

Nota Fikir Untuk Zikir Pahrol Mohamad Juoi

Setiap penyakit ada ubatnya, setiap masalah ada penyelesaiannya. Buku ini menyediakan jawapan untuk persoalan seharian rumah tangga. Ia adalah catatan bicara rasa penulis berkaitan dengan hubungan suami isteri dan kerukunan sebuah rumah tangga. Bagi yang bakal dan telah berkahwin buku memberikan panduan menyemarakkan lagi cinta dalam perkahwinan. Bagi yang bermasalah buku ini menunjuk jalan untuk membetulkan hala tuju rumah tangga.

Enid Blyton's timeless Family Adventures revived for a new generation.

The Ideal Muslimah This an incredibly sane book, which can help a woman (who is truly female), keep her head on straight and not get lost in a very dangerous game where she only stands to lose. Satan will try to convince women that they have the right to challenge the boundaries of their existence. This book more than anything can help a woman become a decent, loving, compassionate and honest person, which is a huge challenge for most people. This is an excellent book to not only have as a reference book, but to read many times. The book covers everything from the relationship to Allah (God), hospitality to Marriage and family.

Masalah-masalah yang kita hadapi kini sebenarnya adalah satu cubitan kasih daripada Allah untuk menginsafkan kita agar kembali ke pangkal jalan. Insya-Allah, Allah sekali-kali tidak akan mengecewakan kita. Cuma kitalah yang sering menzalimi dan mengecewakan diri kita sendiri. Menerima Islam untuk diamalkan dan diperjuangkan samalah seperti menjemput kedatangan rahmat, kekuatan, keamanan dan keindahan. Menerima Islam tidak akan merugikan, menyusahkan dan menjatuhkan kita. Bahkan dengan Islamlah darjat dan maruah kita akan ditinggikan. Justeru, buku ini ditulis untuk mereka, khususnya para peserta Modul Mukmin Profesional yang sering bertanya: • Mengapa kaedah yang sebegini unik tidak dibukukan? • Alangkah baik kalau modul ini ditulis. • Apakah cara saya boleh mengulang kaji bahan-bahan dalam modul ini? • Sudah sampai masanya modul yang berkesan ini dibukukan. Buku ini bukan sahaja relevan untuk dijadikan panduan untuk hidup selepas mati, tetapi ia juga relevan untuk hidup sebelum mati.

This diary began as Mum's New Year's resolution to get me to write. She told me to write when I am doing my big business. "Five to eight minutes max!" she said. "I don't want you to develop piles!" And so my writing in the bathroom began. My entries started with the boring old stuff...then Mum got this new job as a writer and, following her around, I got to do fun stuff, like ogle at deformed frogs, see into the future with a fortune-telling parrot and wow at a life-sized F1 car made of chocolate! That's how I got more interesting things to write about. Plus, I had to deal with an EVIL bully who was tormenting me at school...thank goodness for my best friends, Alvin and Anthony, we rallied against the bully and got through the year with lots of adventures and good fun!

"Rehatkan kami dengan solat, wahai Bilal." Begitu kata-kata Rasulullah SAW kepada Bilal RA. Saban hari, rutin harian yang kita lalui menemukan kita dengan masalah dan cabaran yang membuatkan hati kita berasa letih dan penat. Kita mencari kerehatan dengan hiburan, makan-makan, jalan-jalan, bahkan juga solat. Tetapi rehatnya hai ini cuma sementara. Selang beberapa ketika, ia kembali lesu dengan masalah dunia. Solat yang seharusnya menjadi kerehatan, dirasakan seperti beban. Takbir, rukuk, sujud dan salam, hanya tinggal gerakan dan ucapan kosong tanpa kesan dan impak pada hidup. Ketenangan yang dicari masih belum dirasia. Melalui buku ini, Ustaz Pahrol membawa pembaca ke alam solat yang mampu merehtkan hati yang semakin gusar dengan dunia.

Hakikatnya, jarak di antara hati dengan ketenangan yang diinginkan ialah sebuah solat yang tulus penuh makna.

This first English translation of a long forgotten work recaptures his initial experiences in an unknown and intriguing land where he found a new home and a new sense of belonging. "The Unromantic Orient" is not only an impressionistic journal of a young man in search of certitude, it also provides insights into the spiritual transformation of Leopold Weiss who would soon convert to Islam and spend the rest of his life in studying and writing about it. The travelogue starts at the Jerusalem train station and takes us through Cairo, Amman, parts of the TransJordan, Palestine, Damascus and Istanbul.

A Study in the Philosophic Foundation of the Science of Culture

"The Other Side of the Coin" offers an alternative perspective into topics such as identity, love, education, community, and self-worth. These are only a few essential topics that we need to look into, refine, and do a societal self-reflection on. There is more than one side to any coin. It means that with any one way of looking at something in life, there will be a different way or different ways of looking at it.

