Each "Missing In Action (M.I.A.) Angel" assignment is to be with someone who is willing to give their life in combat to protect or save others. Some just need that additional bit of help to survive, while others need the presence of an "M.I.A. Angel" as they approach death. It's not easy being an "M.I.A. Angel" although it is many times rewarding. The downside it that sometimes there is nothing that can be done to help, other than the assignment knowing that an angel is with them when they die.

Managing Complex Mergers

Between Contention and Connection

This open access book investigates the transnationally connected history of Arab Christian communities in Palestine during the British Mandate (1918-1948) through the lens of the birth of cultural diplomacy. Relying predominantly on unpublished sources, it examines the relationship between European cultural agendas and local identity formation processes and discusses the social and religious transformations of Arab Christian communities in Palestine via cultural lenses from an entangled perspective. The 17 chapters reflect diverse research interests, from case studies of individual archives to chapters that question the concept of cultural diplomacy more generally. They illustrate the diversity of scholarship that enables a broad-based view of how cultural diplomacy functioned during the interwar period, but also the ways in which its meanings have changed. The book considers British Mandate Palestine as an internationalised node within a transnational framework to understand how the complexity of cultural interactions and agencies engaged to produce new modes of modernity. Kar è ne Sanchez Summerer is Associate Professor at Leiden University, The Netherlands. Her research considers the European linguistic and cultural policies and the Arab communities (1860-1948) in Palestine. She is the PI of the research project (2017-2022), 'CrossRoads: European Cultural Diplomacy and Arab Christians in Palestine (1918-1948)' (project funded by The Netherlands National Research Agency, NWO). She is the co-editor of the series 'Languages and Culture in History' with W. Frijhoff, Amsterdam University Press. She is part of the College of Experts: ESF European Science Foundation (2018-2021). DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.
