DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads naturally to an emphasis on worship in the study. Present throughout the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the promise and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differ from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

Lots of people think Doug Hanson is a freak -- he gets beat up after school, and the girl of his dreams calls him a worm. Doug's only refuge is creating an elaborate bridge for the model railroad in his basement and hanging out with his best friend, Andy Morrow, a popular football star who could date any girl in school. Doug and Andy talk about everything -- except what happened at the Tuttle place a few years back. It does not matter to Andy that we live in completely different realities. I'm Andy's best friend. It does not matter to Andy that we hardly ever actually do anything together. As Doug retreats deeper and deeper into his own reality, long-buried secrets threaten to destroy both Doug and Andy -- and everything else in Doug's fragile world.

Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

Once upon a time, a nobody met a prince. Then she met his best friend, a second prince. Then she learned they like to share, and that's when things got interesting. That's when things got downright scandalous. My life has never been a fairytale. Absent parents, a grandmother gone too soon, and a job working the kitchens for the most heinous b**ch in the Kingdom of Bandiff. But that's before I sneak into the hottest royal ball on the planet. That's before I waltz right into them. The McDermott Princes. Princes, plural. There's two of them - both gorgeous beyond belief, alpha as hell, and more tempting than sin. Both with their eyes on me and both with that look that says that I'm theirs. Two princes, one baker. This might sound like too many cooks in the kitchen, but they say they like to share. They say they'll tear their whole kingdom down to make me theirs. They say they want to make me their Queen. Pretty soon, breaking into a royal ball is the least of my problems. This is a disaster waiting to happen. It's filthy, and oh-so-wrong. It's a royal scandal of epic proportions, and I'm right in the middle of it.... I'm right in the middle of them. Maybe this is a fairytale after all. Ever heard of the cook who found a crown? How about two crowns? Two big, dominant, mouthwatering, pulse-quickenning crowns. I've never found a happy ever after. Now, I think I'm about to find two of them. This is a standalone story. The books in the Royally Screwed series can be read in any order. Steamy as all get-out, ridiculously over the top, and more growly alpha yumminess than you can shake a tiara at. Seriously - reality got left at the door with this one. But something tells me, you're going to love it ;). Get ready to have your cake and eat it two too! This mfm romance is all about her - no m/m. As with all my books, this standalone novella is safe, with no cheating, and a HEA guaranteed.

Joining insights from social science and philosophy, this book offers a nuanced view on the discourse of evil, which has been on the rise in the West in recent years. Exploring the famous 'Pear Theft' episode in St Augustine's Confessions, it looks beyond the theological implications of the event to focus instead on the secular insights that it offers when the event is placed in the context of social thought. With attention to Augustine's lengthy reflections on a seemingly marginal episode, the author contends that it is possible to discern the elements of a convincing account of intentional evil action, the Pear Theft representing a case of joint radical improvisation that lacks collective deliberation. As such, a new perspective emerges on familiar and more intuitive forms of evil in joint action that involve group identification and institutional action. Evil in Joint Action will appeal to scholars of sociology, social theory and philosophy with interests in ethics, collective action and concepts of evil.

Voice over IP (VoIP) is a methodology and group of technologies for the delivery of voice communications and multimedia sessions over Internet Protocol (IP) networks, such as the Internet. Other terms commonly associated with VoIP are IP telephony, Internet telephony, broadband telephony, and broadband phone service. VoIP is undoubtedly a powerful and innovative communication tool for everyone, voice communication over the Internet is inherently less reliable than the public switched telephone network, because the Internet functions as a best-effort network without Quality of Service guarantee and voice data cannot be retransmitted. Because of the bandwidth efficiency and low costs that VoIP technology can provide, businesses are migrating from traditional copper-wire telephone systems to VoIP systems to reduce their monthly phone costs. VoIP Technologies introduces research strategies that address various issues with the aim of enhancing VoIP quality. VoIP solutions aimed at businesses have evolved into unified communications services that treat all communicationsphone calls, faxes, voice mail, e-mail, Web conferences, and more--as discrete units that can all be delivered via any means and to any handset, including cellphones. VoIP allows both voice and data communications to be run over a single network, which can significantly reduce infrastructure cost. We hope that you will enjoy reading these diverse studies. This book will provide a lot of useful information about current VoIP technology research aimed at practitioners and researchers as well as advanced graduate students.

Neoliberal globalization is in deep crisis. This crisis is manifested on a global scale and embodies a number of fundamental contradictions, a central one of which is the global rise of authoritarianism and fascism. This emergent form of authoritarianism is a right-wing reaction to the problems generated by globalization supported and funded by some of the largest and most powerful corporations in their assault against social movements on the left to prevent the emergence of socialism against global capitalism. As the crisis of neoliberal global capitalism unfolds, and as we move to the brink of another economic crisis and the threat of war, global capitalism is once again resorting to authoritarianism and fascism to maintain its power. This book addresses this vital question in comparative-historical perspective and provides a series of case studies around the world that serve as a warning against the impending rise of fascism in the 21st century.