When was the last time we really poured our feelings out to Allah? **** We have been taught that the only time we can communicate with Allah is when we are making du'a to Him. Even then, it comes with a set of restrictive rules that puts a 'barrier' between Allah and us. The things we recite are verses that we were told to memorise, but rarely do we truly talk to Allah about the troubles that are weighing down our hearts. Because it feels awkward. Thus when we are down and sad, we seek other means for comforting ourselves, but often they offer only temporary respite. We forget that true comfort lies only with Allah. **** In this book, author Ayesha Syahira takes you on a journey of spiritual discovery; of reconnecting with Allah wholeheartedly. The author focuses on nurturing the lifestyle of talking to Allah; of finding comfort by making du'a to Him at any time of the day.

Do you feel overwhelmed right now with all the pressures and uncertainties of life? Does the thought of your past failures, failed relationships and negative labels drag you down? Have you ever wished that you could just leave everything behind and start fresh? Are you ready to finally let go, move on and live a happy and joyful life? If you keep bringing negative baggage from yesterday, it will eventually poison your future. You may have had an unfair past, but the truth is, you don't need to have an unfair future. You may have had a rough start in your marriage, your business, your career - but it's not how you start that matters most, it's how you finish. Let us begin the exploration of your journey towards "surrendering" in this book. And may we all find the strength to let go, the capacity to forgive, and the faith to move on.

I write my diary in the toilet to get away from my troubles, like having to compete with Michael, the bully who's in the swim team with me, and falling out with my best friend, Alvin, over a girl! My diary goes wherever I go as there are those who want to read it. For I know secrets, like how to break my sister's curse and how babies are made...

A Bone-Chilling FBI Thriller

This is a concise evaluation of film genre, discussing genre theory and sample analyses of the western, science fiction, the musical, horror, comedy, and the thriller. It introduces the topic in an accessible way and includes sections on the principles of studying and understanding "the idea of genre"; genre and popular culture; the narrative and stylistic conventions of specific genres; the relations of genres to culture and history, race, gender, sexuality, class and national identity; and the complex relations between genre and authorship. Case studies include: 42nd Street, Pennies from Heaven, Red River, All That Heaven Allows, Night of the Living Dead, Die Hard, Little Big Man, Blue Steel, and Posse.

This is the story of the legendary Muhammad Al Fateh, following him from his childhood and how he was raised by his father to become a Caliph of Islam, through to his appointment as the Caliph of the Ottoman Empire at the tender age of 19 and subsequent rule. Without Constantinople under its jurisdiction, the Ottoman Empire was incomplete. And so, Sultan Muhammad AlFateh set out to conquer it. Al Fateh was not the first person to attempt conquering Constantinople. Many warriors and caliphs of Islam before him had tried in vain. Learning from their past failures, AlFateh carefully assembled and equipped his army. Finally, after an epic battle, Constantinople was conquered. Al Fateh changed the name of the city to Istanbul. At his peak, Al Fateh was the ruler of 25 countries. In the end, he was poisoned and killed by his enemies. Yet, the Ottoman Empire and legacy he left behind stayed standing strong.

We often pretend to be happy and put on a brave face for the world despite carrying the pain of enduring a personal struggle or adversity. When we are alone, that is when we fall into despair - for failing to overcome the struggles that we carry silently in our hearts. Are we considered strong if we do not fall when life pushes us to the ground? Do our faith and belief tell us that we cannot let our misery affect us because as the saying goes, "we must bear patience"? In this book, author Liyana Musfirah takes readers on a reflective journey of discovering the strength that emerges from each of our painful and scarring episodes. This is the book that celebrates what God has given women - the resilience to withstand emotional, spiritual, or even physical hardships.

Di tengah-tengah kemelut hidup yang maha dahsyat ini, masih ramai yang lebih prihatin dan lebih berminat dengan tentang gadget-gadget teknologi berbanding persoalan hati. Betapa ramai manusia yang lebih serius untuk servis keretanya berbanding 'servis' hatinya. Kereta dicuci, ditukar dan dihias dengan pelbagai aksesori sedangkan jiwa, fikiran dan emosi terbiar kotor dan berkarat. Justeru, tidak hairanlah mengapa ramai manusia umpama kereta rosak yang sedang terhincut-hincut dalam perjalanan hidup yang penuh cabaran ini. Manusia seharusnya tidak terkapa-kapa dengan pelbagai soalan tanpa jawapan. Buku ini ditulis atas dorongan ingin melihat Islam kembali menjadi cara hidup, bukan semata-mata cara mati. Buku ini akan memperlihatkan keterkaitan (linkage) yang kukuh antara hubungan dengan Allah dan manusia, ibadah dengan kerja, laba dengan pahala, material dengan

spiritual, dunia dengan akhirat. Insha-Allah, buku pertama dalam Modul Mukmin Profesional ini akan memfokus kepada Mukmin Profesional, Hidup Cemerlang dengan Memberi, Erti Kecemerlangan Dunia dan Akhirat, Sikap Positif Penentu Kejayaan dan Kesedaran Celik Mata Hati.

