

Oscar Peterson C Jam Blues Jazz Transcriptions

(Easy Piano Songbook). Blues fans can get started playing their favorite tunes with this collection of 50 songs in easy piano format with lyrics. Songs include: Ain't No Sunshine * All Blues * Basin Street Blues * Cross Road Blues (Crossroads) * Every Day I Have the Blues * Fever * I Got It Bad and That Ain't Good * Is You Is, or Is You Ain't (Ma' Baby) * Kansas City * Night Train * Pride and Joy * Route 66 * St. Louis Blues * Stormy Weather (Keeps Rainin' All the Time) * Sweet Home Chicago * The Thrill Is Gone * and more.

Getting Started with Jazz is a practical and imaginative introduction to the jazz style for instrumentalists and pianists of any age, from pre-reading to early intermediate stage. Through listening and improvising, you'll explore swing, the blues scale, jazz harmony and structure---and build confidence along the way. The book also includes an enhanced CD featuring audio tracks to play along with and piano accompaniments to download.

An executive expat writes memoirs of his studies and work abroad: childhood in postwar Germany; student life in Berlin, Paris, and the USA; and when he was a true pioneer in the early globalization of manufacturing in Europe, Asia, and the Americas. In a series of short stories, he recounts his funny foreign adventures and invites you to

listen to the music of those days. He tells daring flying stories as a small airplane pilot traveling around the world. Presently, he lives retired in Mexico.

Theologian and jazz pianist William Edgar places jazz within the context of the African American experience and explores the work of musicians like Miles Davis and Ella Fitzgerald, arguing that jazz, which moves from deep lament to inextinguishable joy, deeply resonates with the hope that is ultimately found in the good news of Jesus Christ.

Cleared for Takeoff

Oscar Peterson Plays Broadway Songbook

An engaging biography of a living musical legend, Oscar Peterson. A man Duke Ellington once called the "maharajah of the piano." Gene Lees carefully builds up the portrait of Peterson, his childhood and what it meant to be black and talented in Montreal in the 1940s, his three marriages and six children, his musical partners (Ray Brown, Herb Ellis and Ed Thigpen), his musical friends and colleagues (Ella Fitzgerald, Dizzy Gillespie, Art Tatum and Lester Young, amongst others) and the critical controversy and mythology that have long surrounded Peterson. This updated version has a new chapter that covers Peterson's appointment as Chancellor of York University; his receipt of ten honorary doctorates and the Order of Canada; his stroke and partial recovery; the origins and fallout of his cancelled North American tour and much more.

Now you can learn to play jazz keyboard without knowing a lot of complicated music theory. This step-by-step method uses listening and play-along techniques that make learning to play jazz fun and easy, with just enough theory to understand the concepts. You will gain a solid knowledge of the basic tools needed for accompanying and soloing in any jazz setting. A CD is included, so you can play the examples and tunes along with a professional jazz band.

"Any book on my life would start with my basic philosophy of fighting racial prejudice. I loved jazz, and jazz was my way of doing that," Norman Granz told Tad Hershorn during the final interviews given for this book. Granz, who died in 2001, was iconoclastic, independent, immensely influential, often thoroughly unpleasant—and one of jazz's true giants. Granz played an essential part in bringing jazz to audiences around the world, defying racial and social prejudice as he did so, and demanding that African-American performers be treated equally everywhere they toured. In this definitive biography, Hershorn recounts Granz's story: creator of the legendary jam session concerts known as Jazz at the Philharmonic; founder of the Verve record label; pioneer of live recordings and worldwide jazz concert tours; manager and recording producer for numerous stars, including Ella Fitzgerald and Oscar Peterson.

Compelling from cover to cover, this is the story of one of the most recorded and beloved jazz trumpeters of all time. With unsparing honesty and a superb eye for detail, Clark Terry, born in 1920, takes us from his impoverished childhood in St. Louis, Missouri, where jazz could be heard everywhere, to the smoke-filled small clubs and carnivals across the Jim Crow South where he got his start, and on to worldwide acclaim. Terry takes us behind the scenes of jazz history as he introduces scores of legendary greats—Ella Fitzgerald, Oscar Peterson, Dizzy Gillespie, Dinah Washington, Doc Severinsen, Ray Charles, Thelonious Monk, Billie Holiday, Sarah Vaughan, Coleman Hawkins, Zoot Sims, and Dianne Reeves, among many others. Terry also reveals much about his own personal life, his experiences with racism, how he helped break the color barrier in 1960 when he joined the Tonight Show band on NBC, and why—at ninety years old—his students from around the world still call and visit him for lessons.

