

Nightmare Before Christmas Official 2018 Calendar Square Wall Format

The Cajun Night Before Christmas® has been a part of Louisiana’s holiday traditions since it was first published. Now, more than forty-five years later, a new generation is discovering the charm of Gaston® the Green-Nosed Alligator. First conceived by J.B. Kling, Jr. writing as ‘Troclair’, the CLIO award-winning sales jingle for the Bergeron Plymouth Company in New Orleans was based on the Clement Moore poem. The exclusive rights were purchased by Pelican Publishing Company and the illustrations of then fledgling artist James Rice brought the story to life. Beloved master storyteller Coleen Salley narrated the read-along CD. Radio personality and voice talent Tommy Joe Breaux became the voice behind the recordings at City Park and on the audio version of the adventures of Gaston®. The book also created what has become the largest segment at Pelican Publishing—;the children’s book division. With the passing of publisher Dr. Milburn Calhoun and his wife Nancy Calhoun, illustrator James Rice, and the loss of Colleen Salley, the people behind the creation of the story are mostly gone. What remains is a long legacy of delight. Each year at the Celebration in the Oaks light show featuring the classic cabin from the story, dedicated staff from Pelican Publishing collect memories of attendees as they flow through the premiere preview parties. From now grown children who remember it as the first Louisiana tale they ever heard to young parents who laugh about a non-Louisiana spouse reading it to their children in full-blown Cajun accent, the book is universally loved and remembered. Teachers talk about how they use it in the classroom, business people mention they send it to out of state clients, and children laugh as they try to mimic the dialect that has all but disappeared from everyday life. The classic tale has been interpreted in gingerbread houses in competitions as far away as California and in cakes at the Edible Book competition at NOMA in New Orleans. For years, the miniature book ornaments have appeared on Christmas trees across the country as a reminder of a faraway Louisiana home. Even the New York Times praised the lilt, the humor, and the rough-hewn drawings of the Cajun tale. At Pelican Publishing, a huge portrait of Gaston® and his bearded friend hangs in the boardroom watching over each new author and illustrator that joins the family.

Tim Burton’s The Nightmare Before Christmas was crafted as a piece of art: a visual masterpiece that blended together the genius of Tim Burton’s simple story and endearing characters with Danny Elfman’s eclectic music; Henry Selick’s stop-motion brilliance; Caroline Thompson’s heartfelt script; and the painstaking efforts of hundreds of artists, animators, and technicians-all wrapped in a world that only Burton could conjure up. Paired with stunning and never-before-released art and photography, this book transports readers into a one-of-a-kind, retrospective journey detailing how Nightmare was thoughtfully crafted and all the ways in which the fan community worldwide has embraced the film ever since. And what’s this? This beautiful volume includes a 3D photograph by Tim Burton and a pair of 3D glasses!

Fifteen challenging sticker puzzles featuring favorite moments and characters from The Nightmare Before Christmas await on these pages! Puzzle your way through spooky scenes from Tim Burton’s iconic film with The Nightmare Before Christmas Sticker Art Puzzles! Each of the fifteen delightfully frightful puzzles in this book features full-color art of your favorite characters and moments from the beloved double-holiday film. To solve a puzzle, you’ll need to fit more than 100 sticker shapes into a tessellated grid. When you’re done, you’ll have a glossy art poster to frame and hang on your wall. In the spirit of the haunting holiday, this book features a glow-in-the-dark cover, plus a bonus glow-in-the-dark puzzle of Oogie Boogie inside! Ideal for fans of the movie and puzzle enthusiasts alike, this book will provide hours of enjoyment as you complete each scene.

Get your goth on with 60+ recipes from Beetle House restaurant, where “every day is Halloween” and guests indulge in a deadly delicious menu inspired by the works of Tim Burton and all things dark and lovely. If you delight in ghoulish frights and movies like The Nightmare Before Christmas, Beetlejuice, and The Evil Dead; then you’ll love the official cookbook of Beetle House, the Halloween-inspired restaurant with locations in New York and Los Angeles. The Nightmare Before Dinner features more than 60 gothically delicious recipes from chef-owner Zach Neil. Indulge in the Edward Burger Hands, a juicy burger with a Sriracha cream sauce, stuffed with smoked bacon, fried egg, pepper jack cheese, and avocado. You’ll also learn to make an array of spooky craft cocktails, from the Coco Skellington to the Beetle’s Juice. Plus if you’re vegan or vegetarian, The Nightmare Before Dinner has your spooky side covered, too—it offers a vegan alternative or ingredient swap for each and every recipe in the book! Throw your own goth-themed party! A bonus section provides inspiration for table settings, decorations, and foods to serve at your holiday or screening party. This is the perfect cookbook for the Tim Burton movie buff, Halloween enthusiast, or goth in your life.

