"A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con." – New York Times bestselling author, Alix E. Harrow #1 New York Times bestselling author Holly Black makes her stunning adult debut with *Book of Night*, a modern dark fantasy of betrayals, secret societies, and a dissolute thief of shadows, in the vein of Neil Gaiman and Erin Morgenstern. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie Hall. Now, she's trying to distance herself from past mistakes, but getting out isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that Charlie's shadowless, and possibly soulless, boyfriend has been hiding things from her. When a terrible figure from her past returns, Charlie descends into a maelstrom of murder and lies. Determined to survive, she's up against a cast of doppelgangers, mercurial billionaires, gloamists, and the people she loves best in the world—all trying to steal a secret that will give them vast and terrible power. They will find a home for Truman. But that's not all the vet tells Andy. Thanks to Truman's chip, it's discovered that the man wasn't Truman's owner at all . . . Truman's real owner has been murdered. It's now up to Andy – with help from his loyal sidekick Tara, Truman and the rest of the gang – to solve this case. —UppercaseYA I've never been a stranger to the darkness. But when darkness comes knocking and looks that good, who wouldn't invite him in? Draven is mysterious, evasive, and hot as sin. The only thing more infuriating than his silence is how obnoxious he is every time he does open his mouth. But when a group of strangers attacks me and he fights back—causing them to vanish into a cloud of black dust—I know Draven is more than he seems. Now I know the truth. There's a veil separating the world I know from a world of demons living all around us. Turns out, good and evil are just words. Some of the demons don't fall into either category. And I'm realizing just how easily I fit in among the ancient warlocks, the divine soldiers, and the twisted supernaturals... There's so much more to me and my past that I don't know—let alone what I am truly capable of. So when all signs point to me having the ability to unleash Hell on earth? Growing Up in the Holocaust

Gl Sg Auto/Ms Jane Pitman

A collection of stories explores a wide variety of narrative approaches, including stories within stories, while also examining the playful power of language in everyday life.

Three works deal with a concentration camp survivor, a hostage holder in Palestine, and a recovering accident victim.

What is death all about? What is life all about? So wonders thirteen-year-old Elli Friedmann as she fights for her life in a Nazi concentration camp. A remarkable memoir, *I Have Lived a Thousand Years* is a story of cruelty and suffering, but at the same time a story of hope, faith, perseverance, and love. It wasn't long ago that Elli led a normal life that included family, friends, school, and thoughts about boys. A life in which Elli could lie and daydream for hours that she was a beautiful and elegant celebrated poet. But these adolescent daydreams quickly darken in March 1944, when the Nazis invade Hungary. First Elli can no longer attend school, have possessions, or talk to her neighbors. Then she and her family are forced to leave their house behind to move into a crowded ghetto, where privacy becomes a luxury of the past and food becomes a scarcity. Her strong will and faith allow Elli to manage and adjust, but what she doesn't know is that this is only the beginning. The worst is yet to come...

For Zack Thomson, living in the Nicholls Ward isn't so bad. After his parents died, he developed strange and severe allergies, and the mental institution was the only place where he could be properly looked after. As strange as it was, it was home. He could watch as much television as he wanted; his best friend Charlie visited him often enough; and Nurse Ophelia--the prettiest no-nonsense nurse ever--sometimes took him bowling. Of course, that didn't mean he had it easy. His allergies restricted his diet to strawberry smoothies, and being the only kid at the hospital could get lonely. But it never once crossed Zack's mind to leave...until the night someone crashed through the front doors and told him to run. Now he's on a race for answers--about his past, his parents, and his strange sickness--even as every step takes him closer to the darkest of truths.

"In 1939," Julian Padowicz says, "I was a Polish Jew-hater. Under different circumstances my story might have been one of denouncing Jews to the Gestapo. As it happened, I was a Jew myself, and I was seven years old." Julian's mother was a Warsaw socialite who had no interest in child-rearing. She turned her son over completely to his governess, a good Catholic, named Kiki, whom he loved with all his heart. Kiki was deeply worried about Julian's immortal soul, explaining that he could go to Heaven only if he became a Catholic. When bombs began to fall on Warsaw, Julian's world crumbled. His beloved Kiki returned to her family in Lodz; Julian's stepfather joined the Polish army, and the grief-stricken boy was left with the mother whom he hardly knew. Resourceful and determined, his mother did whatever was necessary to provide for herself and her son: she brazenly cut into food lines and befriended Russian officers to get extra rations of food and fuel. But brought up by Kiki to distrust all things Jewish, Julian considered his mother's behavior un-Christian. In the winter of 1940, as conditions

worsened, Julian and his mother made a dramatic escape to Hungary on foot through the Carpathian mountains and Julian came to believe that even Jews could go to Heaven.
