Fans of Stephenie Meyer's *The Host* will enjoy *What's Left of Me*, Kat Zhang's shocking, thought-provoking, and emotionally charged story of two souls sharing one body. *What's Left of Me*, the first book of the *Hybrid Chronicles* is set in an alternate reality where everyone is born with two souls. But one soul is naturally dominant, and in early childhood, the other soul fades away. That didn't happen for Addie and Eva. Now fifteen, Eva clings to life inside the body she shares with Addie, although she can no longer speak or even move. Addie does everything she can to hide the presence of her sister soul. Eva's very existence is illegal. If their secret is revealed, it could

mean death for both of them.

Adriana Paige has survived not one but two vampire attacks in less than twenty-four hours, and unless she's able to master her ability to share other people's dreams, the attacks are only going to get worse. Taggart has promised to train Adri, but he's got even more enemies than she does and there's no guarantee that he'll be able to keep her from being caught in the crossfire. More than anything else, Adri wants to talk to shape shifter Alec Graves, but he's gone strangely silent. There's no way for Adri to know if that's because he's no longer interested in her, or if it's simply because he's still on the run from

As enemies both new and old start closing in on Adri, she's starting to worry that she might be forced into choosing between Taggart, the man who saved her life, and Alec, the guy to whom she feels inexplicably connected. Publisher's Note: Dean Murray's ongoing Reflection Series has been a stunning success with hundreds of thousands of copies in circulation, and a rich, complex world where choices—right or wrong—have real, profound consequences. Godsetti Revelation is the foretelling of an event that would occur in the future pertaining to the planet Mars. This event did, in fact, occur subsequent to the transmission of the message given to this writer in the year 2001 and published in 2004. An improbable date, created clearly beyond the scope of human cleverness, came from a Source that once occupied the planet Mars. This special date

until August. There he conducted another Bible study on the books from Matthew through Acts and gave messages on several chapters of 1 and 2 Peter. He also gave messages on a number of topics, including how to be useful to the Lord, the living and principles of the kingdom people, reward and punishment, the way for a Christian to mature in life, and the central work of God and the proper spiritual experiences. These messages are included in volumes 2 and 3 of this set. In September he traveled to Hong Kong and remained there until the end of December. During this time he conducted another Bible study on the New Testament from Romans through Colossians, perhaps as a continuation of the Bible study that he had

conducted in the Philippines. He also gave a series of messages on the mingling of God and man and the principle of resurrection, another series of further talks on the knowledge of life, a training on how to conduct meetings, as well as messages on other topics. During his visit to Hong Kong, saints from Southeast Asia came and joined the meetings. As a result, he had some times of fellowship with these saints. Brother Lee's speaking in Hong Kong is included in volume 4 of this set. At the end of November, T. Earth We're Briefly Gorgeous is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family's history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between
