Ogni Goccia Balla Il Tango Rime Per Chiara E Altri Pulcini

"Meet Monsieur Monet, the French painter with a green thumb! Over one hundred years ago, Claude Monet created a beautiful garden in Giverny in northern France. The painter was inspired by bright Japenese art to fill his garden with irises, poppies, tulips, roses and, of course, water lilies. He employed a team of up to ten gardeners to care for it. The garden grew to be both Monet's most exquisite masterpiece, and his greatest inspiration. He celebrated it in many of his glorious impressionist paintings." -- Publisher's desription

Alfie lives off the coast of England. Merry lives in New York City. Until Merry and her mother set sail on the Lusitania for England, where Merry's father is recuperating from a war injury. People told them not to go, hearing rumors that the Lusitania might be carrying munitions. But they are desperate to be reunited with Merry's father. Alfie and his father find a lost girl in an abandoned house on a small island. The girl doesn't speak, except to say what sounds like "Lucy." Alfie's mother nurses her back to health. The others in the village suspect the unthinkable: Lucy is actually German-an enemy-because she's found with a blanket with a German tag. Told from Alfie and Merry's points of view, this exquisite novel tells of friends, enemies, and unexpected kindnesses.

Philippe Daverio is one of Italy's most important contemporary art historians, whose discerning comments about art are voraciously consumed by the public through his writing as editor of the famed magazine Art e Dossier and his platform on a leading Italian television program Passepartout. Now, in his first full-length work of narrative nonfiction, Daverio uses the conceit of creating his own perfect museum gallery and in the process reexamines major artistic masterpieces of Western art. Daverio turns his critical eye on the place of Western art in contemporary twenty-first-century culture and how we relate to art generally. According to Daverio, we relate to the history of art based on views that crystallized in the nineteenth century, and so we look to the past to understand the present, though the present is what truly matters to everyone. Daverio means to challenge this perspective, and guided by his curiosity and personal taste, he examines key masterworks to rediscover the true meaning and power they had before they became commoditized and clichéd. Some distinctive features of this illustrated eBook are: • 800+ full size and detailed images of paintings and drawings. • 280+ artworks with pop-up ability. • 160 thumbnails with links showing the setting of the work and location in its home museum, with informational text. • 92 links to museum websites that house the real works. The Italian-language edition of The Ideal Museum ebook has been awarded the QED Seal (Quality, Excellence, Design)—the premier award for ebooks and book apps—by the council of the Publishing Innovation Awards. This award recognizes the title's portability and readability, providing the best reading experience possible.

Una raccolta di prose e interventi di un grande scrittore, un libello prezioso, agile ma densissimo, in cui Pierluigi Cappello racchiude con estrema semplicità e fascino letterario il suo personale concetto di poesia. Una ricerca della "realtà ignota" nascosta nella "realtà nota", così come accade nella celebre fotografia di José Enrique Azevedo: lo scatto di una violenta tempesta nelle Azzorre, con le forti onde che sbattono sulle scogliere, scopre il profilo di un vecchio, la barba d'acqua e i folti capelli bianchi di schiuma. È Nettuno, il dio del mare. Una rivelazione: da quel "saper vedere le cose" emerge una realtà carica di simbolismi, un senso poetico che Cappello cerca di osservare da varie angolazioni in questi scritti, incuneati tra il saggio, il racconto e la prosa d'arte. Dal medioevo dantesco alla guerra di Troia alla Germania nazista, da Ungaretti a D'Annunzio a Pasolini, il poeta friulano solleva il velo della verità apparente per accompagnarci attraverso le forme nuove di un mondo che non abbiamo mai visto prima.

L'autrice è stata per anni insegnante di lingua Inglese presso l'istituto tecnico commerciale "R. Serra" di Cesena, dove risiede. Fin da ragazza amava scrivere poesie, amore che non ha mai abbandonato perché l'ispirazione è sempre sorta spontanea e irreprimibile in base a fatti o sentimenti profondamente percepiti. Da quando è in pensione, viaggia molto curando molteplici interessi, non ultimo quello per le Aurore Boreali che la portano ogni inverno oltre il Circolo Polare Artico per assistere a questo incredibile fenomeno della Natura. Da circa sette anni studia e balla il tango argentino che sente come il modo a lei congeniale di esprimere la musica attraverso il ballo. Va spesso a Buenos Aires, culla del vero tango argentino, dove si perfeziona approfondendo anche l'aspetto maggiormente legato alla relazione di sé con l'altro e con gli altri. Ovviamente non potevano mancare in questa raccolta, poesie ispirate dal tango e dai "tangueros" con cui ha ballato in tutti questi anni. Si diletta, inoltre a scrivere poesie in Inglese, in Spagnolo e anche in dialetto Siciliano che è un altro dei suoi molteplici amori.

