The world will be safer and a paradise, if mankind learns to live with its innocence. Unconditional love is the cover cloth of the innocence. Engaging in marriages, love and sex relationships with the ego's mindless love tantamount to creating a timing bomb for your destruction. False love nourishes us with the bread of sorrows. Prior to selfishness, mankind has embraced the ego's mindless love as the simple way of life. Individual's nuts have transformed love and sex meant to be a divine gift into a merchandise commodity. Since love and sex became a merchandise commodity to be purchased and being manipulated by wealth, unconditional love has been buried under the great oceans surrounding the mother earth. False love is the major contributor to the atrocities caused in the name of love. This lovely book; 'The Wings of Love Vol.2' is of much significant to the human races. It highlights and guides mankind for the acknowledgement of the Supreme power of Love, the origin of Life Force. But they can reduce the problems in the future. Knowing there will be future benefits from not smoking should inspire them to quit the habit. The future can be changed, but the past has to be accepted. When the habit is kicked, so should guilt and regret for past actions be kicked from our memory. Concentration should be on the future and not what has happened in the past. Our Higher Power and the group allow do-overs just like kids do in a game. The people in the meeting will love and support the new us with open arms. Their strength and guidance is available many hours a day. Neither night nor day, summer nor winter, nor past practices will be obstacles from receiving help from our fellow recovering addicts. She flew to him on broken wings... Wounded and running for her life, photo-journalist Jillian Brandt turns to the only person in the world she feels she can trust rancher Trey Langden her former love, and the very same man she d wronged more than once. Would he believe her tale? Would he even care? She

gambled everything that he would. It wasn't the phone call itself that rocked Trey's equilibrium, but the familiar voice on the other end. Why now? Just when he was coming to terms over the bitter break-up with the only woman he'd ever loved? Still, he couldn't turn Jillian away, not with the desperation he sensed in her cryptic utterings. This time would be different and he'd be damned if he'd let her walk all over him again. He held the reins now.

Take flight with Pippa and her winged horse in this heartfelt two-book series about a young girl who must win the hardest race in ancient Greece in order to stay with her closest friend. This new series from acclaimed author Kallie George is perfect for horse lovers and fans of Greek myths alike! High on the slopes of mighty Mount Olympus, among the sun-splashed meadows and sparkling waters, glide the winged horses of the ancient gods. Here up high is normally no place for a lost, parentless girl like Pippa. But once every hundred years, the gods and goddesses descend to the mortal realm to choose jockeys for their winged horse race—and Pippa is one of the lucky children chosen to ride. With her undersized,

impetuous winged steed, Zephyr, by her side, Pippa has to confront the greatest challenge of her life: achieving victory in a race across the sky. No one expects Pippa and Zephyr to win, or even finish, this death-defying race. A poor orphan who's spent her life working in stables, Pippa doesn't seem to belong in the world of the gods. And while she loves Zephyr with all her heart, he's smaller than the other winged horses racing. But if Pippa and Zephyr don't find a way to win, the gods will separate them—forever. To stay with Zephyr, Pippa will have to work harder, train longer, and dare more bravely than her competition. In a race filled with petty, jealous gods and goddesses and a host of ruthless riders, Pippa must prove that love is greater than might. This stirring adventure series by beloved author Kallie George is perfect for fans of the Percy Jackson books and *The War That Saved My Life*. “I can't wait to see what happens in the next one! If you have younger kids (or are even just a fan of middle grader books yourself) I would absolutely recommend this book.” —A Bibliophiles Book Blog

Wings of Love and Random Thoughts

All of England thinks Phillip Camden a monster--a man who deliberately caused the deaths of his squadron. But as nurse Arabelle Denler watches the so-dubbed "Black Heart" every day, she sees something far different: a hurting man desperate for mercy. And when their paths twist together and he declares himself her new protector, she realizes she has her own role to play in his healing. Phillip Camden would have preferred to die that day with his squadron rather than be recruited to the Admiralty's codebreaking division. The threats he receives daily are no great surprise and, in his opinion, well deserved. What comes as a shock is the

reborn desire to truly live that Arabelle inspires in him. But when an old acquaintance shows up and seems set on using him in a plot that has the codebreakers of Room 40 in a frenzy, new affections are put to the test.
