“Savily combines literary themes and cross-stitch designs in [a] visually appealing collection of projects . . . delightful.” —Publishers Weekly
Inside Book Riot’s Lit Stitch, you’ll find a number of badass, bookish cross-stitch patterns to let you show off your love of all things literary. Some are for bookmarks, others are for wall decor, and still others can take on a whole host of finished outcomes. What they have in common is their literary bent—the patterns speak to all manner of literary-minded book lovers, who are happy to display their nerdier sides. And what better way than through your own cross-stitch art to hang on your wall, prop on your desk, or even gift to friends and family? Most if not all are beginner-friendly and can be completed in a few hours—instant stitchification! So grab yourself some excellent embroidery floss, hoops, and needles, and pick out one or more of these great cross-stitch patterns for your next project.

A dark, engrossing, blood-drenched tale of the familiar threats to female power—and one girl’s journey to regain it. Five starred reviews greeted this powerful story from Elana K. Arnold, author of the Printz Honor winner *Dansel*. You are alone in the woods, seen only by the unblinking yellow moon. Your hands are empty. You are nearly naked. And the wolf is angry. Since her grandmother became her caretaker when she was four years old, Bisou Martel has lived a quiet life in a little house in Seattle. She’s kept mostly to herself. She’s been good. But then comes the night of homecoming, when she finds herself running for her life over roots and between trees, a fury of claws and teeth behind her. A wolf attacks. Bisou fights back. A new moon rises. And with it, questions. About the blood in Bisou’s past, and on her hands as she stumbles home. About broken boys and vicious wolves. About girls lost in the woods—frightened, but not alone.

This collection of 13 essays offers insights into Gilles Deleuze’s philosophy of law which experiments with new forms of politics, economics and society.

A National Book Award–winning author’s “moving” novel about “the emotional costs of mental illness, especially on teens forced to parent their own parents” (Booklist, starred review). His mother has died. His father is going crazy. For fifteen-year-old Jason, the only relief as he tries to hold things together is the group of imaginary friends who offer guidance as he tries not to draw attention to his father’s deteriorating condition—or to himself. But between the traumas of his childhood and the squalor and stress he’s dealing with right now, Jason’s attempts to remain invisible may not be enough. To find a solution to this very real problem, he just might have to reach out to some very real people . . . In this compelling story by the author of Dancing on the Edge, Han Nolan “balances weighty subject matter with humor, offering an intelligent portrayal of a boy’s slow release of burdens too heavy to carry alone” (Publishers Weekly).

Eraser is always cleaning up everyone else’s mistakes. Except for Ruler and Pencil Sharpener, none of the other school supplies seem to appreciate her. They all love how sharp Pencil is and how Tape and Glue help everyone stlck together. Eraser wants to create so that she can shine like the others. She decides to give it a try, but it’s not until the rubber meets the road that Eraser begins to understand a whole lot about herself. Inspired by a school essay their daughter Kate wrote in the third grade, the author and illustrator behind Theodor Seuss Geisel Award-winner You Are (Not) Small have created a desktop drama about figuring out who you are, finding happiness, and the importance of second, third, and maybe even fourth chances.

The GMAT Roadmap guide provides the definitive blueprint for students to follow as they get ready for the GMAT. All the test-taking wisdom gathered over the years by Manhattan Prep GMAT instructors has been distilled into practical advice and helpful tips. Success of the GMAT requires far more than content knowledge – it requires excellent strategy and proper execution of that strategy. The Guide helps students map out their studying, stick to their game plan, and manage test anxiety on the GMAT itself. It’s like having a Manhattan Prep instructor at your fingertips! All of Manhattan Prep’s GMAT Strategy Guides are aligned with the 2016 Edition GMAC Official Guide.

For more than 30 years the author has dazzled the public with his flamboyant creations. His blown glass works are on display in more than 180 museums around the world. This volume focuses on his most imposing creations.

“Remarkable personal journals . . . revealing the combat experience of the German-Russian War as seldom seen before . . . a harrowing yet poignant story” (Military Times). Hans Roth was a member of the anti-tank panzerjäger battalion, 299th Infantry Division, attached to the Sixth Army, as the invasion of Russia began. As events transpired, he recorded the tension as the Germans deployed on the Soviet frontier in June 1941. Then, a firestorm broke loose as the Wehrmacht tore across the front, forging into the primitive vastness of the East. During the Kiev encirclement, Roth’s unit was under constant attack as the Soviets desperately tried to break through the German ring. At one point, after the enemy had finally been beaten, a friend serving with the SS led him to a site—possibly Babı Yar—where he witnessed civilians being massacred. After suffering through a brutal winter against apparently endless Russian reserves, his division went on the offensive again when the Germans drove toward Stalingrad. In these journals, attacks and counterattacks are described in you-are-there detail. Roth wrote privately, as if to keep himself sane, knowing his honest accounts of the horrors in the East could never pass Wehrmacht censors. When the Soviet counteroffensive of winter 1942 begins, his unit is stationed alongside the Italian 8th Army, and his observations of its collapse, as opposed to the reaction of the German troops sent to stiffen its front, are of special fascination. Roth’s three journals were discovered many years after his disappearance, tucked away in the home of his brother. After his brother’s death, his family discovered them and sent them to Rosel, Roth’s wife. In time, Rosel handed down the journals to Erika, Roth’s only daughter, who had emigrated to America. Roth was likely working on a fourth journal before he was reported missing in action in July 1944. Although his ultimate fate remains unknown, what he did leave behind, now finally revealed, is an incredible firsthand account of the horrific war the Germans waged in Russia.

