

O Holy Night Cpdl

This book is an analysis of literary texts that question, critique, or subvert anthropocentrism, the notion that the universe and everything in it exists for humans. Bryan Moore examines ancient Greek and Roman texts; medieval to twentieth-century European texts; eighteenth-century French philosophy; early to contemporary American texts and poetry; and science fiction to demonstrate a historical basis for the questioning of anthropocentrism and contemplation of responsible environmental stewardship in the twenty-first century and beyond. Ecological literature and the Critique of Anthropocentrism is essential reading for ecocritics and ecofeminists. It will also be useful for researchers interested in the relationship between science and literature, environmental philosophy, and literature in general.

Discusses rehearsal techniques, organization, and conducting.

"Professor William Maht of Santford Univeristy and the Church Music Association of America has written a sweeping book--one that it is at once scholarly and practical--on that most controversial topic of music and the liturgy. He provides an over-whelming argument that every parish must have high standrads for liturgical music and he makes the full case for Gregorian chant as the model and the ideal of that liturgical music." - back cover

“From Paper to Pixels” is a guide for musicians making the transition from paper sheet music to digital sheet music readers and apps. From selecting the perfect tablet or computer to finding the right apps and tools for reading and writing music, exploring online sheet music resources and – most importantly – how to get music into your tablet or computer of choice, this comprehensive guide is written in a fun, breezy style, designed to soothe the fears of even the most techno-phobic musician. “From Paper to Pixels” will show you:
•10 Reasons Why Pixels Are Better Than Paper
•The Four C’s Of Putting Together The Perfect Digital Sheet Music Reader
•How To Put Sheet Music Into Your Tablet Or Computer
•Cool Things You Never Knew You Could Do With Digital Sheet Music
And much, much more! “From Paper to Pixels” was written for every kind of musician reading all types of music, from traditional music notation to lyric sheets, chord charts, and tablature. No matter what style or musical background you come from, you’ll find this book to be an invaluable resource. “From Paper to Pixels” was written by Hugh Sung, a professional classical “paperless pianist” who is a pioneer of digital sheet music and a teacher who loves to empower learners. After performing around the world, recording multiple albums, and serving on the faculty of the venerable Curtis Institute of Music in Philadelphia for 19 years, Hugh combined his passion for music and technology and co-founded AirTurn, a company that develops technologies for musicians (www.airturn.com). The Harmonia Sacra is a hymn book of renown. In 1832 a Mennonite named Joseph Funk published a songbook that had a profound influence on Mennonite singing for generations. Its name, Genuine Church Music, indicated the compiler’s intention that the contents be songs that, in his words, “have stood the test of time and survived the changes of fashion.” Its distinctively shaped notes of the fasola system linked it with dozens of songbooks published in America at the time to encourage musical literacy. The variety of musical content, ranging from simple psalm tunes and American folk melodies to complex early American anthems, offered ideal materials for singing schools. The Harmonia Sacra is still used in old folks’ all-day singings in Rockingham and adjacent areas. In fact, this edition is the revised Legacy Edition, making it the twenty-seventh edition of The Harmonia Sacra.

A definitive collection of 100 anthems from Tudor times to the present, this book includes favorites as well as lesser-known pieces. The anthems were selected for their practical usefulness for church choirs today, bearing in mind the needs of smaller choirs: the anthems are mostly for SATBwith or without keyboard accompaniments.

How to Beat the Cost of Implementing CBW IIIHow your parish can get CBW III without straining its budget: 1) Two-year interest-free financing option allows you to pay in instalments-No payment for 90 days! Order 50 copies or more of CBW III (any combination of Choir and Pew editions). Upon receipt of the invoice, you have three months to pay only one third (1/3) of the amount billed. Pay the second third on the anniversary date of your invoice (a year later), and the last third the following year. No interest will be charged during this period. (Please note that our offer for a two-year interest-free payment plan does not apply to discounted orders.) or...2) Place your order through your diocese and save up to 20%. When placing bulk orders for their parishes, dioceses get a discount. In the case of CBW III, the discount is 20%. We normally bill and ship the order to the diocese, which is then responsible for redistribution. However, for CBW III we have agreed to bill the diocese and ship to individual parishes, when requested.

Hymns Ancient and Modern for Use in the Services of the Church

Molly Ijames delivers a compelling setting of this timeless hymn with a creative accompaniment that helps us visualize the sunrise. This anthem is one constant crescendo and closes with the amazing cry, "May Jesus Christ be praised!"

No doubt the most well-known of all 16th century madrigals, this easy arrangement includes a supportive optional accompaniment that provides added confidence for ensembles that may find it helpful. Whether sung as part of a madrigal dinner or programmed on a spring concert, this is music that would be a welcome addition to any choral program.

Suitable for SATB choir and organ, this anthem for Pentecost sets the well-known text to original and attractive music, but the traditional plainchant tune associated with these words makes a striking appearance in the organ part.

Choral Scores is an anthology of music exemplifying distinctive choral repertoire by the most noteworthy composers throughout the history of Western music. A companion volume to Denis Shrock's Choral Repertoire (Oxford 2009), it presents works of salient importance to the development of choral music in Western culture, representing the music of the composers, eras, and movements discussed most prominently in that volume. Including 132 compositions by 124 different composers, each presented unabridged and in full score, and spanning the entirety of Western music history, from the medieval era through the twentieth century, and into the twenty-first, Choral Scores is the most thorough, and up-to-date collection of choral music available. Complete with an appendix offering literal translations of texts, as well as composer and genre indices, Choral Scores is an essential reference for choral scholars, teachers, and students alike.
