

Nfnlp National Federation Of Neurolinguistic Programming

Author of the Hexagonal Success System, William E. Williams, has been busy with the creation of yet another success system, Power Plan 101. This latest system focuses on Neurolinguistic Programming (NLP), which in William's own words is "the systematic study of how people behave and what motivates them". Here he expounds on how people-just about everyone-can take back complete control over their lives. He elaborates on the techniques all of us can use to overcome our outside environment so that it doesn't have any influence on how we feel internally. The new technique is based on his own life experiences and the valuable lessons he learned from them. Power Plan 101 introduces everyone to the method Williams has personally used to reach his goal and plan in life, which is to be happy. "Nothing comes before the goal, and the goal is to be happy."

How can a HYPNOTIST help you grow your business? Work Smart Business will share with you the tested principles and proven strategies to turn your business ideas into a successful reality. Maybe your marketing or advertising attempts did not produce the results you expected. Many people create a business that is successful on paper, yet you struggle to maintain a work/life balance. Too many entrepreneurs end up living as if they're paycheck-to-paycheck or contract-to-contract, wondering if opening their own business was the right decision. Don't become another statistic. Become your own success. WORK SMART BUSINESS busts these myths and solves these challenges by encouraging you to think hypnotically about your success. This isn't just "Law of Attraction." This book is about taking action. You will discover specific WORK SMART principles and strategies to ignite your entrepreneurial adventure. "Work Smart Business inspires us to be better business owners. When we understand the how and the why behind our business efforts, we can rapidly and effectively scale our business success. The more crowded your marketplace, the more competition you have, the more you will get from this book!" - Geoffrey Ronning, CEO of StealthSeminar.com This book will guide you to: * Overcome scarcity thinking to discover abundant business opportunities * Harness momentum by leveraging each success to another * Virtually "print money" as you tap into new markets, products, and services * Inspire genuine business relationships to never again be positioned as a commodity * Design systems for success to run your business with push-button ease * Tap into your best habits and behaviors to create balance in your work, life, and health "Jason Linett has something special. He has the smarts, the goods, and most important, the integrity I look for in any coach. Integrity is everything. This book will teach you how to build what he has built. You must read this book. It will save you from reading 50 other books." - Catherine Hickland, TV Star, Author, and CEO of CatCosmetics.com You will also discover strategies to: * Launch new products or services without going into debt * Convert your clients into raving fans * Communicate hypnotically to ethically influence your audience to take action * Master your own state management to "get in the zone" when it's business time * Reprogram negative self-talk into a positive action * Have fun growing your business Follow the advice in this book and you will clear away the confusion and frustration of growing a business to create a powerful brand that moves you toward financial freedom while improving the lives of your customers. What's stopping you from starting up that business you've been dreaming about for years? What's holding you back from scaling up your success to a much larger audience? "Jason Linett clearly knows what he's talking about. Hell, he quotes me in his book, and I have no idea what better recommendation YOU think there is available to an author..." - Kevin Pollak, Actor, Comedian, Podcaster, Author Scroll to the top of this page and click the "buy now" button today.