101 Dalmatians Read-Along Storybook and CD

P/V/G

Celebrate 20 years of nightmares with this picturebook version of the classic film, written and drawn by Tim Burton and now featuring word-for-word narration by Christopher Lee! In this beloved picture book that could only come from the visionary mind of author and illustrator TIM BURTON, we meet Jack Skellington-- a well-intentioned inhabitant of Halloweenland. Jack is bored of ''''the scaring, the terror, the fright...tired of being something that goes bump in the night!'''''. And so, in an effort to bring to joy to his town, Jack kidnaps Santa and takes his place as the jolly old elf. But instead of bringing joy to the world Jack, who is a little more than a grinning skeleton, brings fear by delivering creepy toys and riding a sleigh carried by skeletal reindeer. Only through a number of things going horribly wrong does Jack learn the true meaning of Christmas.

When Jack Skellington's faithful pet Zero gets lost, the ghost pup must get the help of the residents of Christmas Town to find his way back. With Halloween plans on hold while Jack mounts a search, will they be reunited in time to save both holidays? Explore the magical realms of Halloween Town and Christmas Town through the eyes of Zero as he tries to find his way home in an unfamiliar world. This graphic novel includes the FCBD issue #0 plus #1-4 as well as extra bonus material!

Tim Burton's classic film The Nightmare Before Christmas-retold for the first time as a Little Golden Book! Jack Skellington is the King of Halloween Town... but after so many years of the same spooky thing, he's become bored of scaring. When Jack accidentally discovers Christmas Town, he hatches a crazy scheme to take over a new holiday for the year. But can the master of monstrous scares spread Christmas cheer like jolly old Saint Nick? And what will Halloween Town's power-hungry Oogie Boogie do when he discovers Jack's plan? Tim Burton's classic film The Nightmare Before Christmas has enthralled audiences young and old for over 25 years with its catchy songs, quirky animation, and relatable theme of self-acceptance. For the first time, readers can experience it in the classic Little Golden Book format, perfect for Disney fans ages 2 to 5 and Little Golden Book collectors of all ages to celebrate Halloween and Christmas!

Just in time for the 25th anniversary, relive the action of Tim Burton's The Nightmare Before Christmas with this Book and CD, featuring narration and sound effects!

Tim Burton's The Nightmare Before Christmas: The Visual Companion

What happens when two holidays collide? Thirteen days of frighteningly festive fun! Count down the days to see Jack, Sally, and their Halloween Town friends put a spooky spin on Christmas traditions! Jack Skellington is here from Halloween Town. You'll notice his handiwork scattered around. This year, he's decided to play Sandy Claws. But when Halloween creates Christmas . . . you might see a few flaws. From the minds of Tim Burton, Disney Imagineers, and acclaimed artist Jerrod Maruyama comes a picture book celebrating the classic animated film and the Disneyland ride it inspired. Renowned Imagineers Steven Davison and Carolyn Gardner's text turns turtle doves and French hens into floating candles and true-love potions, accompanied by beloved Burton characters painted in a new art style that will appeal to fans of all ages. Adorably spooky and frightfully festive, this tale will get fans of all ages into the holiday spirit!

Pongo, Perdita, and their puppies embark on the adventure of a lifetime! Follow along as the Dalmatians escape the clutches of the evil Cruella De Vil and her henchmen. Real character voices and spectacular sound effects add to the fun in this adorable storybook.

When a clumsy mistake leads to Zero going missing, Jack Skellington mounts a search while Zero traverses the unfamiliar world of Christmas Town.

Lost in Christmas Town and surrounded by delicious baked treats and tasty snacks, poor Zero's hunger got the better of him and he ended up biting off more than he could chew. Now he's trapped with the grumpy Mr. Myzer, the only person in town who hates Christmas! He must have a good reason to be so melancholy with so much joy and delight around him, but what could it be? Back in Halloween Town, Jack is so worried about his best friend that he reluctantly sends Lock, Shock, and Barrel on a mission to get him back. Surely this time they'll take the job seriously and won't let shenanigans and tomfoolery distract them from bringing Zero straight home. ...right?

