

## **Occult Invasion The Subtle Seduction Of The World And Church Dave Hunt Classics**

*Every Christian should be informed of the true origins and effects of yoga and its ungodly manifestations of Kundalini energy which literally defined means an awakening of the Serpent Power.*

*The Bible clearly states that a great apostasy must occur before Christ's Second Coming. Christians today are being deceived by a worldview that is more subtle and seductive than any before. We will look at some of the dangers in the growing acceptance and practice of: Positive and possibility thinking Healing of memories Self-help philosophies Holistic medicine This seduction of Christianity will not appear as a frontal assault or oppression of our religious beliefs. Instead, it will come as the latest fashionable philosophies that will promise to make us happier, healthier, better educated, and even more spiritual. A compelling look at the times in which we live and a clear call to every believer to choose between the original and the counterfeit. Only then can we hope to escape the seduction of Christianity.*

*Analyzes and critiques the Christian Countercult movement as a discrete socioreligious entity.*

*From the authors of the international bestseller The Babylon Code comes an explosive exposé of the chilling truth about the fierce opposition to the Trump presidency, and why the globalist elite and Deep State will stop at nothing—assassination, military coup, staged economic collapse, or worse—to overthrow him.*

*"Trumpocalypse!" It's the media-coined meme inciting panic and fear that America has elected an unstable man who will barge into delicate international affairs like a bull in a china shop and incite nations bent on America's destruction to trigger World War III—an unprecedented nuclear apocalypse ending the world as we know it. But is the media telling us the truth? No, say internationally-recognized prophecy expert and Fox News and History Channel commentator Paul McGuire and Pulitzer Prize-nominated investigative journalist Troy Anderson. America's most insidious enemies are not hostile nations; they are elite globalists—the "Establishment" that is making the "1 percent" even richer while working- and middle-class people watch their incomes and net worth's flatline or plummet. The authors fearlessly expose the globalist elite's secret plan for humanity and campaign of mass deception. Using documentation gleaned from years of journalistic investigation and extensive interviews with over fifty of the world's most respected geopolitical, economic and military affairs experts, faith leaders, and biblical scholars, McGuire and Anderson unmask these elites as members of secret societies with deep occult connections who have gained control of America's dominant institutions—government, education, entertainment, international banking, and even the media. Trumpocalypse explores the enigmatic prophecies and "biblical codes" involving Trump, and asks whether God raised up President Trump as a fearless leader to guide America and the free world through a series of major crises as the biblical end-time narrative unfolds, as many people with prophetic gifts are predicting, and shows why everyday Americans and evangelicals have rallied around Trump as their last hope of saving America and averting the horrors of the Apocalypse. It further reveals why Trump and millions of "deplorables" are fighting to stop the hidden agenda of the Establishment, and how the perplexing chaos enveloping the planet could paradoxically signal the beginning of the great end-times awakening that millions are praying for. Here is an invitation to join the anti-Establishment surge—what evangelist Franklin Graham calls "the Christian revolution"—and discover how to fulfill your own destiny in the run-up to the Second Coming of Jesus Christ.*

