fill it with your happy memories as well. It is perfect kids book gift for school, kindergarten, or home use for work and play with your kids.

Do you like to help your kids develop their creativity? Our right-side brain develop more when we do creative things, and human's brain development is even faster during very young age. So, It's really helpful for toddlers and very young kids to scratch, write or draw what they are imagining. This is a great opportunity to magnificently grow their creativity. The book cover is intentionally designed as a hand-drawing images by very young children, not so neatly beautiful as teens and adults. This is because the cover can encourage the kids to write anything in this notebook, not afraid for writing or drawing something nonsense. For

toddlers, very young boys or girls, who still cannot write or draw properly in practice, this unlined book can be a first blank notebook for calligraphy. Let them write anything without any rules first, because in this case they will want to write or draw freely and not get bored easily. If young kids are force to write down something, an English letter for example, more and more, they may feel unpleasant and don't want to do it. The real notebook calligraphy would become more suitable later. The more kids draw and write, the more their creativity and hand-skills are developed. Basically, this is a blank notebook unlined for drawing and writing. The book size is 8.5" x 11", letter sized, which is suitable for kids to practice their imagination. There are 108 blank pages to perform
