*Discover the amazing true story of Maria Mitchell, America's first professional female astronomer. Every evening, from the time she was a child, Maria Mitchell stood on her rooftop with her telescope and swept the sky. And then one night she saw something unusual—a comet no one had ever seen before! Miss Mitchell's extraordinary discovery made her famous the world over and paved the way for her to become America's first professional female astronomer. Gorgeously illustrated by Diana Sudyka, this moving picture book about a girl from humble beginnings who became a star in the field of astronomy is sure to inspire budding scientists everywhere.*

*From the internationally bestselling author of *The Windfall*. . . . What could go wrong at a lavish Indian wedding with your best friend and your entire family? "A witty and romantic novel perfect for all readers."—Terry McMillan **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE AND NEW YORK POST** When Tina Das finds herself at a crossroads both professionally and personally, she wonders if a weeklong trip to Delhi for her cousin's lavish wedding might be just the right kind of escape. Maybe a little time away from New York will help get her mind straight about her stalled career, her recent breakup, and her nagging suspicion that she'll never feel as at home in America as she does in India. Tina hopes this destination wedding, taking place at Delhi's poshest country club, Colebrookes, will be the perfect way to reflect and unwind. But with the entire Das family in attendance, a relaxing vacation is decidedly not in the cards. Her amicably divorced parents are each using the occasion to explore new love interests—for her mother, a white American boyfriend, for her father, an Indian widow arranged by an online matchmaker—and Tina's squarely in the middle. A former fling is unexpectedly on the guest list, a work opportunity is blurring the lines of propriety on several fronts, and her best friend Marianne's terrible penchant for international playboys is poised to cause all sorts of chaos back home. The accommodations are swanky, the alcohol is top-shelf, but this family wedding may be more drama than Tina can bear and could finally force her to make the choices she's spent much of her life avoiding. Infused with warmth and charm, *Destination Wedding* grapples with the nuances of family, careers, belonging, and how we find the people who make a place feel like home. What do you get when Andy Griffith meets *Night at the Museum*? A comedic novel called *Skunks, Trunks, and Pedro*. Chris Banks, a newly appointed sheriff, is up for a rude awakening as Wallace and Willie Gumble, two backwoods twins with more money than sense, strive to break every stupid law on the books, including whaling...in Oklahoma. All Chris wants to do is propose to Debbie Morgan and settle into small-town bliss. But with a town mayor who dresses up like a skunk, a stuffed buffalo named Pedro making appearances, and a bipolar midget chasing a circus-trained elephant named Trunks, it's going to take a miracle to get the words, "Will you marry me?" out. There's also Richard Stone,*

*a close friend who is dying from cancer. Chris is his only option to care for his sixteen-year-old daughter, Shelly. Chris can't seem to handle the wildlife and isn't so sure he's going to fare much better with a teenager, but when life hands you livestock, you just have to join the herd. For Chris, that just might mean a life not only with Debbie but also Shelly.*

*Arriving in New York to pursue a creative career in the raucous 1970s art scene, Reno joins a group of dreamers and raconteurs before falling in love with the estranged son of an Italian motorcycle scion and succumbing to a radical social movement in 1977 Italy. *Feisty, stubborn, and bored with life in Texas, Anne Best is about to get more than she bargained for. The lovely widow heads off to the Big Apple for a job interview, expecting no more than a few days adventure in New York City, only to find herself with a new job working for the most infuriating man she's ever met. Billionaire Steven Gherring is one of New York's Most Eligible Bachelors, and he has every intention of staying that way. But Gram has other ideas. She's on a not-so-secret campaign to find a wife for her grandson. As fearless as she is clumsy, Anne tackles every challenge (including her new boss) enthusiastically, with two lone exceptions... public speaking and recognizing her own feelings. Passions rise along with hemlines as Gram joins forces with Anne, a veteran matchmaker, to find the perfect match for Steven. "If you like Hallmark movies, you'll love *The Best Girls!*" "It may not be realistic, but I wish it could actually happen!"*