Before 1910 the American chestnut was one of the most common trees in the eastern United States. Although historical evidence suggests the natural distribution of the American chestnut extended across more than four hundred thousand square miles of territory,an area stretching from eastern Maine to southeast Louisiana,stands of the trees could also be found in parts of Wisconsin, Michigan, Washington State, and Oregon. An important natural resource, chestnut wood was preferred for woodworking, fencing, and building construction, as it was rot resistant and straight grained. The hearty and delicious nuts also fed wildlife, people, and livestock. Ironically, the tree that most piqued the emotions of nineteenth- and early twentieth-century Americans has virtually disappeared from the eastern United States. After a blight fungus was introduced into the United States during the late nineteenth century, the American chestnut became functionally extinct. Although the virtual eradication of the species caused one of the greatest ecological catastrophes since the last ice age, considerable folklore about the American chestnut remains. Some of the tree's history dates to the very founding of our country, making the story of the American chestnut an integral part of American cultural and environmental history. The American Chestnut tells the story of the American chestnut from Native American prehistory through the Civil War and the Great Depression. Davis documents the tree's impact on nineteenth-and early twentieth-century American life, including the decorative and culinary arts. While he pays much attention to the importation of chestnut blight and the tree's decline as a dominant species, the author also evaluates efforts to restore the American chestnut to its former place in the eastern deciduous forest, including modern attempts to genetically modify the species.

When Jack Skellington's faithful pet Zero gets lost, the ghost pup must get the help of the residents of Christmas Town to find his way back. With Halloween plans on hold while Jack mounts a search, will they be reunited in time to save both holidays? Set in the wonderful world of The Nightmare Before Christmas as created by Tim Burton, explore the magical realms of Halloween Town and Christmas Town through the eyes of Zero as he tries to find his way home in an unfamiliar world.

If there's one thing the nation can agree on--we all love Betty White! This spirited homage to Betty captures her unique humor, timeless wisdom, and impish irreverence that's made her one of America's longest lasting and most beloved stars. An unparalleled American icon, Betty White started show business in 1939 in radio and was a pioneer in the early days of TV. Over eight decades, she's appeared on countless sitcoms, game shows, and talk shows, including the iconic comedy hits The Mary Tyler Moore Show and The Golden Girls. Her accolades over the years include two Emmy nominations, a Grammy, and induction into the Television Academy Hall of Fame, while she had her best decade yet as a nonagenarian: becoming the oldest person to host SNL, starring in a Super Bowl ad, and winning praise with her popular supporting role in Hot in Cleveland. Through it all, her "don't take yourself too seriously" attitude appeals to legions of fans, spanning all generations. How to Be Golden recounts her engaging life story while weaving in her words of wisdom and insight about love, friendship, work, family, sex, acting, aging, beauty, and more.

All hail the Pumpkin King! When it comes to Halloween, Jack Skellington has no rival. But when he stumbles upon Christmastown and decides to replace Sandy Claws, he gives the world "Claus" for alarm. With the help of the resourceful rag doll Sally and the trick-or-treating troublemakers Lock, Shock, and Barrel, the Pumpkin King soon discovers that there's no place like home. This seriously spooky graphic-novel adaptation of Tim Burton's The Nightmare Before Christmas brings together two traditional holidays in a twisted, inspired adventure.

A Disney Read-Along Read by Christopher Lee

A Petrifying Pop-Up for the Holidays

Digital technology opens up extraordinary fields for applications that will deeply change the nature of jobs and trade, the very concept of work and the expectations of user-producers. The “masters of algorithms” have disrupted production and services, and this trend will continue for as long as electric energy and the elements of industry 4.0 are in continued development. Beyond data control, a power struggle is working its way through the links in the value chain: intermediation, control of resources and command over human and physical networks, as well as partnerships, creativity and the political system. Industry 4.0: Paradoxes and Conflicts examines the need for a serious and technological review, as well as for research and training regarding citizenship and politics. This is a new situation in terms of relationships of competence and authority, which must be the subject of scientific as well as political reflections for the whole social body, which needs to be educated about choices. Throughout the book, the author poses the following question: instead of submitting to choices, would it not be better to exercise foresight?

“Over 50 recipes & 4 parties filled with ghoulish delights”--Cover.

This book addresses Disney parks using performance theory. Few to no scholars have done this to date—an enormous oversight given the Disney parks’ similarities to immersive theatre, interpolation of guests, and dramaturgical construction of attractions. Most scholars and critics deny agency to the tourist in their engagement with the Disney theme park experience. The vast body of research and journalism on the Disney “Imagineers”—the designers and storytellers who construct the park experience—leads to the misconception that these exceptional artists puppeteer every aspect of the guest’s experience. Contrary to this assumption, Disney park guests find a range of possible reading strategies when they enter the space. Certainly Disney presents a primary reading, but generations of critical theory have established the variety of reading strategies that interpreters can employ to read against the text. This volume of twelve essays re-centers the park experience around its protagonist: the tourist.

