

New York Con Carlo Consigli Utili E Itinerario Dettagliato Per 7 Giorni A New York

From her earliest years, Catherine of Siena (1347-80) was griped by the mystery of God incarnate. This was the beginning of a life-long love story, a life-long conversion in which Christ spoke to Catherine and she communicated the truth of his being to the world of her time. Creation itself, she says, is an act of love, and Christ is the bridge by which human beings come to realize their full humanity, their inmost nature, which is to love. Mystic, champion of the poor and Church reformer, Catherine was declared a Doctor of the Church in 1970. She was unable to write until she was thirty, but she corresponded with Popes, Cardinals, scholars and civic authorities. She was a true daughter of the fourteenth century, famous in her own life time, and yet her thinking and her work seem entirely relevant in the political and ecclesial context of our own time. When Pope Paul VI was asked whether she should be considered a politician, his answer was yes, but in a thoroughly spiritual way; this, he said, is why 'the teaching of this singular woman politician is still meaningful and valuable'.

New York con Carlo è una guida agile e snella, perfetta per essere sfogliata prima e durante il viaggio. L'itinerario passo-passo ti guiderà alla scoperta della città, toccando le attrazioni più importanti e fornendoti interessanti aneddoti e curiosità. Durante gli itinerari giornalieri troverai consigli mirati, su posti dove mangiare e sui migliori piatti da scegliere. Se viaggi con bambini troverai molto utile la ricca sezione con i consigli sulle cose da vedere, mirate per far divertire anche i più piccoli. Presente inoltre una sezione con i consigli sulla prenotazione dell'hotel.
Acquista la guida se:
– quello che cerchi è un itinerario di facile consultazione mentre sei a New York o per pianificare al meglio il viaggio prima della partenza.
Non acquistare la guida se:
– se sei alla ricerca della storia della città o preferisci una guida completa con la descrizione di tutte le attrazioni, da 300 pagine.
Questo è principalmente un itinerario, nato dalla mia esperienza come accompagnatore a New York. Per tutte le altre informazioni è disponibile il sito web viagginyork.it
Novità dell'ultima edizione:
– inserite nei vari giorni le nuove attrazioni di New York: Little Island, The Edge, One Vanderbilt Summit
– inserita una visita a Roosevelt Island con funivia

Storia dell'opera italiana

National Union Catalog

Italians in the United States

I segreti di New York

1952-1979 : *master builder of the modern age*

Lists general reference works, periodicals, newspapers and books in the areas of history, the humanities, and social and applied sciences for researching the nature of the Italian experience in America

One of the prominent themes of the political history of the 16th and 17th centuries is the waxing influence officials in the exercise of state power, particularly in international relations, as it became impossible for monarchs to stay on top of the increasingly complex demands of ruling. Encompassing a variety of cultural and institutional settings, these essays examine how state secretaries, prime ministers and favourites managed diplomatic personnel and the information flows they generated. They explore how these officials balanced domestic matters with external concerns, and service to the monarch and state with personal ambition. By opening various perspectives on policy-making at the level just below the monarch, this volume offers up rich opportunities for comparative history and a new take on the diplomatic history of the period.

Merleau-Ponty and the Natural Sciences

Venticinque anni di missione, 1888-1913

La Civiltà cattolica

A Bibliography of Reports, Texts, Critical Studies and Related Materials

The National Union Catalogs, 1963-

Piero Gobetti was a radical liberal and critic of Italian politics in the years after World War I, he proposed 'revolutionary liberalism', which guided his opposition to Fascism and inspired key figures in the Italian Resistance. Accessible but critical, this volume is offers a balanced assessment of his enduring significance.

The History of Italian Opera marks the first time a team of expert scholars has worked together to investigate the Italian operatic tradition in its entirety, rather than limiting its focus to individual eras or major composers and their masterworks. Including both musicologists and historians of other arts, the contributors approach opera not only as a distinctive musical genre but also as a form of extravagant theater and a complex social phenomenon-resulting in the sort of panoramic view critical to a deep and fruitful understanding of the art. Opera on Stage, the second book of this multi-volume work to be published in English-in an expanded and updated version-focuses on staging and viewing Italian opera, from the court spectacles of the late sixteenth century to modern-day commercial productions. Mercedes Viale Ferrero describes the history of theater and stage design, detailing the evolution of the art well into the twentieth century. Gerardo Guccini does the same for stage and opera direction and the development of the director's role as an autonomous creative force. Kathleen Kuznick Hansell discusses the interrelationships between theatrical ballet and Italian opera, from the age of Venetian opera to the early twentieth century. The visual emphasis of all three contributions is supplemented by over one hundred illustrations, and because much of this material-on the more "spectacular" visual aspects of Italian opera-has never before appeared in English, Opera on Stage will be welcomed by scholars and opera enthusiasts alike.

