Mark the Mountain Guide, click here