Talk to Allah

Buku ini ditulis dengan mesej yang jelas: Zikir tanpa fikir akan menghasilkan individu yang beku, kaku dan mundur walaupun mungkin baik tingkah laku. Fikir tanpa zikir akan membentuk manusia yang aktif, dinamik tetapi merosakkan dirinya dan orang lain dengan pelbagai kemungkaran dan kejahatan. Pada cerita dulu-dulu, ada jejak iktibar yang perlu disusuri semula. Pada alam ciptaan Tuhan, ada pengajaran yang dapat diambil. Ia bergantung pada bagaimana kita melihatnya. Dan bagaimana kita melihat sesuatu, bergantung pada siapa diri kita. Dengan gaya santai dan simple, penulis mengocak 'fikir' dan 'zikir' pembaca - langkah kecil yang diharapkan dapat menjadi pemangkin kepada langkah yang lebih gah untuk memantapkan 'fikir' dan 'zikir' ummah. Kelebihan yang terdapat pada beliau (Pahrol Mohd Juoi) adalah keupayaan mengolah sesuatu persoalan daripada dimensi yang berbeza dan memberikan persepsi baru terhadap perkara yang digarapnya.' Ann Wan Seng, Setiausaha Agung Kehormat MACMA Buku ini terbahagi kepada tiga bahagian: Bahagian 1: Iktibar Kisah Dulu-dulu - Mencari hikmah dan ibrah, teladan dan sempadan, daripada cerita rakyat yang merupakan suara hati orang bijaksana untuk mendidik umat. Bahagian 2: Berguru dengan Alam - Melihat nikmat tanpa melupakan Pemberi nikmat, dengan menjadikan alam sebagai Maha Karya Tuhan yang sentiasa berbicara dengan manusia tentang keagungan Penciptanya. Bahagian 3: Kata Dikota - Memuatkan kata-kata yang indah dan benar, yang mampu mengubat rasa yang gundah serta membuat fikiran menjadi lebih besar, seterusnya mampu mengubah jiwa!

Shortlisted for Best Young Adults' Title for Singapore Book Awards 2016 After a successful fundraising effort, I was off to Sarawak, Malaysia with my bros Alvin and Anthony for an exciting jungle trek! And, more importantly, I'd get to see my dear friend Jolin. (Mum calls her the "object of my infatuation".) Our guide, Jolin's weird "jungle man" Uncle Jufri, warned us to never let our guard down, for the rainforest is full of secrets and surprises. After getting drenched in a thunderstorm, and some icky encounters with mussels, toads, leeches and ants, we thought we'd seen and survived it all. But then there were those footprints, BIGGER THAN A HUMAN'S, that just couldn't be explained.

Home manicure tips, awkward seduction techniques, scoping out the snack table, and "most important" prioritizing naps: Lady Stuff reveals these womanly secrets and more. In sections like "Grooming and Habitat Maintenance," "Mating Habits," and others, these brightly colored, adorable comics find the humor in the awkwardness of simply existing. Like the work of Sarah Andersen, Gemma Correll, and Allie Brosh, Loryn Brantz's Jellybean Comics are accessible and funny; lighthearted takes on the author's everyday experiences and struggles being a woman.

