**Medical technology has radically changed the way we die; it is now possible to sustain life long after consciousness and intelligence are gone. Although Congress recently passed a law intended to encourage people to create an "advance directive" - a document instructing health care providers what to do in situations where an individual is unable to communicate his or her wishes - surveys show that few people have done so. Time to Go is intended to increase awareness and knowledge about advance directives, and beyond that, to facilitate discussion about the many complicated issues surrounding death and dying today.**

When Frederick Watts announces that the family will be leaving England to homestead in Canada, seven-year-old Amy thinks it sounds like a grand adventure; however, even the boat ride doesn't go the way that she imagined it. As she nurses her seasick mother and siblings while her father drinks in the ship's smoking room, she begins to realize that her new life is not going to be easy. The Watts family faces not only the elements but also their personal demons as they struggle to create a new life in a strange land. As their lives become increasingly fraught with tragedy, they must draw on one another for strength. These circumstances soon force Amy and her siblings to shoulder responsibilities far beyond their years. In the face of the trials and hardships forced upon them, the children form bonds of love that will last them a lifetime. Amy learns that there is indeed a time for everything, including *A Time to Go*. 'In *A Time To Go*, LaVine Rathkey tells a compelling story of the full range of immigrant experience: the transatlantic voyage, transcontinental travel, rural and urban settlement, and the struggles encountered on a wilderness farm. The characters evoke compassion, and sometimes anger. A good read of an era without the safety nets of labor laws, health insurance, and entitlement programs.' Barry Ostrom, a Monmouth writer.

**It would be wrong to keep using a car year after year without having a proper check-up or the service it needs, because sooner or later something will go wrong. It won't function correctly and won't be fit for the purpose that it was designed for. As Christian soldiers, we also need a check-up, a spiritual self-examination so that we can effectively do whatever God has called us to do. As Christian soldiers, we get wounded and knocked down, but should we stay down or get up and move on? Some of us have gifts and talents that are dormant - we get lazy and complacent. This book is a collection of some of the poems the Holy Spirit has inspired me to write, covering different aspects of Christian living. They are Bible-based poems that will teach, instruct and encourage you. They can spiritually change your life for ever. Who can benefit from these poems? See if any of these questions apply to you... • Have you ever felt like giving up? • Have you ever felt like you have backslidden? • Are you finding it hard to deal with temptations? • Has your prayer life decreased? • Do you want a closer relationship with God? • Is the devil really giving you a hard time? If you have answered yes to any of these questions, then this book of poetry is for you. Get ready to receive a life-changing experience.**

When do you know it ' s time to go on a diet—when your bloomers become bikini or thongs? When they call out the winning lottery numbers, do you feel like they are announcing your measurements? Are you looking for the fountain of average size instead of the fountain of youth? When you turn the clock back in November, do you also turn the scale back a little? Women, do you consider putting on a sports bra an extreme sport? All these mean it ' s time to go on a diet. While men cover this up by wearing wider ties and growing beards, a woman can only buy a larger size and cut out the tags and pray no one notices. Just remember, you ' re not alone in this life-long battle, and I am here for moral support. Remember, “ diet ” also spells “ edit, ” not “ punishment. ” Most of all, remember you ' re a beautiful person.