*A visceral story of friendship, music, and bloody revenge Rachel feels like she doesn't fit in - until she finds heavy metal and meets Fern, a kindred spirit. The two form their own band, but the metal scene turns out to be no different than the misogynist world they want to change. Violent encounters escalate, and the friends decide there's only one way forward . . . A bloodstained journey into the dark heart of the music industry, *Boring Girls* traces Rachel's deadly coming of age, Fern at her side. As the madness deepens, their band's success heightens, and their taste for revenge grows ravenous.*

*A passionate and profane love letter to fall, the best fucking season of the year. Do you get excited at the first brisk breeze of the year? Are you overcome with delight when you see piles of red leaves? Do you lose your fucking mind at a pumpkin patch? At last, the epically funny internet sensation *It's Decorative Gourd Season, Motherfuckers* is now a visual tour-de-force, teeming with a cornucopia of perfectly paired photos and seasonal enchantments to make it really fucking sing. Whiffy candles, wicker baskets, motherfucking gourd after gourd, and people going insane they love fall so much? Check! Also included: the equally lifechanging meditation *It's Rotting Decorative Gourd Season, Motherfuckers*, because all good things must end. Give it to everyone you love, or put it on your fucking coffee table next to a pile of shellacked vegetables to really tie the room together. Perfect for: For anyone who fucking loves fall, and fans of *McSweeney's*, *Go the Fuck to Sleep*, *Deep Thoughts*, *the Onion*, and *the New Yorker*.*

*An Adoption Adventure*

One evening at dusk a wind current carries a lone firefly out over the sea. Glancing down into the water, the insect is mesmerized by the glowing bioluminescence, mistaking it for other fireflies. Seeking company, the firefly plunges into the waves. Luckily, there are human bystanders who can lend a hand. Based on an event witnessed by nature writer and ecologist Rachel Carson (*The Sea Around Us* and *Silent Spring*) where a firefly attempts to join its "family" in the ocean, this lyrical story written in verse perfectly illustrates the wonder and delight the natural world offers those who pay close enough attention. Back matter includes science facts about fireflies and bioluminescence, as well as information about Carson's life.

**#1 NEW YORK TIMES BESTSELLER** • The book that sparked a revolution and inspired the hit Netflix series *Tidying Up with Marie Kondo*: the original guide to decluttering your home once and for all. **ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE**—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

At sixteen, Jennifer Landry thinks the worst thing that can happen is getting pregnant, but when Waylan Thompson, her boyfriend of two years, suddenly dies in a car wreck and Jennifer miscarries, she thinks her life is over. Still, Sean, Waylan's older brother, manages to pull her through. Although the two lose contact for years, Jennifer runs into Sean as she is raising her two teenage sons alone. He, too, is divorced. The years have allowed them both to heal into adults who share a mutual scar, and what was once simply a foundation of shared grief becomes more, especially as Jennifer faces another possible loss—her oldest son, who wrecks on an icy road. It's going to take everything Sean has to save her again, and he has to; he can't imagine his world without her in it.

An expert in the Americans with Disabilities Act (ADA) and California's Fair Employment and Housing Act (FEHA), Rachel Shaw is the foremost executive-level human resources compliance trainer in the country. As principal of Shaw HR Consulting for more than 15 years, she has helped thousands of public and private

sector employers to manage their most challenging personnel issues related to disability compliance, leave management, and workers' compensation. Now, with "The Disabled Workforce," Rachel has written the book on ADA compliance, using straight talk to clarify confusing and complicated disability discrimination laws, while revealing her signature methods for managing the disability interactive process and its many challenges, including leave management, discipline issues, mental disabilities, fraudulent claims, and more. Inside are practical tools and easy-to-follow strategies for employers who navigate the interconnected roles of human resources, workers' compensation, and disability compliance. By applying Rachel's revolutionary Disability Interactive Process Hallway(TM), your organization will pinpoint legitimate accommodation requests and develop creative solutions while weeding out inappropriate claims. This proven approach saves organizations considerable time and money, reduces litigation, and improves employee-employer relations. "The Disabled Workforce" is an indispensable tool for human resources and risk management professionals to master ADA compliance while nurturing their diverse and dynamic workforces.

