To Enter Five Peaks Magical Academy you must have a familiar. Abigail hoped for a bird, maybe an owl like her best friend's, or a cuddly cat or loyal hound. She would have been happy with a particularly smart toad, even.Instead she got you.

Quantum Hughes' life is stuck on repeat. While trapped in The LOOP, he struggles to free himself from a glitch that forces him to re-live the same day over and over.

Clinical Anatomy of the Eye has proved to be a very popular textbook for ophthalmologists and optometrists in training all over the world. The objective of the book is to provide the reader with the basic knowledge of anatomy necessary to practice ophthalmology. It is recognised that this medical speciality requires a detailed knowledge of the eyeball and the surrounding structures. The specialist's knowledge should include not only gross anatomic features and their development, but also the microscopic anatomy of the eyeball and the ocular appendages. The nerve and blood supply to the orbit, the autonomic innervation of the orbital structures, the visual pathway, and associated visual reflexes should receive great emphasis. The practical application of anatomic facts to ophthalmology has been emphasised throughout this book in the form of Clinical Notes in each chapter. Clinical problems requiring anatomic knowledge for their solution are presented at the end of each chapter. Illustrations are kept simple and overview drawings of the distribution of the cranial and autonomic nerves have been included.

Small Town Witch

Never trust a man who gets paid to take off his clothes for a living and then uses it as a pick-up line to get girls in bed with him. That should've been enough for me to call in sick that day.I've worked with male cover models like him before and they're all the same-smooth-talking, sexy as sin, egotistical know-it-alls who think they're God's gift to women-all traits I know to steer clear of. Assisting authors comes with many perks-reading on the job, using my organizing skills on a daily basis, drinking coffee by the gallons-but Maverick Kingston barges into my life and demands more than I can handle. When we're forced to road trip across the country together, he pushes every boundary I have and rearranges my thoughts on playing it safe. And when he "accidentally" drops his towel, he makes it very clear what he's offering and proves he's packing more than abs of steel under his clothes.Working with him was brutal, but falling for him was unexpected.And playing by the rules will be impossible.This is a complete STANDALONE novel - filled with plenty of humor, steam, & romance! 18 & up only due to explicit sexual content, language, and adult content.

Thrust into an unknown, unwanted situation, most would feel panic, fear anger and fall into chaos. Erik and Rugrat are not immune to those feelings, but they have stepped into chaos so many times, it is simply a different challenge. Two weeks ago, Erik lost his legs and his arm. Today he got a message. "You have been randomly selected to join the Ten Realms. One may choose to ascend the Ten Realms, thereupon making a request to the Gods of the Realms. Only those who are Level 10, 20, 30, 40, 50, 60, 70, 80, and 90 may ascend to the next realm. Fortune favors the strong!" For a retired combat medic and Marine Recon sniper, the Ten Realms offer a clear challenge and sense of purpose that they had only found on the battlefield. How much trouble can you get into in a new realm?

The Kingdom of Men and Women have always stood apart, but Kanan, a child from the Kingdom of Between, is not strictly a man or a woman. Following the capture of their small country, Kanan is presented to the Kingdom of Men's crown prince as a war prize and political hostage. Alone in a strange land they do not belong, Kanan must navigate complicated court politics, strict gender roles, and a brutal civil war to find their freedom -- their only ally? The very arrogant, insecure young prince whom they were given as a gift.

The Legend of Randidly Ghosthound

Falling for the Playboy

Litrpg Series

Choosing Theo

Randidly Ghosthound felt lost and alone even before the System transformed the Earth. Before every person had to deal with the sudden presence of Levels, Skills, monsters, and the very real possibility of death... Due to unusual circumstances, Randidly starts in an isolated Dungeon far beyond his Level, forced to rely on the mysterious Traveler Shal in order to learn and survive with the dangerous new status quo for his world. But survive he does, only to leave the Dungeon and discover that while he experienced several hellish months in the Dungeon, only half a day passed on Earth. Randidly's capabilities are now more than enough to help build a small enclave of survivors, but that doesn't mean balancing his sense of responsibility against the plots of an unfriendly town will be easy. And although he doesn't know it, he needs to prepare. Because the System has sent down a Tribulation, which waits in the shadows and monitors his every move... Don't miss the start of this hit LitRPG Fantasy series with over 50 Million views on Royal Road. For the first time, The Legend of Randidly Ghosthound is now available with loads of new content on Kindle, Kindle Unlimited, and Audible narrated by Macleod Andrews. About the Series: Experience a particular flavor of the System Apocalypse genre of LitRPG/GameLit, where Skill growth and the Path System allow individuals to tailor their growth toward infinite possibilities. There are Classes, Skills, Levels, and Rarities that will feel familiar to any connoisseur of role-playing games. Follow Randidly as he balances his growing power with the worrisome ripples of his existence. The System doesn't discriminate; when he is ready for more dangerous threats, the rest of humanity better be ready, too. Those who have read the web-novel when it was available online can experience the saga the way it was always meant to be told, fully revised and re-edited, and with tons of new material!