Experience Tim Burton's iconic film like never before with this nightmarish pop-up of monstrous proportions! When Jack Skellington's faithful pet Zero gets lost, the ghost pup must get the help of the residents of Christmas Town to find his way back. With Halloween plans on hold while Jack mounts a search, will they be reunited in time to save both holidays?

Controversial yet beloved among audiences, Christmas-themed horror movies emerged in the early 1970s and gained a notorious reputation with Silent Night, Deadly Night (1984), depicting Santa as an ax-wielding maniac. Some parents and conservative groups condemned the film, while others embraced the portrayal of Yuletide as a backdrop for fear and dread. Drawing on interviews with directors, producers, special effects artists, photographers and actors, this book celebrates the sordid, colorful history of the Christmas horror subgenre. Psycho Santa films such as Christmas Evil (1980) and 3615 code Pere Noel (1989) are examined, along with "Yule-Die" slashers like The Dorm that Dripped Blood (1982), Black Christmas (1974) and Silent Night, Bloody Night (1972). Commercial successes like Gremlins (1984) and Rare Exports: A Christmas Tale (2010) are covered, as well as more recent releases such as Better Watch Out (2016), Red Christmas (2016) and Deathember (2019). Rare photographs, promotional materials and an annotated filmography are provided.

How to Be Golden

What's This?: An Inktober Project

Halloween and Christmas and emojis collide in this merry misadventure! Have a spooky celebration with emoji-fied versions of Jack Skellington, Sally, and more in this cinestory comic retelling of the delightfully dark Tim Burton's The Nightmare Before Christmas: As Told by Emoji.

It's December 23, and Christmas is just around the corner. But one family is having trouble getting its act together. Once again, Natasha Wing follows the rhythms and meter of Clement Moore's classic Christmas poem, yet gives it her own entirely original twist.

Prepare to be shocked. From the man The Wall Street Journal hailed as a "Swiftean satirist" comes the most shocking book ever written! The Borowitz Report: The Big Book of Shockers, by award-winning fake journalist Andy Borowitz, contains page after page of "news stories" too hot, too controversial, too -- yes, shocking -- for the mainstream press to handle. Sample the groundbreaking reporting from the news organization whose motto is "Give us thirty minutes -- we'll waste it."

Jack Skellington, the Pumpkin King of Halloween Town, is bored with doing the same thing every Halloween. One day he stumbles into Christmas Town, and is so intrigued that he enlists the residents of Halloween Town to help him put on Christmas instead of Halloween. But will they be able to get it right? To find out, follow along with this storybook, featuring spooky sound effects and word-for-word narration!

Disney Manga: Tim Burton's The Nightmare Before Christmas -- Zero's Journey Issue #05

Every year during the Christmas season, holiday themed poems are read aloud or enjoyed silently to help usher in that special time of year. It may be a family tradition passed down from one generation to another or a new one just starting. In this beautifully bound book assembled by The Old Mill Press, readers of all ages will find a delightful collections of Christmas poems to enjoy throughout the season.

Some of the poems are familiar classics like A Visit from St. Nicholas, better known as 'Twas the Night Before Christmas, by Clement Clarke Moore and The Road Not Taken, by Robert Frost to lesser known but poignant poems like Wartime Christmas by Joyce Kilmer and the lovely A Nativity By Rudyard Kipling. Poetry is an art-form that has many facets. It is the beauty of words that express feelings, emotions and thoughts through carefully selected words. One poet called a poem "a thought, caught in the act of dawning." Another said a poem is a means of bringing the wind in the grasses into the house. Still another stated, even more simply: "Poetry is a pheasant disappearing in the brush." If you ask many different people what poetry is you'll get many different answers. That's because poetry affects each of us differently with its focus on words, how they sound, the textures, verse patterns, word choice and interpretations. All of that creates a verbal music--a rhythm, a cadence, a beat--that creates an emotional response in each of us, deep within our soul. A Treasury of Christmas Poems is sure to delight and evoke the warm emotions associated with the holiday season.

Welcome to Halloween Town, where vampires, witches, and goblins rule the never-ending night! One Halloween, something befalls the almighty Pumpkin King. Beyond the tricks and scares, an emptiness begins to grow within Jack Skellington. He finds himself far from home, in a land where people smile, laugh, and sing with glee, and he feels that this Christmas Town could be the answer to his melancholy. Everyone is in for a surprise as Jack tries to unlock the secret of Christmas, take over the holiday, and kidnaps Santa Claus! Meanwhile, Sally, a compassionate rag doll, has a vision--a horrible end is near if Jack succeeds in ruling Christmas. Torn between her love for Jack and saving both towns, she must prevent her vision from coming true. As Jack assumes his role as "Sandy Claws," he discovers where he truly belongs. . . . But is it too late?
