The New York State Teacher Certification Exams (NYSTCE) are required for all candidates seeking licensure in the State. The NYSTCE series consists of many different tests assessing skills and abilities necessary for teachers. The Passbook(R) for the Content Specialty Test in Communication and Quantitative Skills Test (CQST) provides hundreds of multiple-choice questions in the areas that will likely be covered on your upcoming certification exam, including but not limited to: vocabulary and spelling; interpreting text and graphs; grammar, punctuation and sentence structure; basic mathematics; and other related areas.

Prepare for the challenges and rewards of teaching students with disabilities with this valuable NYSTCE CST Students with Disabilities study guide from XAMonline. Aligned to current state standards, it offers an overview of the main competencies and skills for the sub-areas of Understanding and Evaluating Students with Disabilities; Promoting Student Learning and Development in a Collaborative Learning Community; and Working in a Collaborative Professional Environment. Also included are 90 multiple-choice questions and a constructed response to help you practice key test concepts so you can confidently pass the New York CST Students with Disabilities certification exam.

The NYSTCE pedagogical exams are designed according to the Constructivist Learning Theory. Although many teachers have studied aspects of Constructivism in their college programs, including Piaget, Bloom, Vygotsky and Gardner, the connection between these theorists is not always clarified. This book teaches you the correct approach for deconstructing the questions on the exam in order to pick the correct answer. This study guide is designed to help prospective teachers understand this theory and how it applies to learning. The strategies are easy to understand and are the key to passing these State exams. The book covers strategies for decoding the questions and outlines for writing a strong essay as well as common mistakes that teachers make when taking the exams. This time, pass the exam!