LIKE DIZZY GILLESPIE'S CHEEKS, is a humorous glimpse into the life of an unmotivated, Chicago Jazz Pianist who is stuck playing dingy bars, museum benefits and Nordstrom's half-yearly

sales. As a matter of fact, he'll play at just about any establishment that will hire him. Typically, he can count on his longtime mentor, jazz great Ben Webster, to join him for a late night set on the piano. Irritable and not just because he's in his seventies, Ben leaves the club before playing a single note. The next day, Sam is devastated to learn that his best friend is dead. As a result, Sam's perspective on life takes an abrupt change. He notices how pathetically insignificant ones life can truly be. Stumbling through some interesting yet awkward situations, both funny and sad, including being conflicted about whether he should allow himself to fall in love with Kate Buckley, the reporter trying to get a story about his friend Ben for ESQUIRE, or continue his unhealthy relationship with Liz Brightwater of the Brightwater Marble fortune, Sam realizes that life is happening now. It's admirable to respect the past, but he must also learn to trust his future.

(Artist Transcriptions). 19 authentic piano transcriptions from this jazz legend, including: Alice in Wonderland * Blues Etude * Cheek to Cheek * Emily * Hymn to Freedom * Indiana (Back Home Again in Indiana) * It's Only a Paper Moon * Jitterbug Waltz *

Laura * Lover * Misty * Night and Day * Quiet Nights of Quiet Stars (Corcovado) * Tangerine * Teach Me Tonight * That Old Black Magic * Watch What Happens * Witchcraft * Yesterdays.

In addition to insightful profiles of emerging and iconic stars, each issue contains over 100 reviews of the latest CDs, Books and DVDs. Published ten times annually, JazzTimes provides uncompromising coverage of the American jazz scene.

*(Artist Transcriptions). Transcriptions, lead sheets and performance notes for 5 original Peterson compositions: Cakewalk * The Gentle Waltz * He Has Gone * Love Ballade * Sushi. Includes a bio and preface.*

Covering a span of time and styles ranging from jazz beginnings to some of the most recent developments, this book collects and analyzes many of the most frequently used jazz, blues, and Latin jazz left-hand piano techniques. Generally, each proposed technique is first introduced by a "model" figure derived from original sources, followed by an explanation of its pattern, and finally by some sample applications using well-known songs, harmonic progressions, or original pieces. For the sake of completeness, most of these left-hand applications are integrated with sample right-hand parts that validate the efficacy and concrete application of the left hand figures. Numerous styles of jazz piano are taught, including: stride piano, Latin stylings, blues, boogie, swing, walking bass, jazz waltz, rootless voicings and many other concepts. Characteristics of jazz legends including Erroll Garner, Jelly Roll Morton, Earl Hines, George Gershwin, Fats Waller, Eubie Blake and many others are explored. As with all books in this series, it includes a unique lay-flat binding to help keep the music open on the music stand.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

A book that clearly explains the principles of jazz soloing. Logically organized, with hundreds of musical examples, this method is the result of many years of Ted's teaching and research.

(Piano Instruction). The Hal Leonard Jazz Piano Method is a comprehensive and easy-to-use guide designed for anyone interested in playing jazz piano from the complete novice just learning the basics to the more advanced player who wishes to enhance their keyboard vocabulary. There are lots of fun progressions and licks for you to play and absorb. The accompanying audio includes demonstrations of all the examples in the book! Topics include essential theory, chords and voicings, improvisation ideas, structure and forms, scales and modes, rhythm basics, interpreting a lead sheet, playing solos, and much more!

When he died in 1983, Ross Macdonald was the best-known and most highly regarded crime-fiction

writer in America. Long considered the rightful successor to the mantles of Dashiell Hammett and Raymond Chandler, Ross Macdonald and his Lew Archer-novels were hailed by The New York Times as "the finest series of detective novels ever written by an American." Now, in the first full-length biography of this extraordinary and influential writer, a much fuller picture emerges of a man to whom hiding things came as second nature. While it was no secret that Ross Macdonald was the pseudonym of Kenneth Millar -- a Santa Barbara man married to another good mystery writer, Margaret Millar -- his official biography was spare. Drawing on unrestricted access to the Kenneth and Margaret Millar Archives, on more than forty years of correspondence, and on hundreds of interviews with those who knew Millar well, author Tom Nolan has done a masterful job of filling in the blanks between the psychologically complex novels and the author's life -- both secret and overt. Ross Macdonald came to crime-writing honestly. Born in northern California to Canadian parents, Kenneth Millar grew up in Ontario virtually fatherless, poor, and with a mother whose mental stability was very much in question. From the age of twelve, young Millar was fighting, stealing, and breaking social and moral laws; by his own admission, he barely escaped being a criminal. Years later, Millar would come to see himself in his tales' wrongdoers. "I don't have to be violent," he said, "My books are." How this troubled young man came to be one of the most brilliant graduate students in the history of the University of Michigan and how this writer, who excelled in a genre all too often looked down upon by literary critics, came to have a lifelong friendship with Eudora Welty are all examined in the pages of Tom Nolan's meticulous biography. We come to a sympathetic understanding of the Millars' long, and sometimes rancorous, marriage and of their life in Santa Barbara, California, with their only daughter, Linda, whose legal and emotional traumas lie at the very heart of the story. But we also follow the trajectory of a literary career that began in the pages of

Manhunt and ended with the great respect of such fellow writers as Marshall McLuhan, Hugh Kenner, Nelson Algren, and Reynolds Price, and the longtime distinguished publisher Alfred A. Knopf. As Ross Macdonald: A Biography makes abundantly clear, Ross Macdonald's greatest character -- above and beyond his famous Lew Archer -- was none other than his creator, Kenneth Millar.