*His Name Is Jesus*

*Pentecostalism and Witchcraft*

*Zionism Vs. the West*

*Lucifer as the Liberator of Woman in Nineteenth-Century Culture*

*Beyond Seduction*

*Stop Counseling! Start Ministering!*

Today many in Hollywood and the media have declared open warfare on the family, education, and Christianity in general. Intellectuals have labeled religion, particularly Christianity, as mere wish fulfillment or a virus of the mind, something to be eradicated at all costs. In Christianity's Dangerous Idea, Jonas Alexis picks up where he left off in his previous books and continues to examine the ideological fallacies that have been fabricated in order to attack Christianity—and the people who promote those fallacies. This latest book is a tour de force of rigorous logic and testable evidence for the Christian worldview from history, science, experience, common sense, and final destiny. More importantly, Alexis subjects the rivals of Christianity to the same rigorous testing. Christianity's Dangerous Idea clearly demonstrates the destructive nature of popular atheistic and anti-Christian philosophies, spread throughout Western culture by such famous people as Friedrich Nietzsche, Sigmund Freud, Carl Jung, David Cronenberg, Steven Spielberg, Alan Moore, William S. Burroughs, Philip K. Dick, Bruce Lee, Ayn Rand, Bart D. Ehrman, Richard Dawkins, and many more. In a scholarly yet readable fashion, Alexis shows that what the ancient Greeks often referred to as "the cult of Dionysus" has become mainstream in our modern age. Consuming energy instead of blood, psychic vampires come in a variety of unsuspecting guises. This unique approach to the subject will introduce you to a trio of new thieves: group vampires, parasitic vampires, and global vampirism. Exploring environmental, developmental, and past-life factors, Psychic Vampires presents effective step-by-step empowerment procedures you can use to protect yourself and replenish your energy reserves. This practical guide offers: An exploration of previously unknown forms of psychic vampirism Methods to identify and counteract the effects of psychic attacks Thirteen photos illustrating the "Vampire Shadow Phenomenon," the "Halo Effect," and more A Seven-Day Psychic Protection Plan A person can be brought into bondage in two different ways: by force or by his own will. Force is a crude way of bringing a person into submission, but using the person's own free will can be done sophisticatedly and covertly. Under the banner of democracy and freedom, America has been under the bondage of what E. Michael Jones has aptly called sexual liberation and political control for over fifty years. In the first two volumes of the trilogy, Alexis explored these ideological themes. In this last volume, he expands on some of those pernicious ideas, emphasizing how Zionism, for over sixty years, has shaken the moral, philosophical, and intellectual foundation of much of Western culture. The Iraq War alone will cost America at least six trillion dollars, and as if to prove that America is still in bondage, the oppressors continue to use sophisticated means to seduce Americans so that perpetual wars will never cease to exist in the Middle East and in much of the world. This book will

seek to address these and related issues and, in the process, tell us something about the fundamental nature of reality and how to approach this cosmic conflict, which has dominated the West for over a thousand years.

This Could Be the Most Amazing Book You Have Ever Read! Is it true that a New World Religion is being formed? Is there really a group of leaders directing the course of society? How can we find out if there is a secret plan for humanity? The New World Religion and the Beliefs of the Elite reveals the hidden plan to create a new creed which will fit in with their Agenda for the 21st Century. The Elite are creating international movements aimed at unifying all the world's faiths and spiritual traditions. This thrilling expose is packed with unusual and interesting information, covering diverse topics such as the Economy, Politics, the Great Plan, Secret Societies, Numerology, 9/11, false flags, hoaxes and much more! Every page explains a new mystery, and uncovers their multi-generational indoctrination to bring about the New World Order. At the same time, it contains a searing critique of the occultism of the Luciferian elite, comparing it to Christian Theology, and throwing greater light on what the hidden government really believe. Beliefs such as Luciferianism, Freemasonry, Hermeticism, Islam, and Theosophy are explained and related to the groups involved in the multi-faith roll out of the One World Religion. It also covers the History of the main groups creating a comprehensive book which will keep the reader enthralled as it shows with persuasive evidence that a global conspiracy is underway. Once you can understand and relate the Beliefs of the Elite to the ultimate goals they are striving towards, the reasons for the apparent chaos in today's society will become clear. Could we be the last generation living in comparative normality before the shift occurs? The conclusions of The New World Religion and the Beliefs of the Elite are far reaching and vital to our overall understanding of the New World Order. We are heading for a truly frightening future!

Psychic Vampires

What Position Should Christians Hold?

Describing and Evaluating a Growing Social Force

Taking Aim at the Brand Bullies

The City of God, Books I-VII

Describes more than thirty new and alternative religions practiced in America, covering their history, philosophy, leaders, religious practices, and the controversies that arise around them.

