founded on justice and the rule of law. But our laws are too complex, and legal advice too expensive, for poor and even middle-class Americans to get help and vindicate their rights. Criminal defendants facing jail time may receive an appointed lawyer who is juggling hundreds of cases and immediately urges them to plead guilty. Civil litigants are even worse off; usually, they get no help at all navigating

the maze of technical procedures and rules. The same is true of those seeking legal advice, like planning a will or negotiating an employment contract. Rebooting Justice presents a novel response to longstanding problems. The answer is to use technology and procedural innovation to simplify and change the process itself. In the civil and criminal courts where ordinary Americans appear the most, we should
