Designing Connected Content

A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Seventh Edition and The Standard for Project Management (BRAZILIAN PORTUGUESE)

Bringing together ten leading researchers in the field of deliberative democracy, this important book examines the features of a Deliberative Mini-Public (DMP) and considers how DMPs link into democratic systems. It examines the core design features of DMPs and their role in the broader policy process and takes stock of the characteristics that distinguish them from other forms of citizen participation. In doing so, the book offers valuable insights into the contributions that DMPs can make not only to the policy process, but also to the broader agenda of revitalising democracy in contemporary times.