This book traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared The New Republic hailed it as "remarkable, learned and lively," while The New Yorker noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book absorbing." It is an invaluable work of history and contribution to our understanding of political life. Author and lecturer Dave Hunt exposes what he believes is the subtle seduction of the world and church by a resurgent occultism, a reality which is corroborated by increasing suicide, violence, and immorality throughout society.

Are you missing half the story about the last days? Virtually all attention these days is focused on the coming Antichrist—but he is only half the story. Many people are amazed to discover in Revelation 17 that there is also another mysterious character at the heart of prophecy—a woman who rides the beast. Who is this woman? Tradition says she is connected with the church of Rome. But isn't such a view outdated? After all, today's Vatican is eager to join hands with Protestants worldwide. "The Catholic church has changed" is what we hear. Or has it? In A Woman Rides the Beast, prophecy expert Dave Hunt sifts through biblical truth and global events to present a well-defined portrait of the woman and her powerful place in the Antichrist's future empire. Eight remarkable clues in Revelation 17 and 18 prove the woman's identity beyond any reasonable doubt. A provocative account of what the Bible tells us is to come.

America's Century of Regime Change from Hawaii to Iraq

Hypnosis

The Seduction of Christianity

Protection from Energy Predators & Parasites

Woman, Church, and State

***Much in the Church is being touted as biblical spiritual warfare, even to changing it from being spiritual to be geographical. This book critics spiritual warfare teaching, comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare.***

***After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense***

***In this insightful interpretation of the Holy Bible, the profound spiritual and power-bestowing truths of the sacred language of such Old Testament stories as 'the Creation', 'the Flood and Tower', 'the Life of Joseph as a Mystery Drama', and 'Moses and the Exodus' are liberated from their cryptic enclosure. The second of a two-part abridgement, published in 1994.***

***This open access book presents fresh ethnographic work from the regions of Africa and Melanesia—where the popularity of charismatic Christianity can be linked to a revival and transformation of witchcraft. The volume demonstrates how the Holy Spirit has become an adversary to the reconfirmed presence of witches, demons, and sorcerers as manifestations of evil. We learn how this is articulated in spiritual warfare, in crusades, and in healing or witch-killing raids. The contributors highlight what happens to phenomena that people address as locally specific witchcraft or sorcery when re-molded within the universalist Pentecostal demonology, vocabulary, and confrontational methodology.***

***Modernism and the Occult***

***Cosmos, Creator, and Human Destiny***

***The End-Times President, a Battle Against the Globalist Elite, and the Countdown to Armageddon***

***Trumppocalypse***

***Bible Counseling***

***Satanic Feminism***

Offers a narrative history of the role of the U.S. in a series of coups, revolutions, and invasions that toppled fourteen foreign governments, from the overthrow of the Hawaiian monarchy in 1893 to the 2003 war in Iraq, and examines the sometimes disastrous long-term repercussions of such operations. Reprint.

Why are we here? And where are we going? Does science have an answer to these two most fundamental questions of human existence? Can mankind determine and direct the future of life on earth purely by scientific means? Plagued by the failure of modern science to explain the most pressing questions of human existence, many of today's postmoderns are once again boldly going where man has gone before in a desperate final quest for the hidden "holy grail" of cosmology. Erwin Schrödinger, the famed Austrian theoretical physicist who received the Nobel Prize in 1933 for his contributions to quantum mechanics, confided: "[Science] knows nothing of . . . good or bad, God and eternity. . . . Whence came I and whither go I? That is the great unfathomable question. . . . Science has no answer to it." Echoing this dilemma, British astrophysicist Sir Arthur S. Eddington, famous for his work on the theory of relativity in the early 20th century, also reasoned: "Thus, in the physical world, what a body does and what a body ought to do are equivalent; but we are well aware of another domain where they are anything but equivalent... There is a clear distinction between natural law, which must be obeyed, and moral law, which ought to be obeyed. Ought takes us outside of physics and chemistry." Postmodern thinkers take pride in the perpetual pursuit of knowledge--but the questions for readers now holding this book are clear: How will you recognize the seemingly elusive chalice of "ultimate truth" when it actually appears? And finally, what will you do with it when this coveted cup is within your grasp? In a sweeping panorama of inquiry and exploration, the timeless quest within these pages leads grail-seekers and skeptics alike to a destiny-altering consideration of the cosmos--and the question of human existence.