If you think, this is simply a self-help book, then it perhaps loses its essence right that moment. It travels into a genre that perhaps isn't very common; a perfect blend of fact-fiction that brings about the way that the brain functions; to imagine anything and then logically do what it is trained to. What we observe is that dealing with emotions or talking about it isn't very simple and maybe not even encouraged as it most often is misinterpreted as a sign of 'weakness' and slowly the inability to traverse through the feelings corrodes the very shard of one's existence leaving them hanging out dry. The Book turns the readers' attention back to the levels of the mind that hold the Secret to unravelling what stops them from creating a great life. Every Chapter allows the reader to look deeper within and ask empowering questions that quickly moves them from wandering inside a problem to a solution that evolves from them. After all who knows you, better than you? The book is structured to give reader a clear vision into the most important aspects of their lives. What does justice to this book is present it from the first person and third person point of view so that anyone who digs into an area of life, also knows where and how they are stuck. Here is fact-fiction dancing in tandem and graceful enough to hold space for the Personal Sections that the reader is nudged into gently to uncover their reality. The Nine dimensions of Life are beautifully articulated with eloquence, narration and simple yet reflective questions to help the reader find happiness within. The tonality of the contents steers away from being preachy or advising what should be done and focuses on moving the reader closer to reality which in fact rests in the mind; just that perceptions have come in between that closeness. The humble attempt is to get readers to take charge of their minds and in turn their lives and be responsible for creating the lives that they have always dreamed of. It also throws on light on how in our endeavour of chasing materialism, we fail to understand that happiness eludes us. The three learnings include 1. How to be an Observer of your life and Coach yourself 2. How to instantly implement solutions in various aspects of your life 3. How to defocus from the outer world and focus on the inner world The Secret of Life-Decoding Happiness offers you Nine dimensions of life as Nine chapters where the first six deal with the external world and the remaining three helps the reader focus more on the internal world as they witness the

transition from being an Achiever in the society's eyes to being a Contributor in their own right. These little ways of impacting go a long way in finding inner happiness and therein lies the Secret. So, how to invoke the Power of choice in anything and everything is a real game changer here. So, be it a Professional, Executive, Student, Homemaker or an Entrepreneur or just about anyone, Core Transformation is just a book away.

It was a great pleasure to work with all the CO-AUTHORS of this book to bring out their stories, perspectives and insights on how they did what they did. Pursuit: Journey Of An Entrepreneur. Is about how some of the most successful entrepreneurs grew from failing to succeeding in life. The book talks about how every challenge provides you with an opportunity to breakthrough limitations both personally and professionally. The journeys communicate how support is always available to anyone and everyone who take the big step of becoming an entrepreneur and how that support can be generated and utilized to fuel not just your growth but also your potential. More than change, this book is about evolving day after day in your entrepreneurial journey. So, here it is, for not just your reading pleasure, but also as a reference guide to help you shorten the learning curve and outshine in your own personal endeavors. As you are going to learn by reading from the contributors of this book, you will understand that all of them have one common thing to say... TAKE ACTION. Go ahead, read the book, take action and bring about a positive difference in your life, business and career - today!

The Secret of Life - Decoding Happiness

Mind Play

"Mind control" a term filled with mystery, intrigue, and fun. Control of the mind . . . what does it mean, really! So-called experts have been writing and arguing about the mind for as long as people have been able to communicate. The elusive and mystical control we seek is possible. In Mind Control, Dr. William Horton, Psy. D. takes us closer to the practical application of mental discipline for ourselves. Dr. Horton applies NLP communication techniques (special language to structure change in the mind) so that we can manage and control of others. This control takes the form of better understanding of what we see feel and hear as other talk to us. We are afforded the opportunity through these techniques to use the best possible angle while talking with others. In our culture, control can be regarded as a negative term. Here we use it as a positive action. When we say control, we really refer to the control of our own thoughts, our own state of mind, and the way we communicate. Dr. Horton uses his ability to break down systems and processes to share a new understanding of the function of the mind as we interact with the people around us. Can you imagine your life in a world where people simply do what you ask them to do? The processes outlined in this book will install the skills needed for maximum success. Self-control and mental discipline give you the ability to have more success in any part of your journey through career and personal goals. Personal relationships become more rewarding. You have an easy time controlling money. Your ability to retain information grows. This is all possible because you are choosing the way you communicate with yourself and the other players in your life. Imagine a life where you control your emotional reactions to the obstacles you encounter on your path to success. See yourself as an individual who can consider the effects your reactions have on others. Hear your own thoughts as they become useful to your goals. You can have all of this and more. All you must do is master the techniques in this book. Even more exciting news awaits you. With the techniques you learn, you can enable others to reach their dreams and goals in a more effective manner. It's easy to remember times in your life when you wanted other people to simply do what you have asked them to do. What if you knew exactly how to talk and act to get others to take action? The more you understand "mind control," the easier your interactions with other people become. As you remember each technique in this book, you will enjoy Dr. Horton's unique take on the material and his passion for life itself. Most of us want life to be simple, easy and favorable. As a kid, we hear all the good stories with happy endings from our grandparents. Turning into an adult, as we enter the real life situations, we start realizing that it's not that simple. Stress, anxiety, sleeplessness, emotional disturbances and lack of self-discipline start taking control over our lives. Amidst all of these, where to find happiness? This book will pull us out of this rut and helps us to be ourselves again. It releases all the extra weight we might have picked up by shifting our attitude towards life in a blithe and fun-way. Sneh Desai has proven this by touching two million lives in the last two decades through his live seminars, books and DVDs. This is a fitness book for the mind. This book is not just a theory or philosophy, because the author firmly believes that "Talk is Cheap" and actions are powerful. It practically guides you step-by-step in transforming your life. No matter what you have or don't have, no matter where you stand right now, the most important thing that matters is the path you choose NOW. Change requires a decision, remember the past does not equal the future. Take control of your LIFE NOW... and trust me it's SIMPLE!

