Build 52 galaxy-hopping LEGO spacecraft that can fit in the palm of your hand! Complete with step-by-step instructions and stunning full-color photography. LEGO Space Projects rocket right past the standard science-fiction tropes, taking you to the edge of galactic design. The models in this book are built for enlightened celestial ambitions, like botanical research, comet mining, solar sailing, and experimental drive testing. Get inspired by real-life spacecraft as you transform a handful of bricks into NASA-grade propulsion systems, heat shields, and solar collectors. Or let your imagination soar as you snap together an explorer mecha with maneuvering thrusters and hypersonic Cloud Skimmer. LEGO fans of all skills and ages will have a blast building dozens of cleverly styled models, from sleek to comical, from retro to futuristic, from space stations to flying saucers—and beyond. Projects range from 8 bricks to 100, and are brought to life by stunning full-color photography, witty descriptions, and detailed technical specs. Build them using the book's clear, step-by-step instructions, or use the techniques as a launchpad for your own designs! The wisecracking ninjas are back with all-new adventures! The Masters of Spinjitzu and the wise Sensei Wu are back in this brand-new chapter book based on the latest TV season of LEGO® Ninjago(tm)! Join the ninja warriors as they fight enemies old and new and encounter challenges that will test their strength. Will they be victorious in the battles ahead? Only time will tell!

The wise-cracking Masters of Spinjitzu are hitting the big screen in September 2017! An activity book with minifigure based on the animated film! The wise-cracking Masters of Spinjitzu are hitting the big screen in September 2017! Scholastic is there with all the must-have movie tie-in books for our favorite ninjas' big-screen debut.