According to the Bible, Eve was the first to heed Satan's advice to eat the forbidden fruit and thus responsible for all of humanity's subsequent miseries. The notion of woman as the Devil's accomplice is prominent throughout Christian history and has been used to legitimize the subordination of wives and daughters. In the nineteenth century, rebellious females performed counter-readings of this misogynist tradition. Lucifer was reconceptualized as a feminist liberator of womankind, and Eve became a heroine. In these reimaginings, Satan is an ally in the struggle against a tyrannical patriarchy supported by God the Father and his male priests. Per Faxneld shows how this Satanic feminism was expressed in a wide variety of nineteenth-century literary texts, autobiographies, pamphlets, newspaper articles, paintings, sculptures, and even artifacts of consumer culture like jewelry. He details how colorful figures like the suffragette Elizabeth Cady Stanton, gender-bending Theosophist H. P. Blavatsky, author Aino Kallas, actress Sarah Bernhardt, anti-clerical witch enthusiast Matilda Joslyn Gage, decadent marchioness Luisa Casati, and the Luciferian lesbian poetess Renée Vivien embraced these reimaginings. By exploring the connections between esotericism, literature, art and the political realm, *Satanic Feminism* sheds new light on neglected aspects of the intellectual history of feminism, Satanism, and revisionary mythmaking.

Your friends, your family, your neighbors--and quite possibly even your church--are wondering: Is America at the threshold of a glorious rebirth into planetary enlightenment, peace, and brotherhood? Or have we, as forward-thinking Americans in our search for higher levels of human potential, opened a spiritual Pandora's box? Due to the occult philosophies embraced and advanced by Oprah, Dr. Oz, and countless others, Americans are rapidly awakening to what is being hailed as a paradigm shift in global consciousness. Whatever you believe, and why, one thing is certain: Today's world is the scene of a strange and growing paradox that seems to mark an important transformation in the history of mankind. For even as scientific and technological advancement is accelerating at an exponential rate, we are witnessing the greatest explosion of occultism of all time. The question is, Who is right? Is there really a threat to the American culture? And, if so, what will awaken us to the truth that sets humanity free from spiritual deception and dangerous delusions--which appear to enlighten but actually lead to enslavement? Originally written as a tool to educate and inform nonbelievers of the dangers of the New Age movement, this timely reprint of Dave Hunt's classic 1988 work will astound you all over again with its groundbreaking revelations and prophetic implications. You'll not only want to add this to your "Dave Hunt Classic" library but also pass it along to those who may be mired in the New Spirituality of today or those loved ones you wish to protect from the prowling about of our spiritual adversary.

The Sorcerer's New Apprentice

Richard Rohr and the Enneagram Secret

Occult Invasion

Answering Darwin, Dawkins, and the New Atheists

How Talmudic Ideology Is Undermining Western Culture

This study of modernism's high imperial, occult-exotic affiliations presents many well-known figures from the period 1880-1960 in a new light. *Modernism and the Occult* traces the history of modernist engagement with 'irregular', heterodox and imported knowledge.