((Minor Spoiler and Warning at the bottom of the blurb. Please read all the way through.))The war with Gaelis has gone poorly for Alex's foes and well for his allies. He's enriched himself, empowered his county with that coin, and built his county ever higher.The war swings in favor of his Duchess.Yet the war still goes on. The end doesn't seem to be near, nor does Alex feel as if is as simple as he'd once thought it.Alex would rather settle down in his county and live a quiet and enjoyable life. One filled with familial things and friends. Where he could make his county the pride of the empire in peace.Because he'd already gotten to the top once before. He'd climbed the corporate ladder in his previous life and missed out on really having one.Having friends. Or just a family.Now Alex wants only for the simple things. Things that have no place on the battlefield, kingdom politics, or the courts.That of course doesn't matter much when fate is concerned. Or really everyone else in the empire. They all have their own plans that all seem to run counter to Alex's.Fortunately, Alex has been preparing. Making changes and building his foundation and seat of power ever higher.He's empowered the people he relies on and in. His armies are expertly trained and almost over- equipped. His treasury is overflowing and ready to be spent.Even with all of that, Alex isn't sure it'll be enough for what he believes is coming.Because spring is here. And that means roads will be opening. Passes will be traversable.Making it possible for armies to march. Which means it's time for Alex to get back to work. Because more than ever he has a lot to lose, including his newborn children. If he wants to keep them safe, he's going to have to ride to war once again.And end it once and for all no matter the cost.Warning: This novel explores dark subjects, and what people will give up of themselves, and each other, to get what they want. The main character is written as a real person in a tough situation and will not make choices that line up with societal and cultural norms.It contains adult themes and moral ambiguities.As with my previous work, explicit scenes are found within. It has violence and a harem relationship.

Alejiandra is a survivor. So far, she's lived through abduction, a near drowning, and being lost in an alien forest. She thought things were finally starting to go her way when the most intense, grumpy, and insanely tempting man she's ever seen rescues her from a monster. But sadly, that's just when everything gets even more complicated.Auced has his orders. He is to find the missing human and deliver her to Tremanta. Getting caught trespassing in Sauven territory was not part of the plan. Neither was pretending to be the sexy beauty's fiancé to protect her from forced marriage to a Sauven stranger?but here they are.Their relationship was supposed to be fake. But it's not long before they start to wonder if true love and a happily ever after is possible for two star-crossed opposites. And if it is?just how far are they willing to go to claim it?

[Spoiler for the faint hearted at the bottom of the blurb. Please read all the way through.]Before world war two could reach its conclusion, the world suffered what could only be defined as a cataclysm.Now, Yosemite city stands as the gateway between two worlds. The empire of humanity to the west, and the wild wastes to the east.Standing at the helm for Yosemite is Vince, a Ranger turned city state ruler. Supporting him in his endeavors is his inner circle.Vince has begun to maneuver through the intricacies of ruling. At the same time he must balance his expanding foundation and fend off external threats. Thankfully, every single citizen of Yosemite is united to the cause. To make their home, permanent. To dig out their place in the world and make a stand.Things are starting to spiral out of control. Almost as quickly as he can put it all back together something else falls apart.And with Yosemite rapidly rising into prominence, Vince finds that it really means just putting a bulls-eye on your back.Warning: This novel contains adult themes and moral ambiguities. The main character is written as a real person in an apocalypse, and will not make choices that line up with society and cultural norms.This story contains a harem and is an Adult Fantasy novel.

The Clecanian Series: Book 3

At long last, an extraterrestrial civilization reached out and made the First Contact. However, no one on Earth took their communique for the genuine article. In a similar vein, very few people appreciated just how little time our new suzerains had promised to keep our planet safe. Regardless, the end of their message showed humankind how to access a mysterious game. The objective of this game is unclear. No one can say where its servers are located, and its inner workings are beyond comprehension. But the game slowly gained momentum, pulling in more and more players. Soon enough, it became impossible to ignore the fact that things that happened in the game had a direct impact on our reality. And not only ours...But as people figure out this mysterious game, the countdown timer ticks away. And no one can say exactly what will happen when Earth's safety is no longer guaranteed. Mankind has been under attack for fifty years by the awesome power of bosses and monsters who are the denizens of dungeons. Monsters started these attacks when a mystical beast named Raekast appeared and threatened the world, eradicating human life from several continents. Raekast threatened all human life until a mysterious ceremony called 'Rebirth' unlocked the hidden potential of humans strong enough to repel and defeat her. Raekast's final, desperate act caused dungeons to spawn across the globe. The greatest of these dungeons is known as Titan. Dungeons are a threat to humanity and nature alike. Powerful reborn humans known as 'Slayers' enter their dangerous depths to kill the monsters and bosses that live within and retrieve treasure, items and more. Tad Harrington, a video game loving 16-year-old high school student, was bullied relentlessly throughout his life. Tad's Rebirth date has come. His last hope is to be reborn a slayer strong enough to enter the toughest dungeons where a life of power and luxury could await him.When things don't go according to plan, Tad finds out he has a special Rebirth, one that can level up and grow stronger by defeating monsters. Starting from level one, how high can Tad climb? Can he overcome the challenges and become the ultimate dungeon slayer?