"Ujian bisa datang secara tiba-tiba. Perjalanan hidup ini tidak selamanya mulus, ujian yang datang silih berganti bisa membuat kita jatuh terpuruk. Buku ini berisi pengalaman saya saat mencapai prestasi yang dimimpikan setelah sepuluh tahun bekerja. Tiba-tiba saya mendapat ujian serangan epilepsi yang membuat saya terpuruk. Ditemani istri yang setia memotivasi, saya bisa bangkit kembali dan kini sebagai owner perusahaan konsultasi, pelatihan di bidang Neuro Linguistic Programming (NLP) dan Trainer NLP bersertifikasi internasional. Prestasi saya semasa SD biasa saja dan langganan nilai 5 untuk pelajaran matematika. Namun, saya memiliki keinginan, motivasi tinggi hingga bisa kuliah di Akademi Kimia Analisis, menjadi mahasiswa terbaik. Lalu diterima bekerja di salah satu perusahaan minuman ternama sebagai karyawan kontrak di posisi teknisi laboratorium. Prestasi selama bekerja bisa membuat posisi di perusahaan itu naik sedikit demi sedikit. Di usia belum genap 30 tahun, saya meraih impian sebagai manajer Quality Assurance (QA), manajer termuda di perusahaan tersebut. Saat merasakan kebahagiaan meraih impian dan merancang impian selanjutnya tiba-tiba mendapat ujian itu datang. Kondisi fisik yang semakin memburuk menyebabkan saya kehilangan motivasi. Pekerjaan kantor yang sebelumnya berjalan lancar kini mulai keteteran, saya sering tidak masuk kerja dan cuti sakit selama tiga bulan. Dengan sisa-sisa kekuatan mencari solusi untuk bangkit dari keterpurukan, mulai dari konsultasi ke dokter, pemberian obat secara rutin, konseling hingga mengikuti seminar motivasi, terapi motivasi mandiri sehingga bisa kembali membangkitkan kekuatan motivasi yang telah lama terkubur. Dari pengalaman menangani epilepsi dan mengikuti seminar internasional tentang pemberdayaan pikiran, kini saya menjadi instruktur terapis, trainer bersertifikasi internasional di bidang pemberdayaan pikiran bawah sadar, Neuro Linguistic Programming (NLP). Menjadi motivator yang memberikan motivasi, pelatihan dari satu tempat ke tempat lain."

