*3D Tic Tac Toe is an advanced version of the regular Tic Tac Toe game. Pen/pencil game compact size (5" x 8") 120 pages. The game is played on a 4x4x4 cubic grid. 3x3x3 versions have been made but they aren't a fun gameplay experience as the game is usually quickly won! This game is easy to learn but the strategy is complex to master. Instructions: This is a game for two players. One player chooses X and one chooses O Each player takes it in turns to place their mark (X or O) on an empty square in the grid The winner is the first player to get four in a row in any direction - horizontally, vertically or diagonally. Winning lines can stretch across all four grids as long as they make a straight line from corner to corner. A variation of this game is instead of playing to make one row of four, the goal is to make as many rows of three as possible.*