As a ten year old orphan, all Wick ever wanted was money, power, and well, what else was there? Enough is never enough. His father's death left him only with a glass amulet, his trusty spade, and two level one skills. Six months in the backwater city of Outlast, Wick has finally decided to make his move for a brighter future. It may cost him the beating of his life, but he lives by the Sprawler's Code: The strong live long, but the bold get the gold. Follow Wick on the beginning of his new life as he explores new powers and manipulate anyone foolish enough to get in his way.

Virtual worlds are places of boundless freedom. Anyone can become an elven mage or an invisible rogue, join a clan and go on raids, fight, develop their characters and most importantly, escape from the daily grind. However, a game is only a game if you can quit. This is something I learned the hard way. I just wanted to let off some steam in virtual reality and ended up getting murdered and imprisoned in the body of one of the undead

Trapped in his own body by a debilitating medical condition, Xavier Lee seeks reprieve from his giant-sized problems through full immersion into the game world of Nova Terra. Billed as the first true alternate reality, Nova Terra runs parallel to the real world and promises to fulfill the fantasies and desires of those who dare plunge into its mysterious depths. In order to adjust to his new life of quests, skill mastery, and magic, Xavier will have to forget everything he knows. As he struggles to make the most of his new-found freedom, Xavier will have to learn to deal with a new body, new friends, and a new world that is much more than it seems.Nova Terra, your dreams, your world.

Roark von Graf-hedge mage and lesser noble of Traisbin-is one of only a handful of Freedom fighters left, and he knows the Resistance's days are numbered. Unless they do something drastic... But when a daring plan to unseat the Tyrant King goes awry, Roark finds himself on the run through an interdimensional portal, which strands him in a very unexpected location: an ultra-immersive fantasy video game called Hearthworld. He can't log out, his magic is on the fritz, and worst of all, he's not even human. He's a low-class, run-of-the-mill Dungeon monster. Some disgusting, blue-skinned creature called a Troll. At least there's one small silver lining-Roark managed to grab a powerful magic artifact on his way through the portal, and with it he might just be able to save his world after all. Unless, of course, the Tyrant King gets to him first ... From James A. Hunter, author of the litRPG epic Viridian Gate Online, and eden Hudson, author of Legend of the Treesinger and the Jubal Van Zandt Series, comes an exciting new litRPG, dungeon-core adventure you won't want to put down! "An excellent start to a series, this book has everything I look for in a fantasy novel: action, intrigue, and evolution!" - Dakota Krout, author of the Divine Dungeon and the Completionist Chronicles

Long ago, the Monarch Northstrider created a world of his own.This world, known as Ghostwater, housed some of his most valuable experiments. Now, it has been damaged by the attack of the Bleeding Phoenix, and a team of Skysworn have been sent to recover whatever they can from the dying world.Now, Linton must brave the depths of this new dimension, scavenging treasures and pushing his skills to new heights to compete with new enemies.Because Ghostwater is not as empty as it seems.

Ancient Demons. A Terrible Curse. Only one woman can save the day ... though she's not really a woman at all.Winona Treesinger is a Bigfoot-and no, she doesn't just have large feet. She's literally an eight-foot tall walking myth, and the last great princess of the People of the Forest. All she and her people want is to dwell in the deep places of the forest, well away from mankind and the destruction they bring to the land and the world. But when Winona hears about a string of grisly murders in the nearby city of Missoula, she knows in her gut it's the work of an ancient evil, driven away from their lands long ago. Against the wishes of her Father, Chief Chankooashday, Winona must leave the forest and venture into the world of men, disguised as a frail human, in order to set the balance straight and stop the killings. And with the help of a handsome, slick-talking city detective named Chris Fuller, she might be able to do it. But if Chris finds out what she really is, stopping the creature might be the least of her worries.From James Hunter (author of the Yancy Lazarus series and the litRPG epic Viridian Gate Online) and eden Hudson (author of the Redneck Apocalypse series) comes a gritty, action-packed urban fantasy adventure with a kick-ass heroine, a savvy street cop, and a twist that you won't see coming!