I believe that "All Change Happens from the Inside Out". We are all powerful, creative beings and we have everything it takes inside ourselves to improve anything in our lives from relationships, money and life style to physical, spiritual and emotional health and well-being. This is a concept that I have learned and lived through out my life. Stories are universal. We all love hearing stories. The stories within this book are experiences that have literally transformed my life. As I have told these stories to others their lives have also been transformed. They are short and compelling stories that leave you wanting to read more because they create a shift in your perception, opening your mind to consider new possibilities and opportunities. Here are some comments by those who have read this book. "This book is Moving, Profound and Life Changing! Sharon Muir is a consummate story teller whose words have the power to lift, restore and inspire. Her tales of human frailty, compassion, courage and deep wisdom are nothing short of alchemical. I laughed, I cried and ultimately I was transformed. It's amazing. Thank you Sharon for offering your precious self to the world." Dr Lin Morel Author, Speaker, Consulting, Life Coach. Marina Del Ray, California www.linmorel.com "I have never come across a book like this one. Sharon's stories are woven with deep spiritual lessons that stay with you. They reach your soul and literally help you shift how you think and feel. This is the kind of book you want to read in one sitting and then go back to over and over again when you need inspiration and understanding. I absolutely LOVE her magical stories and recommend this book to anyone who is interested in improving their life. BRAVO!" Marilyn Rodriguez, Transformational Expert www.femintuition.com "I loved reading this book. Sharon's voice is beautifully clear, honest, self-aware, compassionate, and compelling. By the end I was under her spell! I can affirm for myself that this book is literally a treasure. Anyone who reads it will benefit from it." Alice Lesnick Professor Villanova University "I felt like Sharon was sitting with me sharing her stories and coaching me with amazing, life changing lessons. I laughed, I cried and began to question the way I had been thinking. This is the most powerful coaching I have ever received from any book! The stories are still playing in my mind. This book is a gift to anyone who has ever wanted to grow and improve their life." Dr. Terri Levine, www.TerriLevine.com Bestselling author of "Coaching is For Everyone"

Hidup tanpa mengetahui tujuan yang mahu dicapai, adalah satu kehidupan yang sia-sia. Umur dan masa dibazirkan dengan begitu sahaja. Dan akhirnya, tanpa disedari kehidupan berlalu dengan begitu pantas dan kita hanya tinggal kenangan apabila kematian menjemput pulang. Justeru, kehidupan perlu diuruskan dengan betul. Mesti jelas dan sedar apakah tujuan diciptakan dan apakah matlamat yang mahu dicapai? Berita baiknya, jawapan bagi persoalan-persoalan ini telah pun tersedia. Naskhah ' 365 Hari Mencari Syurga ' disusun supaya ia dapat membantu menemui jawapan kepada persoalan- tersebut. Topik-topik yang disentuh semuanya berkaitan dengan kehidupan sebagai seorang mukmin. Tambah menarik, ia dibentangkan dengan gaya bahasa yang mudah difahami. Semoga kehadiran buku ini menjadi ' hadiah istimewa ' sebagai bekalan dan panduan dalam menguruskan kehidupan yang kian mencabar. Apa yang penting lakukanlah perubahan dalam hidup, ' bermujahadahlah ' , walaupun ia pahit tetapi syurga Allah itu manis.

