

New Headway Pre Intermediate Workbook 3 Edition With Key

New Headway Pre-Intermediate extends and revises many of the structures covered at Elementary level. This new edition keeps to the successful framework of the original, but has been transformed by fresh material throughout, a more accessible feel, and a completely new design. The majority of the reading and listening texts have been replaced with vibrant new material on up-to-date topics with a more global outlook than before. There is now a higher proportion of speaking activities, maintaining the balance between communicative and more traditional approaches. At this level, related areas of grammar are explored and then practised in discriminatory exercises. All of the main tenses are included, and their uses are compared and contrasted where appropriate. Integrated skills work continues to be an important feature, with skills work becoming more challenging. As at Elementary level, an emphasis on thorough practice is retained, ranging from the very controlled to freer tasks. The vocabulary syllabus continues to be developed through a variety of approaches to

lexical input and integrated pronunciation work. A new 'Starter' section at the beginning of each unit has a warm-up activity, often personalized, to lead into the topic and grammar of the unit. A new, separate Teacher's Resource Book is available with photocopiable games and activities to supplement the main course material. 90% new, with refreshed content and new features.

SuperJam is a delicious range of jams and marmalades created by young entrepreneur Fraser Doherty. They're 'super' because they're made with 'superfruits', such as cranberries and blueberries, and fruit juice rather than sugar, meaning they're healthier than your average pot of jam. Fraser's cookbook is a juicy celebration of all things jammy. As well as being packed full of recipes for jams, marmalades, chutneys and jellies, the book offers more unusual ideas for spreads, such as Banana and Rum Curd, Dulce de Leche and Chilli Jam. And if for any reason you do have any leftover pots of preserves, it also contains over 25 ideas for how to turn your creations into irresistible puddings, from Bakewell Tart and Orange and Passion Fruit Trifle to Banoffee Cupcakes and Strawberry and White Chocolate Mousse. Exquisitely designed and lavishly photographed, The SuperJam Cookbook will be a lovely gift or simply the perfect way to indulge your love of one

of life's greatest comfort foods. New Headway Beginner is aimed at absolute beginners, or those who have learned a little English but lack the confidence to build on it. It provides a solid foundation for New Headway Elementary. Its measured, step-by-step approach builds both skills and confidence. The right mix of language work and plentiful practice material enables learners to consolidate their knowledge of key points before proceeding further. The clearly defined grammatical syllabus includes past, present and future time and provides a thorough basis on which to build. The presentation of new language is gradual, methodical and clearly structured, giving learners a clear sense of progression. The vocabulary syllabus focuses on high-frequency survival terms and avoids overload. The gradual introduction of simple skills work with manageable communicative activities give learners a sense of achievement. 'Everyday English' practises social expressions in common situations and shows how learners can apply their knowledge in practical