In 1919 the US Congress passed the National Prohibition Act. Known informally as 'the Volstead Act,' the act forbid the manufacturing, sale, or transport of 'magicks and spells of an intoxicating nature.'

The brewing of spells, once the province pharmacists and legitimate businesses, became the epicenter of a new criminal underworld: one where bootleggers and spellrunners thrive on the illegal production of spells, potions, and incantations. The year is 1928 and New York is bubbling over. Vincent Byrde, a grizzled PI laboring under a nasty curse, has built his career chasing witches and magicians wherever they may hide. One job, however, eludes him. The frustrating case of Jimmy Wonder: a young, up-and-coming spellrunner who always seems one step ahead of the law. Vincent is set on bringing Wonder to heel. Wonder is set on being the biggest magician in New York City. Their dance takes a complicated turn when Kitty Lovelace - Jimmy's sidekick and main girl -- walks out on Wonder and straight into Vincent's life.

In all the games Matt has played, Dungeons are places to raid, places you dream of conquering, but when the world is stripped of electricity, and the first mana-twisted beasts start to prowl, the games all come to an end... Matt's just an ordinary guy, but when he's beaten, robbed, and left for dead, bleeding out at the bottom of a gully, it all has to change as he grasps frantically at his only chance for survival, coming as it does in the form of a glowing, dangerously pulsing light. With his reality forever altered, Matt must quickly find a suitable place to deploy the Dungeon Core, fighting his way through the hundreds of people between him and safety, because if he doesn't do it soon, a Core Detonation will solve all of his problems for him... permanently.

Super powers. Super harem. Super awesome. Contains Adult Content. Seriously. Who in their right mind tells both his lawyer and the judge presiding over his murder trial, "F--k you!" while still in the courtroom? No one, right? Yeah, you'd be wrong about that. I did. You'd say the same thing if you were just found guilty of a murder you didn't commit, though. Call me crazy for going off like that in court, but trust me, you don't know crazy until you see what happened next. I never believed in superheroes. I certainly didn't believe that I'd become one, or that strategically forming a harem of hot chicas and getting down with them to unlock my superpowers would be the key to my survival. Did I say my survival? I meant the universe's. No, really... that's exactly what happened when I was taken to a galaxy of supers, thrown into a prison ship full of villains, and told it was up to me to stop them all. Read on, friend, because it gets a whole hell of a lot crazier from here. WARNING: This book contains violence and sexual situations, a harem, heads exploding, and ample blood. You might cringe, you will laugh, and hell, you might even cry. All of that is on purpose, I assure you. Grab the sequels and audiobook, including SUPERS: EX GODS, the spinoff series.

He Who Fights with Monsters

The gods walk among us. And they just might steal your soul... or your heart. I thought I'd survived everything life could throw at me. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. They all have something to teach me. And around them, my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined--and the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save myself, my brother, and these divine men who're getting under my skin in the most alluring way. I'm Aria Watson, and Valhalla ain't seen nothing yet.

On the first day, a mist descended from the heavens blanketing Earth.On the second day, a cryptic message, 'Infusion commencing', appeared in the corner of everyone's eyes. On the third day, the sick were healed and the crippled walked again. On the fourth day, celebration and joy spread across the globe. And on the fifth day, the warping began...There was no warning. A mist descended from the sky, disabling all technology and causing a weird message to appear at the corner of everyone's eye. The situation grew even worse as animals and people started to warp, transforming into terrible monsters that prey on the livings. Within months, human civilization had crumbled. Unable to fight the seemingly-indestructible beasts, the survivors are reduced to cowering in reinforced shelters. Waiting for the end to come. Helpless. All seemed lost until a few brave souls discovered the secret of their new reality: the Tec and how to use it to level up. Together they represent humanity's last best hope for salvation. But they first must find the answers to the mystery of their new existence. Their journey will require them to quickly adapt to alien technology, operate strange spaceships, and even befriend an extra-terrestrial merchant with an Inferiority Complex.

The path from retail middle management to interdimensional wizard adventurer wasn't easy, but Jason Asano is settling into his new life. Now, a contest draws young elites to the city of Greenstone, competing for a grand prize. Jason must gather a band of companions if he is to stand a chance against the best the world has to offer.While the young adventurers are caught up in competition, the city leaders deal with revelations of betrayal as a vast and terrible enemy is revealed. Although Jason seems uninvolved, he has unknowingly crossed the enemy's path before. Friends and foes made along the way will lead him to cross it again as inevitable conflict looms.After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, the He Who Fights with Monsters Series is now available on Kindle.
