Nutribullet sales have soared over the last couple of years, and continue to do so. A popular retailer reported selling 1 Nutribullet every 30 seconds on "Black Friday" in November 2014. The term "Nutribullet" has passed the lips of most health conscious people out there and it is fast becoming a staple in everyone's kitchen. It is not difficult to figure out why this is the case. There has never been an easier way to introduce healthy, balanced, and wholesome smoothies into your life. Because the Nutribullet works by extracting ALL of the nutrients from the fruit and vegetables (including leafy greens) and breaking them down into their most digestive form, the digestive system is more capable of absorbing the essential vitamins, minerals, fibre, and phytonutrients from the food. This gives our body the kick start it needs to start burning fat cells at a healthy rate, boosting metabolism, regulating blood sugar levels, maintaining a healthy heart and body, and increasing our energy levels. Nutribullet Recipe Book - Healthy Smoothie Recipes for Weight Loss, Detox, Anti-Aging, Health, & Vitality includes 81 smoothie recipes to help target certain areas of your life that may need attention including weight loss, healthy digestion, anti-aging, energy levels, and a healthy heart. All recipes have been calorie counted and nutritional information is included with each recipe. There has never been an easier way to change our health regime, and introduce all of the vital nutrients our body needs to function at its optimum level. Whether you decide to substitute your breakfast for a healthy smoothie, or add one in as a healthy snack, this book gives you the information necessary to become a healthier new version of you!

**First there was the blender, then there was the juicer and now we have the NutriBullet Extractor. The NutriBullet is a high powered multi bladed Juicer and Blender and Miller and Extractor. It can mill nuts and seeds into flour. It can break down the cell walls of veggies to extract all of their phytochemicals, flavonoids, polyphenols and essential oils. If your family had had one of these when you were growing up then your mother would never have had to have said: Eat your greens. The NutriBullet makes lowly salad greens and earthy vegetables taste just as enticing and energizing and a rib eye steak or a chocolate fudge gateau. This is great news, because eating lots of vegetables has been shown in many clinical studies to protect us from cancer and heart disease, to boost the immune system in general and to essentially give a longer and a better quality of life. But varying the types and the colors of vegetables that we eat is just as important as eating more of them (and a bit less meat). So the more NutriBullet recipes we have the better. Each of these 200 NutriBullet Blasts and Smoothies can be produced in seconds with no cooking - and the taste is raw but exquisite. Fast food and healthy food used to be mutually exclusive - not any more. Each individual recipe has full nutrition figures (Protein, Fat, Carbs, Fibre, Kcals). The Classic Nutribullet Recipe book contains... 40 SuperFood Blasts and Smoothies made entirely out of Superfoods. 20 Heart Care Blasts and Smoothies (Anti-inflammatory, high in Omega 3, anti oxidants, Vitamins C, E) 20 Sleep and Mood enhancing Blasts and Smoothies (high in Tryptophan, Magnesium, Vitamins B3, B6, B9) 20 Dessert Smoothies 100 Classic Blasts and Smoothies for maximum Greens Fruit and Veggie variation. Reciprocity welcome you to a new year and a whole world of new tastes.**