Contents: Luca Vanzago, Introduction • Ted Toadvine, Tempo naturale e natura immemoriale • Luca Vanzago, The Problem of Nature between Philosophy and Science. Merleau-Ponty’s Phenomenological Ontology and its Epistemological Implications • Roberta Lanfredini, Essenza e Natura: Husserl e Merleau-Ponty sulla fondazione dell’essere vivente • Christopher Pollard, Merleau-Ponty and Embodied Cognitive Science • Gianluca De Fazio, L’Essere pre-logico. Una lettura ontologica dell’interpretazione di Copenhagen a partire da Merleau-Ponty • Danilo Manca, La scienza allo stato nascente. Merleau-Ponty e Sellars sull’immagine scientifica della natura • Darian Meacham, Sense and Life: Merleau-Ponty’s Philosophy of Nature and Evolutionary Biology • Franck Robert, Merleau-Ponty, Whitehead, une pensée de la vie • Claus Halberg, Emergent Life: Addressing the "Ontological-Diplopia" of the 21st Century with Merleau-Ponty and Deacon • Prisca Amoroso, Prospettive ecologiche nell’opera di Merleau-Ponty

The popular media of film and television surround us daily with images of evil - images that have often gone critically unexamined. In the belief that people in ever-increasing numbers are turning to the media for their understanding of evil, this lively and provocative collection of essays addresses the changing representation of evil in a broad spectrum of films and television programmes. Written in refreshingly accessible and de-jargonised prose, the essays bring to bear a variety of philosophical and critical perspectives on works ranging from the cinema of famed director Alfred Hitchcock and the preternatural horror films Halloween and Friday the 13th to the understated documentary Human Remains and the television coverage of the immediate post-9/11 period.

The Changing Face of Evil in Film and Television is for anyone interested in the moving-image representation of that pervasive yet highly misunderstood thing we call evil.

Antonio Gramsci

I conti della storia con la Bibbia. Rapporto di un docente di religione

carteggio, 1929-1945

The British Library General Catalogue of Printed Books 1976 to 1982

"Like getting a pebble out my shoe." New Orleans is the true birthplace of the Sicilian mafia in America. Carlos Marcello controlled organized crime in Louisiana and across the Southeast in the 1950s and '60s. He was untouchable until he met the Kennedy Brothers. Once Robert Kennedy became attorney general, Marcello was deported to Guatemala and swore to seek revenge. It became a duel to the death. Marcello found his "patsy," a former marine with a Russian wife. Lee Harvey Oswald was the perfect fall guy but he never pulled the trigger.

This biography lifts the study of Gramsci away from the sterile debate about whether he was or was not a Leninist and offers a fully integrated account of the life and work of one of the great figures of international Marxism.

UNIPRETE A NEW YORK

Index to the Catalogue of Books in the Upper Hall

Tante si è parlato, visto e scritto di New York. Eppure, dietro lo scintillio dei grattacieli, restano ancora molte storie da raccontare. E negli angoli della metropoli ancora oggi immutati Augias, appassionato di letteratura gialla e della grande tradizione noir, riscopre, con l'autentico talento di un raffinato detective, i luoghi dove vissero affascinanti e misteriosi personaggi, i locali dove si consumarono amori e delitti, i quartieri, oggi a volte sfigurati, dove hanno lasciato le loro tracce "tutto il bene e tutto il male del mondo, tutto la luce e tutta la più nera oscurità". E qui che egli ritrova i fili del romanzo segreto della città, un romanzo i cui protagonisti sono gli immigrati di Staten Island, gangster, bellissime attrici, geniali poeti, inventori dimenticati: E nel delineare un itinerario fascinoso e anticonvenzionale della Grande Mela, disegna una fisionomia inedita e appassionante della capitale dell'Occidente
