In the conventional dichotomy of chaste, pure Madonna and libidinous whore, the former has usually been viewed as the ideal form of femininity. However, there is a modern

Download Ebook Nightside Of Eden Kenneth Grant

religious movement in which the negative stereotype of the harlot is inverted and exalted. The Eloquent Blood focuses on the changing construction of femininity

Download Ebook Nightside Of Eden Kenneth Grant

and feminine sexuality in interpretations of the goddess Babalon. A central deity in Thelema, the religion founded by the notorious British occultist Aleister Crowley

Download Ebook Nightside Of Eden Kenneth Grant

(1875-1947), Babalon is based on Crowley's favorable reinterpretation of the biblical Whore of Babylon, and is associated with liberated female sexuality and the

Download Ebook Nightside Of Eden Kenneth Grant

spiritual ideal of passionate union with existence. Analyzing historical and contemporary written sources, qualitative interviews, and

Download Ebook Nightside Of Eden Kenneth Grant

ethnographic fieldwork in the Anglo-American esoteric milieu, the study traces interpretations of Babalon from the works of Crowley and some of his key disciples--including

Download Ebook Nightside Of Eden Kenneth Grant

the rocket scientist John "Jack" Whiteside Parsons, and the enigmatic British occultist Kenneth Grant--until the present. From the 1990s onwards, this study shows, female

Download Ebook Nightside Of Eden Kenneth Grant

and LGBTQ esotericists have challenged historical interpretations of Babalon, drawing on feminist and queer thought and conceptualizing femininity in new ways.

Tracing the trajectory of a particular gendered symbol from the fin-de-siècle until today, Manon Hedenborg White explores the changing role of women in Western esotericism,

and shows how evolving constructions of gender have shaped the development of esotericism. Combining research on historical and contemporary Western

Download Ebook Nightside Of Eden Kenneth Grant

esotericism with feminist and queer theory, the book sheds new light on the ways in which esoteric movements and systems of thought have developed over time in relation to

political movements.

is always with us. It's so much older than the Dayside. Before the light began to shine, the night was there. Some assume that we are dealing with a simple polarity. On one hand the radiant world of colours and forms, more or less thinkable, reasonable and meaningful. Like the pretty picture of

symmetrical. But when you reach the Nightside it doesn't work like that. The Nightside is not simply a reflection of the dayside with a few confusing and spooky bits thrown in. The Dayside is a tiny island of experience in a huge ocean, the Nightside, full of currents, island chains and continents of the

Download Ebook Nightside Of Eden Kenneth Grant

western forms of mysticism as a general classification among certain schools. Given the popularity of such forms of spirituality today it makes sense for a series like this to emphasize the uniformity and

Download Ebook Nightside Of Eden Kenneth Grant

universal value of differing cultural spiritual modalities, including religious vogues as seen in the endless vicissitudes of mainstream churches and religions. Many in the west seek mystical

Download Ebook Nightside Of Eden Kenneth Grant

release, ecstatic practical spirituality without abandoning their familiar western culture. Esotericism and the western mystery tradition has suffered arguably more liminality than many

eastern schools. Whilst alchemy developed in Arabic culture however, and Kabbalah in the Hebrew, Christianity throughout much of its existence has struggled with its own mystical core. This

Download Ebook Nightside Of Eden Kenneth Grant

series then brings back to the light from the darkness the esoteric magic, paganism & alchemy of the western mystery tradition for anyone called to this difficult path of human transformation. - #777

As well as stories and superstitions, the oral traditions of plant folklore contain spells, recipes, taboos and spirit-attributions, as well as admonitions about the

specific magical powers of herbs. A good deal of this lore relates to witchcraft: how a plant might protect one from witches or other users of malefic magic, or how it may have been used for cursing,

conjuring spirits, or bringing dreams. The Witch's Cabinet contains thirteen essays on the witchcraft attributes of plants, discussing how their powers were regarded historically, or used in operations of sorcery.

both magic and art, Austin Osman Spare developed a unique synthesis of older ritual magic systems with post-modern, erotic, and surrealist themes. His theory of magic eschews complex formula and

ritual to favor creativity, spontaneity, and ecstasy, embracing artistic expression and alternative sexualities. Collected here are some of Spare's most important works. Though dense and esoteric,

these texts bear repeated study by the serious occultist, for they speak to the human drives that make real magic possible.
