*In Future Luxe: What’s Ahead for the Business of Luxury, Erwan Rambourg identifies the major forces and emerging trends that are set to reshape luxury over the next decade. The expansion of Chinese consumption and the boost in women’s spending power around the world will fuel continued growth in the industry—but even more importantly, fundamental changes are on the horizon. The younger generation is entering the luxury market, bringing new values and demands that will redefine the very meaning of luxury. The sector should expand in the realms of travel, health, leisure, even cannabis. For brands to resonate with these younger consumers they will have to develop substance beyond a high-quality product or a desirable logo. Greenwashing won’t cut it—brands will need to take seriously issues like diversity, sustainability, and ethical production. To ensure his portrait of the industry has the depth and nuance of real-world experience, Rambourg interviews several CEOs from the largest groups and brands, including Kering, Cartier, Puma, and Moncler, in addition to drawing on his own observations from over two decades in luxury. Future Luxe is engaging, wise, and deeply informed, a vital read for those new to the industry as well as veterans planning for continued success.*

*Josie’s life is turned upside-down by the appearance of Seth, a sexy man who has made a deal with the gods and been assigned to protect her.*

Ma Daemon non è solo, lui e Katy sono diventati inscindibili e questo significa che dovrà soprattutto proteggere la sua amata. Trame oscure ed esperimenti segreti coinvolgono il Dipartimento della Difesa e un’organizzazione spietata, Dedalo, che ha imprigionato Dawson per anni e continua a tenere rinchiuso qualcuno che gli sta particolarmente a cuore. Per annientare l’organizzazione e salvare gli ibridi, bisogna allearsi con coloro che un tempo erano nemici. In gioco ci sono le loro vite, soprattutto quella di Katy. È necessario tornare nell’oscurità per rivedere la luce e salvare due mondi da conseguenze disastrose. Il coraggio e l’amore che uniscono le coppie umano-aliena sono così potenti da sfidare questa terribile minaccia. *Discover the New York Times bestselling Lux series, which RT Book Reviews called “A thrilling ride from start to finish,” from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I’d pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon’s touch has me lit up like the Vegas Strip. The only way I’m getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don’t kill him first, that is. Book Three of the bestselling Lux series No one is like Daemon Black. When he set out to prove his feelings for me, he wasn’t fooling around. Doubling him isn’t something I’ll do again, and now that we’ve made it through the rough patches, well... There’s a lot of spontaneous combustion going on. But even he can’t protect his family from the danger of trying to freeze the same Katy. I’m different... And I’m not sure what that will mean in the end. When each step we take in discovering the truth puts us in the path of the secret organization responsible for torturing and testing hybrids, the more I realize there is no end to what I’m capable of. The death of someone close still lingers, help comes from the most unlikely source, and we won’t turn back. Even if the outcome will shatter our worlds forever. Together we’re stronger...and they know it. This unique collection of essays, edited by leading Woolf scholar, brings together for the first time a serious consideration of Virginia Woolf's writing within the political context of fascism. Virginia Woolf and Fascism probes Woolf's fiction and non-fiction from Mrs. Dalloway in 1927 to Between the Acts , 1941, for her responses not only to the growing menaces of dictators abroad, but also to mounting evidence of fascist ideology at home in England. The essays present a portrait of Woolf as a woman writer who was politically engaged, and actively protesting against a worldview which aggressively targeted women for oppression.

Jonathan Swift has had a profound impact on almost all the national literatures of Continental Europe. The celebrated author of acknowledged masterpieces like A Tale of a Tub (1704), Gulliver's Travels (1726), and A Modest Proposal (1729), the Dean of St Patrick's, Dublin, was courted by innumerable translators, adaptors, and retellers, admired and challenged by shoals of critics, and creatively imitated by both novelists and playwrights, not only in Central Europe (Germany and Switzerland) but also in its northern (Denmark and Sweden) and southern (Italy, Spain, and Portugal) outposts, as well as its eastern (Poland and Russia, Hungary, Romania, and Bulgaria) and Western parts - from the beginning of the eighteenth century to the present day.

Originally published October 2011 Now includes bonus novella DAIMON The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi-pure-bloods-have godlike powers. Children of Hematoi and mortals-well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daimons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem-staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daimon, and being hunted by Aiden. And that would kind of suck.

One of the most popular figures in international crime fiction returns: Detective Erlendur is back. THE QUICK A woman swims in a remote, milky-blue lagoon. Steam rises from the water and as it clears, a body is revealed in the ghostly light. THE DEAD Miles away, a vast aircraft hangar rises behind the perimeter fence of the US military base. A sickening thud is heard as a man's body falls from a high platform. THE FORGOTTEN Many years before, a schoolgirl went missing. The world has forgotten her. But Erlendur has not. THE SEARCHER Erlendur Sveinsson is a newly promoted detective with a battered body, a rogue CIA operative and America's troublesome presence in Iceland to contend with. In his spare time he investigates a cold case. He is only starting out but he is already up to his neck. "This book blew me away, completely. Gripping from page one, it—quite literally—couldn't put it down."—Christina Lauren, New York Times bestselling author of The Unhoneymooners Growing up, Mallory Dudge learned that the best way to survive was to say nothing. And even though it's been four years since her nightmare ended, she's beginning to worry that the fear that holds her back will last a lifetime. Now, after years of homeschooling, Mallory must face a new milestone—spending her senior year at a public high school. But she never imagined she'd run into Rider Stark, the friend and protector she hasn't seen since childhood, on her very first day. It doesn't take long for Mallory to learn that the connection she shared with Rider never really faded. Yet soon it becomes apparent that she's not the only one grappling with lingering scars from the past. And as she watches Rider's life spiral out of control, Mallory must make a choice between staying silent and speaking out—for the people she loves, the life she wants and the truths that need to be heard.