On her first assignment since her promotion to SSA status in the Serial Crimes Unit of the FBI, Jade Monroe and her new partner, Lorenzo DeLeon, are tasked to southern Louisiana, where disturbing discoveries have been made. Human bones have been found in numerous sites deep in bayou country, and the locals aren't too excited about having outsiders poking around in their business. When Jade has a chance meeting with a local hunter, she finds his assistance exactly what she needs to break through that unwelcoming barrier. She brings him on board as their go-between. The hunter inserts himself into their investigation and gains Jade's trust, but is he authentic, or does he have his own agenda? A bone-chilling blindside and a dangerous chase through the Louisiana swamps is just the beginning, but the question remains—is Jade the hunter, or is she the one being hunted? FBI Agent Jade Monroe Live or Die Series books are listed in chronological order below #1 Blood in the Bayou Editorial Review "Recently promoted to a new role within the FBI, Senior Special Agent Jade Monroe and her partner, SSA Lorenzo DeLeon, are sent to Louisiana to find out why fresh piles of human bones are showing up near the swamps. With plenty of suspicious locals, including a good old boy determined to help, this adventure lands Jade in her murkiest waters yet. A delicious start to a promising new series." "Technological advances and regulatory changes have created both investment opportunity and challenge for participants in today's international capital markets. The existence and use of diverse international accounting procedures poses one such challenge: How can analysts determine the true investment value of global firms?" "This issue and related concerns are thoroughly examined in International Capital Markets in a World of Accounting Differences. Inside this thought-provoking volume, financial practitioners and scholars debate the impact of international accounting differences (accounting measurement rules, financial disclosure requirements, and/or differences in auditing standards) on decision-making in today's capital markets." "You'll find insightful analyses of such topics as international GAAP differences and their effects on firms; accounting differences and securities markets regulations; international regulatory initiatives; and policy alternatives and strategic options for minimizing global accounting diversity." "Concerns about the effect of accounting diversity on capital markets have sparked a renewed interest in harmonizing accounting and reporting standards worldwide. International Capital Markets in a World of Accounting Differences challenges and analyzes the validity of these concerns and offers strategic alternatives for making more informed decisions in the world's capital markets."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. From two stars in financial journalism comes this brilliant, fresh synthesis of economic theory and relationship advice. "Spousonomics" takes bedrock economic principles and applies them to the domestic front.

This book presents special hints on how to make your business strategy more effective. It reveals the business strategies of market leaders plus the strategies of the underdogs who wants to be leaders but without investing too much capital. They still get great results to ensure the security of their business.

This book, first published in 1957, is the study of 14th-century Arab historian Ibn Khaldun, who founded a special science to consider history and culture, based on the philosophy of Plato and Aristotle and their Muslim followers. In no other field has the revolt of modern Western thought against traditional philosophy been so far-reaching in its consequences as in the field of history. Ibn Khaldun realized that history is more immediately related to action than political philosophy because it studies the actual state of man and society. He found that the ancients had not made history the object of an independent science, and thought it was important to fill this gap. A factual acquaintance with the conclusions of Ibn Khaldun's reflections on history is not the same as the full comprehension of their theoretical significance. When these fundamental questions are answered, it becomes possible to pose the specific question of the relation of Ibn Khaldun's philosophy of history, or his new science of culture, to other practical sciences and, particularly, to the art of history. After an exposition of the major trends of Islamic historiography, part of this book attempts to answer this question through the analysis of the method and intention of the sections of the 'History' where Ibn Khaldun himself examines the works of major Muslim historians, shows the necessity of the new science of culture, and distinguishes it from other practical sciences.

The author of Negotiating the Impossible "tackles our assumptions about business and life with humor, zest, and wisdom in this delightful fable" (Daniel H. Pink, New York Times-bestselling author). If you were a mouse trapped in a maze and someone kept moving the cheese, what would you do? In a world where most mice dutifully accept their circumstances, ask no questions, and keep chasing the cheese, Deepak Malhotra tells an inspiring story about three unique and adventurous mice—Max, Big, and Zed—who refuse to accept their reality as given. I Moved Your Cheese reveals what is possible when we finally discard long-held and widely accepted assumptions about how we should live our lives. After all, achieving extraordinary success, personal or professional, has always depended on the ability to challenge assumptions, reshape the environment, and play by a different set of rules—our own. But rejecting deeply ingrained beliefs is not easy. As Zed explains, "You see, Max, the problem is not that the mouse is in the maze, but that the maze is in the mouse." "Deepak Malhotra allows you to glimpse a world of your own making without the limits and barriers that others create." —Stephen R. Covey, New York Times-bestselling author of The 7 Habits of Highly Effective People "A magnificent story with a powerful message. As someone who has encouraged scores of professionals into breaking through the maze and defining their own pursuits, I find this to be a gem of a book." —Vinod Khosla, cofounder, former CEO and Chairman, Sun Microsystems, and founder, Khosla Ventures "This book's message is both profound and durable. Malhotra has left the maze, and so can we." —Foreword Reviews

Letters to God is about a journey of a young girl named Sarah in trying to find her footing in a challenging world. An introvert by nature, Sarah struggles to balance her work, life and her spiritual longing while trying to adapt to her new surroundings. She found friendship along the way and also experienced hostility and heartache. Not knowing who to turn to, she turned to God. This book tells the story of how a young girl, who made a decision to write letters to God, telling Him of all her worries, pain and also her happiness. She believes that one can talk to God at any time, any place, even outside prayers, as He is All Hearing (As-Sami) and All Knowing (Al-Alim). General Description: Al-Ghazzali describes the concept of intention in great detail, its true nature and how the intention of the believer is better than his deed. He explores whisperings of the self, evil inspiration and bad thoughts and then those deeds that change according to intention and how the admirable servant does what he does for the sake of God. In regard to sincerity, he describes its true nature and then goes on to describe truthfulness.