Over the Moon

It's Decorative Gourd Season, Motherfuckers

Lacing cultural criticism, Victorian literature, and storytelling together, Too Much explores how culture corsets women's bodies, souls, and sexualities - and how we might finally undo the strings. Written in the tradition of Shri!ll, Dead Girls, Sex Object and other frank books about the female gaze, Too Much encourages women to reconsider the beauty of their excesses - emotional, physical, and spiritual. Rachel Vorona Cote braids cultural criticism, theory, and storytelling together in her exploration of how culture grinds away our bodies, souls, and sexualities, forcing us into smaller lives than we desire. An erstwhile Victorian scholar, she sees many parallels between that era's fixation on women's 'hysterical' behavior and our modern policing of the same; in the space of her writing, you're as likely to encounter Jane Eyre and Lizzie Bennet as you are Britney Spears and Lana Del Rey. This book will tell the story of how women, from then and now, have learned to draw power from their reservoirs of feeling, all that makes us 'too much'.

One moment, Carrie Williams is eight months pregnant and driving to meet her husband Robbie. The next, a silver streak rushes into her car's path. Carrie tries to turn the wheel, resulting in a horrific accident. It is in Carrie's dying moments that she sees the alien, an explorer from a race who doesn't believe humans exist. After the alien almost collides with car, she senses the small life form in Carrie's body and merges her form with that dying human body to save a life, unaware how that single choice will change everything for both races.

When Finn finds a feather he believes was sent by his deceased brother, Hamish, his mother and teacher are not excited but his friend Lucas helps him find great joy in Hamish's gift.

Edward Colborne was born in England and immigrated to Massachusetts in 1635. Edward was the father of nine children, one of whom was John Colburn (1644-1695) who was born in Ipswich, Massachusetts. John married Susannah Read and they were the parents of nine children. Descendants live in North Dakota, South Dakota, California and other parts of the United States.

Love at the Border

To save his family from his tyrannical mother, Julius had to step on a lot of tails. That doesn't win a Nice Dragon many friends, but just when he thinks he's starting to make progress, a new threat arrives. Turns out, things can get worse. Heartstriker hasn't begun to pay for its secrets, and the dragons of China are here to collect. When the Golden Emperor demands his surrender, Julius will have to choose between loyalty to the sister who's always watched over him and preserving the clan he gave everything to protect.

Love Is Unwavering Elizabeth and Lev believe the danger with the dark angels and the Dagger of Light are finally behind them, but with Elizabeth's sacrifice comes a new more menacing threat as whatever power the dagger once possessed now possesses Elizabeth, endangering all those she loves most. In a last ditch effort to protect them, Elizabeth runs away, unaware her fate rests with a Triune of angels who have come to judge her transgressions against others of their kind.

For years, the human and vampire residents of Morganville, Texas, have managed to co-exist in peace. But now that the threat to the vampires has been defeated, the human residents are learning that the gravest danger they face is the enemy within... Thanks to the eradication of the parasitic creatures known as the draug, the vampires of Morganville have been freed of their usual constraints. With the vampires indulging their every whim, the town's human population is determined to hold on to their lives by taking up arms. But college student Claire Danvers isn't about to take sides, considering she has ties to both the humans and the vampires. To make matters worse, a television show comes to Morganville looking for ghosts, just as vampire and human politics collide. Now, Claire and her friends have to figure out how to keep the peace without ending up on the nightly news...or worse.

Wingman rule number two: never reveal how much you want them. Lex hates Gabi. Gabi hates Lex. But, hey, at least the hate is mutual, right? All Lex has to do is survive the next few weeks training Gabi in all the ways of Wingmen Inc. and then he can be done with her. But now that they have to work together, the sexual tension and fighting is off the charts. He isn't sure if he wants to strangle her or throw her against the nearest sturdy table and have his way with her. But Gabi has a secret, something she's keeping from not just her best

friend but her nemesis too. Lines are blurred as Lex becomes less the villain she's always painted him to be...and starts turning into something more. Gabi has always hated the way she's been just a little bit attracted to him--no computer-science major should have that nice of a body or look that good in glasses--but "Lex Luthor" is an evil womanizer. He's dangerous. Gabi should stay far, far away. Then again, she's always wanted a little danger.

