"He Walks with

There he finds out he
is about to transcend
the ages and risk his
life to prevent the
destruction of
mankind. Born into

of ancient man,
Draig lives a simple
pastoral existence in

he is flung on a
magical journey into
a forbidden new

Draconos, a dragon,
befriends the boy,
training him in the
art of warfare. From
this day forward, the
young boy finds
himself in awe at the

wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. “From the time Man first crawled upon this earth...we found him worthy to take his

rightful place among
the creatures that
walk upon the earth.
While hiding in the
shadows, we have
protected him. We
have nurtured him
all these many ages.
But now man grows
in great numbers and
makes war on
everything he sees.”

go? He is no longer
just a man.