"Pierluigi Cappello's poems seem all to have been written in pencil: elegies for fading memories, they threaten impermanence on the page. And yet the words hold, so assured are they in their leave-taking. What results is a startling optimism, a cool resignation. 'The future is what remains, what's left of all that's been called upon' he writes in the poem 'Shadows'--and then, as if in revolt: 'to the rifling past of 'summoned faces, I add my own'"--

An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller Gomorrah "Zero zero zero" flour is the finest, whitest available. It is also the nickname among narcotraffickers for the purest cocaine on the market. And it is the title of Roberto Saviano's unforgettable exploration of the workings of the global cocaine trade—its rules and armies, and the true depth of its reach into the world economy. Saviano's Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the cooperation, Savaiano has broadened his perspective to take in the entire global "corporate" entity that is the drug trade and the complex money-laundering operations that allow it to function, often with the help of the world's biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy. Saviano tracks the shift in the cocaine power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, ZeroZeroZero is an investigative story like none other. Praise for ZerZeroZero: "[Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical meaning of violence in the modern world. . . . Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators." —Financial Times

A collection of essays from the visionary storyteller Gianni Rodari about fairy tales and folk tales and their great advantages in teaching creative storytelling. "Rodari grasped children's need to play with life's rules by using the grammar of their own imaginations. They must be encouraged to question, challenge, destroy, mock, eliminate, generate, and reproduce their own language and meanings through stories that will enable them to narrate their own lives." --Jack Zipes "I hope this small book," writes renowned children's author Gianni Rodari, "can be useful for all those people who believe it is necessary for the imagination to have a place in education; for all those who trust in the creativity of children; and for all those who know the liberating value of the word." Full of ideas, glosses on fairytales, stories, and wide-ranging activities, including the fantastic binomial, this book changed how creative arts were taught in Italian schools. Translated into English by acclaimed children's historian Jack Zipes and illustrated for the first time ever by Matthew Forsythe, this edition of The Grammar of Fantasy is one to live with and return to for its humor, intelligence, and truly deep understanding of children. A groundbreaking pedagogical work that is also a handbook for writers of all ages and kinds, The Grammar of Fantasy gives each of us a playful, practical path to finding our own voice through the power of storytelling. Gianni Rodari (1920-1980) grew up in Northern Italy and wrote hundreds of stories, poems, and songs for children. In 1960, he collaborated with the Education Cooperation Movement to develop exercises to encourage children's creative and critical thinking abilities. Jack Zipes is a renowned children's historian and folklorist who has written, translated, and edited dozens of books on fairytales. He is a professor at the University of Minnesota. Matthew Forsythe lives in Montreal where he draws and paints for picture books, comics, and animations.

A stand-alone thriller from best-selling Italian crime writer Gianrico Carofiglio, whose work has been translated into twenty-four languages. Every Monday and Thursday, Roberto Marías crosses Rome on foot for his appointment with his psychiatrist. There he sits in silence, flooded by memories. He remembers surfing with his father as a child. He remembers the treacherous years he spent working as an undercover agent, years that taught him how cynicism and corruption are not merely external influences but exist within us as well. His past has left him devastated, but now his psychiatrist's words, his hypnotic strolls through Rome, and a chance meeting with a woman named Emma—who, like Roberto, is ravaged by a profound guilt—begin to painfully revive him. And when eleven-year-old Giacomo asks Roberto to help him conquer his nightmares, Roberto at last achieves a true rebirth. A thriller about human faults, frailties, and the painful bond between fathers and sons. Praise for The Silence of the Wave: "A novel distinguished by the natural gift of prose as smooth and silent as a perfect wave." —Paolo Di Stefano, Corriere della Sera "A literary jigsaw full of plot twists." —Luciana Sica, La Repubblica

Il tango è sensualit à , seduzione, passione. Fatto di regole, gesti e sguardi, è un ballo tra anime, non solo tra corpi, è gioco di forme, di combinazioni possibili, e per Mario, il tangh è ro protagonista di questa raccolta, rappresenta un microcosmo in cui gravitano donne fatali e sanguigne, maestri esotici, fotografi aggressivi, principianti allo sbaraglio. Tra vicende reali e surreali, milonghe affollate e personaggi bizzarri, mocassini aerodinamici e posture impeccabili, il tango diviene sentimento, "pensieri tristi che si ballano" in quell'abbraccio fra uomo e donna perfetto come perfette devono essere le scarpe, amatissime dalle ballerine, con i tacchi vertiginosi e i laccetti colorati. Attraverso i diciassette racconti di Vado a comprarmi le scarpe da tango si compone, cos ì , un viaggio musicale che indaga con passo leggero e ritmo serrato la comunicazione umana, le relazioni emotive, la vita nelle sue intense e delicate geometrie.

But this is no ordinary shop: it's a toyshop, full of the most amazing toys, and brimming with the most wonderful magic. And here Noah meets a very unusual toymaker. The toymaker has a story to tell, and it's a story of adventure and wonder and broken promises. He takes Noah on a journey. A journey that will change his life.

One day you will be happy, but first life will teach you how to be strong. A powerful novel, charged with strong emotions, with a cadenced rhythm. A story of domestic violence, of psychological abuse that will grab you in the gut. Mysia, a young woman, and her monochromatic life that step by step will become increasingly tinged with black, a black that knows sadness, fear, mourning. And in an escalation of violence, when the situation seems to become irreparable, impossible to bear, it will seem as if there is only one solution... But life is sometimes able to surprise us, and although this will not represent a fair reward for the wrongs suffered, perhaps over time it will be able to mitigate the memories, cushioning sharp edges and opening an unhoped-for glimmer of light. Every one of us deserves a life in color, deserves to finally be the architect of our own destiny, without succumbing any longer, to finally be free to love, to love each other. PUBLISHER: TEKTIME