She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.**

An alien makes an unexpected friend in this irresistible picture book about finding your place in the universe. Marty is a tiny green Martian who lives here on Earth. You've never noticed him before, because he is undercover . . . Marty wears disguises and studies human behavior in order to fit in. He is always watching, learning, and laughing. And then one day, after much preparation, Marty gets a job! He loves to watch his customers, and he even makes some friends. But Marty knows he can never reveal his secret. Humans are terrified of Martians. When his cover gets blown, Marty needs somewhere safe to go. Who will see beyond his strange, green looks to show him kindness? This adorable story of an outsider with a good heart reminds readers that everyone needs a place to call home--and a friend for company. Zoey Abbott's colorful art, full of elaborate costumes and whimsical details, pops against Rachel Nobel's spare, sweet text. With its charming way of promoting inclusivity, the book makes for a perfect companion to All Are Welcome.

Seventeen-year-old Misha Malloy has always dreamed of Ramsey, a beautiful teenager from a world called Alterna. Ramsey has always been there to love and protect her, but even he could not stop the car accident which left her in a coma; however, six months later, Misha has recovered and quickly finds that her world and Alterna are blending. Ramsey now comes to her in the flesh, and so does his brother, Elijah, who will stop at nothing to make Ramsey pay for an old transgression--including killing Misha.

Unflinching and gorgeously written, this feminist novel is important, timely, and a compulsive read. From the highly acclaimed author of the beloved *The Accident Season* comes an epic breakout novel examining the very topical and controversial issue of women's sexual and reproductive rights, which has never been higher on the public's radar. When Deena's wild older sister Mandy goes missing, presumed dead, Deena refuses to believe it's true. Especially when letters start arriving--letters from Mandy--which proclaim that their family's blighted history is not just bad luck or bad decisions but a curse, handed down to women from generation to generation. Mandy's gone to find the root of the curse before it's too late for Deena. But is the curse even real? And is Mandy still alive? Deena's desperate, cross-country search for her beloved sister--guided only by the notes that mysteriously appear at each destination, leading her to former Magdalene laundry sites and more--is a love letter to women and a heartbreaking cathartic journey.

Seventeen-year-old Elizabeth Moon has been dreaming of her murder her entire life, and in those dreams, a dark presence is there, watching. When she returns home to Hauser's Landing, the very place her father disappeared, she comes in contact with a gorgeous boy

named Lev Walker, and it's not long before she's falling in love. But there's something wrong with Lev. When she realizes he's the eerie watcher in her dreams, she'll have to discover the truth. Is he a guardian angel or a sojourner, an angel of death who has come to collect her soul?

Seventeen-year-old Misha Malloy has always dreamed of Ramsey, a beautiful teenager from a world called Alterna. Ramsey has always been there to love and protect her, but even he could not stop the car accident which left her in a coma; however, six months later, Misha has recovered and quickly finds that her world and Alterna are blending. Ramsey now comes to her in the flesh, and so does his brother, Elijah, who will stop at nothing to make Ramsey pay for an old transgression--including killing Misha. *Dreamwalker: Reckoning* Misha Malloy is lucky--she has a dream of a guy who loves her, literally. Her boyfriend, Ramsey, is a dreamwalker from the world of Alterna. In *Dreamwalker*, he came to protect her from his younger brother, Elijah, who covets all that his older brother has, including Misha and the throne of Alterna that Ramsey will one day ascend to. Yes, he will one day be king...if Elijah doesn't kill him first. Misha knows Elijah has taken Ramsey deep into Alterna. She knows because Elijah taunts her with nightmares of Ramsey's death at his hands, drawing Misha into a world she thinks is only a dream, a place she thinks she's never really been, but there's much Misha doesn't know. *Dreamwalker: Abattoir* In *Dreamwalker: Reckoning*, Misha Malloy just barely saved both Ramsey and herself from Elijah by banishing him from Alterna forever. It never occurred to her that in doing so, she might put her world in danger and that Elijah would stop at nothing to destroy all that she holds dear. What began in Alterna is now going to be finished in a world that doesn't even know about dreamwalkers and isn't prepared for all the beasts of such a mythical world, but Elijah and the witch Loreli now have an army of creatures ready to slaughter anyone opposed to them and the final battle is about to change everything we understand about dreams and reality.