Complete jazz piano for the young pianist [music] : exercices, minuets, etudes & pieces

Today, jazz history is dominated by iconic figures who have taken on an almost God-like status. From Satchmo to Duke, Bird to Trane, these legendary jazzmen form the backbone of the jazz tradition. Jazz icons not only provide musicians and audiences with figureheads to revere but have also come to stand for a number of values and beliefs that shape our view of the music itself. Jazz Icons explores the growing significance of icons in jazz and discusses the reasons why the music's history is increasingly dependent on the legacies of 'great men'. Using a series of individual case studies, Whyton examines the influence of jazz icons through different forms of historical mediation, including the recording, language, image and myth. The book encourages readers to take a fresh look at their relationship with iconic figures of the past and challenges many of the dominant narratives in jazz today.

Jazz from Detroit explores the city's pivotal role in shaping the course of modern and contemporary jazz. With more than two dozen in-depth profiles of remarkable Detroit-bred musicians, complemented by a generous selection of photographs, Mark Stryker makes Detroit jazz come alive as he draws out significant connections between the players, eras, styles, and Detroit's distinctive history. Stryker's story starts in the 1940s and '50s, when the auto industry created a thriving black working and middle class in Detroit that supported a vibrant nightlife, and exceptional public school music programs and mentors in the community like pianist Barry Harris transformed the city into a jazz juggernaut. This golden age nurtured many legendary musicians—Hank, Thad, and Elvin Jones, Gerald Wilson, Milt Jackson, Yusef Lateef, Donald Byrd, Tommy Flanagan, Kenny Burrell, Ron Carter, Joe Henderson, and others. As the city's fortunes change, Stryker turns his spotlight toward often overlooked but prescient musician-run cooperatives and self-determination groups of the 1960s and '70s, such as the Strata Corporation and Tribe. In more recent decades, the city's culture of mentorship, embodied by trumpeter and teacher Marcus Belgrave, ensured that Detroit continued to incubate world-class talent; Belgrave protégés like Geri Allen, Kenny Garrett, Robert Hurst, Regina Carter, Gerald Cleaver, and Karriem Riggins helped define contemporary jazz. The resilience of Detroit's jazz tradition provides a powerful symbol of the city's lasting cultural influence. Stryker's 21 years as an arts reporter and critic at the Detroit Free Press are evident in his vivid storytelling and insightful criticism. Jazz from Detroit will appeal to jazz aficionados, casual fans, and anyone interested in the vibrant and complex history of cultural life in Detroit.

(Artist Transcriptions). Includes 8 Peterson classics for jazz piano: The Continental * Gravy Waltz * Hallelujah Time * Hymn to Freedom * Roundalay * Blues for Smedley * The Smudge * The Strut.

Presents a history of bebop from its roots in the late 1930s; describes the musicians, bands, and composers who contributed to this style of jazz; and evaluates key bebop recordings.

Alan Dawson was a legendary drummer and educator, known for his work with the top artists in jazz as well as for his 18-year association with Berklee College of Music. This new text and online audio combination was put together by John Ramsay, a prominent drummer in his own right and a former student of Dawson's. The book contains all the important techniques and concepts that Alan Dawson embraced in his own playing and subsequently taught to his students. The recordings include some remastered audio examples from actual lessons taught by Dawson himself over the years. This is a highly comprehensive textbook from a jazz master.

An updated new edition of Ted Gioia's acclaimed compendium of jazz standards, featuring 15 additional selections, hundreds of additional recommended tracks, and enhancements and additions on almost every page. Since the first edition of The Jazz Standards was published in 2012, author Ted Gioia has received almost non-stop feedback and suggestions from the passionate global community of jazz enthusiasts and performers requesting crucial additions and corrections to the book. In this second edition, Gioia expands the scope of the book to include more songs, and features new recordings by rising contemporary artists. The Jazz Standards is an essential comprehensive guide to some of the most important jazz compositions, telling the story of more than 250 key jazz songs and providing a listening guide to more than 2,000 recordings. The fan who wants to know more about a tune heard at the club or on the radio will find this book indispensable. Musicians who play these

songs night after night will find it to be a handy guide, as it outlines the standards' history and significance and tells how they have been performed by different generations of jazz artists. Students learning about jazz standards will find it to be a go-to reference work for these cornerstones of the repertoire. This book is a unique resource, a browser's companion, and an invaluable introduction to the art form.

The Giants of Jazz series is designed to provide a method for studying, analyzing, imitating and assimilating the idiosyncratic and general facets of the styles of various jazz giants. The Jazz Style of John Coltrane provides many transcriptions, plus discography, biographical data, style traits, genealogy, and bibliography.