PRAKATA Sebuah SMS dari seorang sahabat,, Asw tmn2, maaf ya klo agak random ^^ Sy Cuma punya feeling bakal mati muda dr dulu & makin menguat.. Itungannya entah bulan/tahun. Apapun respon/pikiran kalian dg sms ini, tlg maafkan salah2 sy ya. Maaf belum bs baik sbg teman/peran sy lainnya. Klo liat sy salah jg tlg jgn sungkan u/ngingettin, soalnya khawatir itu udh dekat kematian sy jd khwtr suul khatimah. Jzk, makasih, senang mengenal kalian^^ Saat saya menerima SMS tersebut, saya sedang asyik di depan laptop saya sendiri, asyik menghabiskan waktu untuk bermain game. Dan saya tercengang akan isi SMS tersebut, betapa sahabat saya senantiasa mawas diri untuk tersenyum menghadapi kematian yang PASTI akan dialaminya walau entah kapan itu. Mungkin saja ia didatangi kematian sedetik kemudian, semenit, sebulan, setahun kemudian, who knows? Tiada yang tahu semua itu.SMS-nya telah sukses menampar saya yang sedang berleha-leha di depan layar laptop saya. Saya kemudian termenung oleh semua itu. Jujur saja, pada hari di mana sahabat saya telah menyatakan kesiapan untuk menghadapi kematian itu saya merefleksikan hal tersebut pada diri saya sendiri. Saya sadar sepenuhnya bahwa saya sama sekali belum siap apabila nyawa saya diambil hari itu juga. Saya malu, games yang saya nikmati saat itu pun serasa menjadi hambar. Hingar bingar musik pun terburjur kaku di hadapan bayangan kematian yang terasa membelai pundak. Hingga saya berpikir, apa yang telah saya pribadi siapkan untuk menjamu sang tamu agung, yaitu kematian? Bermula dari keresahan seperti itulah akhirnya saya memutuskan untuk menuliskan bermacam tuang pikir saya tentang kematian dalam buku ini. Buku ini pun, khusus bagi saya pribadi, merupakan ajang bagi saya untuk merenungkan dan memaknai lebih dalam tentang makna kematian itu sendiri.Memang, sampai saat saya menulis 'prakata' ini, saya belum terlalu tahu apakah saya sudah siap atau tidak. Namun ini pun ajang pencarian sebuah makna kematian itu sendiri. Karena, entah mengapa, kuat keyakinan saya bahwa Allah menciptakan sesuatu dengan makna tersendiri yang sangat indah, termasuk kematian. Oleh sebab itu, tak berlebihan bila saya mengucapkan bahwa buku ini pun merupakan sebuah perjalanan tersendiri khususnya bagi saya selaku penulis. Saya sadari, saya hanyalah manusia yang memiliki cara pandang tersendiri, yang mungkin orang lain belum tentu menyetujui cara berpikir saya ini. Sehingga, bermacam masukan tentu akan sangat saya terima dengan senang hati. Saya pun mendedikasikan buku ini khusus kepada sahabat karib saya, Tanri.Bro, karena SMS-mulah buku ini terlahir.Semoga buku ini mampu terbit dan sampai di tanganmu dengan selamat sebelum ajal menjemputmu. Terlepas dari kelebihan dan kekurangan buku ini, saya sangat berharap buku ini menjadi salah satu buku favorit Anda. Senantiasa mampu menarik sejuta hikmah dan inspirasi di dalamnya. As a hypnotherapist and user of NLP, I found Dr. Horton's Primary Objective to be not only a gripping story, but one which brilliantly illustrates the concepts of Neurolinguistic Programming Psychology (NLP). The idea of wrapping the precepts of NLP around a suspenseful novel and illustrating the use of NLP in a "real world" scenario brings home an understanding of the concepts in a way that removes it from dry textbook teaching. In this book we get educated and entertained at the same time which anchors the techniques in our understanding. The Training Manual at the end of the book would be reason enough to buy the book. It is excellent in it's clarity and succinctness.