A savvy connoisseur’s guide from the editors of the world’s most popular cannabis platform. Cannabis is at the very beginning of a craft and educational renaissance. It is emerging from the legislative shadows and a second awakening is occurring: people are proactively seeking information about how to properly consume and enjoy it. And cannabis is a wildly diverse product, even more so than alcohol. Consumers can experience not only different flavor profiles, but also different cerebral and body effects; they can consume using different methods, from vaporization to combustion to topical application, and they can pick and choose between an ever-growing number of different strains and products. THE LEAFLY GUIDE TO CANNABIS provides all the best tips to navigating this growing market in a definitive guide that will enhance every user’s enjoyment and high.

365 Days

Retiring prosecutor Jessica Yardley can’t turn down one last investigation. This time, it’s a set of murders inspired by a series of grisly paintings called The Night Things. She’s the only one who can catch the killer, who’s left a trail of bodies in a rural community outside of Las Vegas.

A GRIPPING SUPERNATURAL THRILLER - Book 1 of the MORIUM TRILOGY If you had the powers to avenge yourself... would you? Bullied... Years of shame... Lexi and Nathan knew pain. MORIUM is the story of Alexandria and Nathan..., and Stacy. Three teenagers who were victims of bullying all through high school. They kept their torment a secret from their family and tried to cope in their own way. They only had each other. Their friendship saw them through the seemingly endless years of suffering. But hope was in sight... they will be graduating soon. The vision of a new life away from the bullies and the constant humiliation, gave them something to look forward to. If only that day came sooner. One night, Lexi and Nathan saw an object fall from the sky and went to investigate. As they touched the rock, a strange power entered their bodies. Suddenly, they’re not helpless anymore. They can get revenge for all the suffering and pain they had to endure. How will they use these powers? MORIUM discusses the moral dilemma of doing what’s right against getting revenge. When your dignity has been shattered and your life has been a living hell... what is RIGHT?

An exceptionally beautiful and hospitable country, Oman is a researchers delight, with archives and manuscripts, archaeological and ethno-archaeological attractions ranging from pre-Islamic Arabia to the present, and modern multi-tribal communities. Located on the southern edge of the Persian Gulf, where the Arabian Sea and the Indian Ocean meet and control the entrance to the Persian Gulf, it has stood at a commercial and cultural crossroads for centuries. But with commercial sea routes also to Africa and Asia, it is simultaneously a contemporary state that combines modernity and tradition, religion and multiculturalism -- a place where the present meets the past without being bound by it. It is, thus, no accident that Ibadis have played and continue to play an important role in the history of Muslim theology and its political theory, a role that only in recent years has begun to be acknowledged in international academic circles. This volume presents the proceedings of the first international conference dedicated to Ibadism and the Sultanate of Oman, which was held at Aristotle University of Thessaloniki in November 2009. The goal of the conference was to introduce Ibadism and Ibadi Studies to the worldwide research community and, indeed, it has served as the springboard for other conferences and the founding of academic groups dedicated to Ibadism and the Sultanate of Oman. In the first part of this volume, we are guided through Ibadi history, theology, and jurisprudence while the second part opens the reader to a broad vista on the dialectics between religion, society, and politics within contemporary Ibadi communities and especially that of Oman. By introducing Ibadism to the broader academic community, we hope to contribute to the mutual understanding and rapprochement of peoples, cultures, and religions. In this regard, each paper in the present volume has lasting value. (Luxury Edition)

Beautiful Savage

A Handbook for the Modern Consumer

Intended as the primary text for introductory courses on medical anthropology, this book integrates human biological data relevant to health and disease with both evolutionary theory and the social environments that more often than not produce major challenges to health and survival. Becausestudents who take this fastest-growing anthropology course come from a variety of disciplines (anthropology, biology, especially pre-med students, and health sciences, especially), the text does not assume anything beyond a basic high-school level familiarity with human biology and anthropology. Theauthors first present basic biological information on a particular health condition and then expand their analysis to include evolutionary, historical, and cross-cultural perspectives. Among the topics covered are nutrition, infectious disease, stress, reproductive health, behavioral disease, aging,race/racism and health, mental health, and healers and healing.

Celebrate Diwali with this delightful baby board book that little ones will adore. The bright and colorful images in this book are the perfect way to discover Diwali together. From the shining diya lamps that gave the festival its name, to colorful flower decorations, to sweet treats, Baby's First Diwali features all the familiar favorites associated with India's biggest and brightest holiday. An ideal baby gift to develop early learning, the simple pictures and sentences promote language skills, and the small, padded format is perfect for babies to hold. Babies and toddlers will enjoy turning the pages by themselves, helping to foster early reading development as well as fine motor skills. Learn all about the amazing festival of light with your little one! Baby's First Diwali perfectly captures the joy of this special celebration and is an ideal preschool learning introduction to the traditions of the holiday.

Hot and Smoky Shrimp Tacos, Roasted Wild Mushroom Tacos with Queso Fresco, Fire-Roasted Corn and Poblano Chile Tacos-these are a few of the most taste-tempting tacos you'll ever put in your mouth. And what to top them with-of course, it must be the perfect salsa!