The mythological, folkloric, and religious beliefs of Western culture have resulted in a long and ongoing history of esoteric themes in theatre from the Middle Ages to the present in Spain and the America. Now Robert Lima, a noted comparatist, brings to bear on

this material his wide knowledge of the world of the occult. Lima defines the terms "occult" and "occultism" broadly to embrace the many ways in which humans have sought to fathom a secret knowledge held to be accessible only through such supernatural agencies as alchemy, angelology, asceticism, astrology, demonolatry, divination, ecstasy, magic, necromancy, possession, Santeria, séances, voodoo, and witchcraft. The dramatic works covered range from medieval materializations of Hell to the Golden Age plays of Lope de Vega, Tirso de Molina, and Calderón de la Barca, to modern stage works by Valle-Inclán, García Lorca, Casona, Miras, and a number of significant Afro-Brazilian and Caribbean dramatists. The concluding comprehensive bibliography of the drama of the occult is invaluable.

An analysis of the invasion of our personal lives by logo-promoting, powerful corporations combines muckraking journalism with contemporary memoir to discuss current consumer culture

Discover the heart of a Calvinist "seeker" and the surprising result of his quest for truth in this true-to-life dialogue based on years of actual accounts and reasoning from the Scriptures.

A Crash Course on the New Age Movement

America

An Introduction to the Christian Countercult

Freemasonry Is a National Treasure and a Source of Our Founders' Constitutional Original Intent

Introduction to New and Alternative Religions in America

***The Enneagram has captured the imagination of and been embraced by of a growing number of evangelicals. It was first introduced into the church by disciples of Roman Catholic priest, mystic and contemplative, Father Richard Rohr. It is claimed that the Enneagram is ancient, was used by many cultures, and is not only from God but is the face of God. The Enneagram is a spiritual tool, but is it a spiritual tool which brings about better understanding of one's self and the God of Scripture? That is the question.***

***Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip.***

***Occult Invasion***Harvest House Pub

***Hypnosis: Medical, Scientific, or Occultic? reveals that hypnotism is potentially dangerous at its best and is demonic at its worst. At its worst hypnotism opens an individual to psychic experiences and satanic possession. When mediums go into hypnotic trances and contact the "dead," when clairvoyants reveal information which they could not possibly know, when fortunetellers through self-hypnosis reveal the future, Satan is at work. Hypnosis is an altered state of consciousness, and there is no difference between the altered state of consciousness and the shamanic state of consciousness. Satan transforms himself into an angel of light whenever necessary to accomplish his schemes. If he can make an occult practice (hypnosis) look beneficial through a false facade (medicine or science), he will. It is obvious that hypnosis is lethal if used for evil purposes. However, we contend that hypnosis is potentially lethal for whatever purposes it is used. The moment one surrenders himself to the doorway of the occult, even in the halls of science and medicine, he is vulnerable to the powers of darkness.***

***What would it mean if the Hebrew name of Jesus (Yeshua) was encoded in virtually every messianic prophecy in the Old Testament? Yacov Rambsel is astonishing millions of biblical scholars and Christians with his discovery that God encoded the name of His beloved son in passages of Scripture that were written more than 700 years before Christ was born. Written by a Messianic Jew, His Name is Jesus illustrates impressive new evidence for the inerrancy of Scripture and the presence of Jesus' name throughout the Old Testament.***

*The following pages were not in the first instance written to prove the divinity of the Catholic Religion, though ultimately they furnish a positive argument in its behalf, but to explain certain difficulties in its history, felt before now by the author himself, and commonly insisted on by Protestants in controversy, as serving to blunt the force of its primâ facie and general claims on our recognition. However beautiful and promising that Religion is in theory, its history, we are told, is its best refutation; the inconsistencies, found age after age in its teaching, being as patent as the simultaneous contrarieties of religious opinion manifest in the High, Low, and Broad branches of the Church of England. In reply to this specious objection, it is maintained in this Essay that, granting that some large variations of teaching in its long course of 1800 years exist, nevertheless, these, on examination, will be found to arise from the nature of the case, and to proceed on a law, and with a harmony and a definite drift, and with an analogy to Scripture revelations, which, instead of telling to their disadvantage, actually constitute an argument in their favour, as witnessing to a superintending Providence and a great Design in the mode and in the circumstances of their occurrence.*