In this practical book you will find complete information on NLP3, Enneagram and Quantum Thinking. Quantum thinking is the most modern way to see the mind. NLP (Neuro Linguistic Programming) is a technique very diffused today for change and improvement of communication skills. NLP 3 is a further development of NLP toward quantum thinking, called NLP 3. NLP 3 is based on many experiments and also on integration of not verbal technology and powerful Enneagram concepts. Each technique explained has been practiced and tested hundreds of times with success. It is a very efficient way of thinking and operating, going well beyond the paths of mainstream NLP. This is as a new discipline based on recent research. Please, throw away all your past mental conditioning and open your mind to new frames of thinking: what you find here is the direct result of experience! Dr. Marco Paret is the founder and Director of the ISI-CNV International Institute for NLP (NeuroLinguistic Programming), Hypnosis, NCV (Non Verbal Communication), Leadership and Coaching. Dr. Paret is also a well-known NLP Master Trainer. Four works together are included in this book: BOOK 1: NLP 3 & QUANTUM FOR OUR LIFE BOOK 2: 18 LESSONS ON NLP3, ENNEAGRAM AND QUANTUM TOOLS FOR CREATING RAPPORT BOOK 3: KEYS AND SECRETS OF NON VERBAL COMMUNICATION AS DEVELOPED BY DR. Scarlett met David for the first time in September 2005 when David was on the brink of death. He had been in an unresponsive coma for nearly four weeks, on a ventilator for life support and in complete kidney failure due to a rare form of vasculitis. Scarlett spent 12 days doing energy healing with David. During that time, they had a Shared Near-Death Experience (SNDE) resulting in an unexplained medical recovery for David and an unexpected love story for them both. The story of two people who woke up to a world of love on the other side and were able to bring it back to earth-together-will inspire others to know that the transformative power of healing love exists and can be applied in everyday life.

Richard Bandler is known worldwide as the cofounder of neurolinguistic programming (NLP). Here, in what will be considered a classic, is Bandler at his best—the most accessible and engaging work yet, detailing his proven methods that have freed tens of thousands of people worldwide of their destructive habits, phobias, and fears. When conventional therapy and drugs fail, Richard Bandler delivers, often with miraculous results. Richard Bandler cocreated the field of NLP with John Grinder in the early 1970s. Since then, Bandler's work revolutionized the field of personal change; his models and methods have been widely adopted and used successfully in colleges and universities, therapists' offices, professional sports teams, and businesses across the globe. While many people have written books on NLP, much of what has been written is based on Bandler's ideas. Get The Life You Want shares 'the how' from Bandler himself, with remarkable insights into some of his greatest and most advanced work to date, including compelling true examples from client sessions. With more than thirty exercises that promise rapid relief from any problem or habit, plus a glossary of terms and a detailed index, this is a culmination of a lifetime of work written in a simple, engaging style that both clinicians and laypeople will find effective. Richard Bandler's books have sold more than half a million copies worldwide. Tens of thousands of people, many of them therapists, have studied Bandler's blend of hypnosis, linguistics, and positive thinking at colleges and NLP training centers in the United States, Europe, and Australia. He is the author of Using Your Brain—for a Change, Time for Change, Magic in Action, and The Structure of Magic. He coauthored Frogs into Princes, Persuasion Engineering, The Structure of Magic Volume II, and Patterns of the Hypnotic Techniques of Milton H. Erickson Volume I.

According to Ayurveda, the influence of Rajasic and Tamasic nature with Sattvic nature is the cause of disease. According to Homoeopathy, the disturbance in Vital force (Prana-Qi-Ei Vital-Cosmic Energy) is the cause of dis-ease and is influenced by the mind and external factors. Most severe disease may be produced by sufficient disturbance of the vital force through the imagination (mind) and also cured by the same means. According to Allopathy, Stress is the cause of majority of dis-eases (75 to 90%) that are psychosomatic in nature. As per the ancient and modern medicines, although the dis-ease is caused by psychological, biological and social factors, the major role plays in all these factors is mind and hence healing of emotions and stress, to emerge the hidden sattvic qualities in an individual, can benefit spiritually, mentally and physically. This healing which can be done instantly is explained in the book using simple Psychological and Hypnotherapeutic approaches and it can be used for healing self and others.

Imagine how different your life would be if you were free from your baggage, your limitations, and your pain? As a therapist, imagine having an effective tool to help your clients become free of depression, PTSD and anxiety within hours rather than years? In **Mental and Emotional Release**, Dr. Matt James introduces an incredible therapeutic process MER proven to be effective in treating everything from bedwetting to bulimia, PTSD to migraines within hours, not years. This is the type of result we all want for all of our patients. But frankly, before I started introducing MER to my patients, I rarely saw it and definitely didn't see it happening as quickly as this. Dr. Larry Momaya, psychiatrist Written in a language both professionals and non-professionals can understand, **Mental and Emotional Release** offers real life case studies, an overview of MER and its foundation, step by step scripts to follow, and clinical efficacy studies comparing MER to other therapies. Its straight-forward and targeted. Patients don't have to re-live any traumas from the past to resolve them, and they don't have to go into deep hypnotic trance. For 80-85% of my patients, MER gives tremendous relief from their symptoms in the very first session. Dr. Patrick Scott, psychologist

All kinds of people are secretly (or not so secretly) fascinated by the erotic possibilities of hypnosis. Many of us know that hypnosis doesn't really have the kind of mind-melting power we see in movies. Still, we can't help but get turned on at the thought of either controlling someone, or being controlled by someone, into doing things we've been told we shouldn't do ... but really, inside, kind of want to. In this book, Mark Wiseman (Wiseguy) will teach you how to put your partner into a hypnotic trance safely and effectively. Then the fun begins as you learn how to: Create or intensify arousal and desire Turn their entire body into an erogenous zone eager for your touch Get kinky with hypnotic bondage, flogging, or tickling Give them intense pleasure using his Five-Point Palm Exploding Orgasm technique and more! Whether you are new to hypnosis or have already learned the basics, Mind Play will give you the tools you need to become a skilled, responsible erotic hypnotist. This 2017 edition has been updated to reflect changes in community standards and resources.

Written by Tad James and Wyatt Woodsmall, Time Line Therapy and the Basis of Personality is a compelling study of the important elements that make up a person's core personality, and a detailed exploration of and introduction to how Time Line therapy works in practice. Utilizing discoveries made by Richard Bandler, Time Line Therapy and the Basis of Personality expands and updates our knowledge of how people actually store their memories, and sheds light on the effect that the system used for memory storage has on the individual. The authors contend that the concept of Time Line, or the notion of time that you have stored in your mind, shapes and structures your experience of the world, and consequently shapes your personality. Time Line therapy is therefore based on the premise that the client goes back to the first time they remember a particular problem, does change work utilizing Neuro Linguistic Programming (NLP) to eliminate irritating behaviors or issues and, if necessary, goes to subsequent times when their behavior or response was a problem, and undertakes further change work to resolve it. Written in an informative and engaging manner, Time Line Therapy and the Basis of Personality offers readers the opportunity to see how Time Line therapy works providing a clear description of how to elicit the Time Line, and sharing step-by-step methods to subsequently help the client to release a limiting decision or trauma, remove anxiety, or set a future goal. All of these key aspects are explained using clear language and easy-to-follow steps, and the authors' expert commentary is further complemented by examples, exercises and transcripts in order to help the reader transfer the theory into effective practice. In Section I, the authors explain the NLP Communication Model and share their in-depth analysis of the filters values, beliefs, attitudes, decisions, memories and meta programs which we subconsciously use as we process the world around us and which form the basis of our personalities. Section II provides a comprehensive description of the Time Line and how it works: laying down a theoretical basis for the technique before offering insight into its practice and application with a demonstrative transcript of Time Line elicitation and change work in order to illustrate the concepts explored. In Section III the authors move on to carefully survey simple and complex meta programs (and how they can be changed) before exploring the formation, evolution and changing of values in Section IV, which includes a helpful exercise that gives guidance on how to elicit values from the client. Exploring many interesting contexts and how personality can be positively changed to help people live happier lives, Time Line Therapy and the Basis of Personality is a worthy addition to any therapist's or NLP practitioner's library and is suitable reading for anyone interested in behavioral change. Sections include: Section I Introduction; Section II Time Line Therapy; Section III Meta Programs; Section IV Values. Time Line Therapy and the Basis of Personality was originally published in 1988 by Meta Publications.
