"D'Andre is a great example of what it means to be BOLD and unapologetically transparent! I've watched him put his heart, soul, and secrets into this book in hopes that lives will be transformed and families restored. It's not often that you find men strong enough to be vulnerable and sensitive with topics dear to their hearts. This book is a must-read!" Jacob Marsh, Recording Artist & Music Producer

How is it possible for a young, homeless woman to overcome abuse, endure the foster care system, and rise to prominence to help others? CinderGirl tells Christina Meredith's incredible story of how she overcame these hardships to earn the title of Miss California and become an advocate for the vulnerable. Born into a large, working-class family in upstate New York, Christina endured years of abuse before entering the foster care system as a teenager. With nowhere to turn after she graduated from high school, Christina lived in her car for almost a year, working three jobs to survive. As she prayed in her car every day, Christina had no idea that in just a few years, her suffering would help others find healing. But she did know that she was destined for more, and she refused to give up hope, no matter the circumstance. In CinderGirl, Christina tells her piercing and poignant story of leaving behind homelessness to become Miss California and the founder of a nonprofit organization that provides advocacy for foster care children. With stunning vulnerability, Christina invites us into her childhood home and the heart of a child longing to be loved, challenging us to dig deeper into our own personal courage, even in the most difficult conditions. And in

She is an overcomer like few I've ever read about. But what impresses me the most is her desire to transform the foster care system and use her challenges to better the next generation." --Kristen Dalton-Wolfe, bestselling author and former Miss USA "Christina Meredith's story, which she tells with unique courage, follows a young woman's rise out of vulnerability, homelessness, and abuse to become a soldier, leader, and pillar in her community. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire's impoverished backstreets. They do not challenge the Empire. They've seen what happens to those who do. But when Laia's brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire's greatest military academy. There, Laia meets Elias, the school's finest soldier—and secretly, its most unwilling. Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined—and that their choices will change the fate of the Empire itself.

Like that of many others, Peter Gladwin's life began badly: He was seriously burned in a house fire at the age of one, put on probation at thirteen for burglary and theft, stabbed in a gang fight at fifteen, and the victim of a hit and run at twenty-four. Other obstacles included his personal addictions, his wife's battle with cancer, and his father's suicide. While contemplating his own suicide, he found faith in God, and this was the catalyst that turned his life around. This story is not a story at all. It all happened. On New Year's Day Becky Morley begins to write her diary. By March, her world has changed for ever. Foot-and-mouth disease breaks out on a pig farm hundreds of miles from the Morleys' Devon home, but soon the nightmare is a few fields away. Local sheep are infected and every animal is destroyed. Will the Morleys' flock be next? Will their pedigree dairy herd, the sows with their piglets, and Little Josh, Becky's hand-reared lamb, survive? Or will they be

your life seems destroyed by the flames of adversity?

Psalm 119:25 says, "My life is down in the dust; give me life through Your Word" (HCSB). Angela Dees has walked through the flames and adversity and has found hope and healing through God's Word. Her personal journey began by journaling her moments with God during her husband's battle with cancer. She then began writing devotions for the Coping with Hope cancer support group she attends. This is a forty day compilation of those devotions; concise and focused, they invite you to rest in the arms of the One who cares about our every burden and fear. They are written from one hurting yet hopeful heart to another. Angela shares the inspiration she's received from God's Word, highlighting His faithfulness and bringing strength and joy to continue growing in spite of life's hurts and disappointments.

Rising Out of the Ashes is about God's deliverance from hurt, abuse, shame and guilt. As you read this story and are taken into the retracing of this personal journey, may your life be changed for the better as much as those who were there to witness it. May God deliver you from whatever trials or tribulations you are facing as you find your story within the pages of this book as well. I am a woman who now belongs to God. Rising Out of the Ashes allowed me to look back and see how God made me stronger, and I want to inspire you to know without a doubt that God can change your life.

**Out of the Ashes is the definitive history of the Provisional Irish Republican movement, from its formation at the outset of the modern Troubles up to and after its official disarmament in 2005. Robert White, a prolific observer of IRA and Sinn Féin activities, has amassed an incomparable body of interview material from leading members over a thirty-year period. armed struggle, their eventual reform, and the mind-set of today's 'dissidents' who refuse to lay down their arms. Those interviewed stem from every stage of the Provisionals' history, from founding figures such as Seán Mac Stiofáin, Ruairí Ó Brádaigh and Joe Cahill to the new generation that replaced them: Martin McGuinness, Danny Morrison, and Brendan Hughes among others. Out of the Ashes is a pioneering history that breaks new ground in defining how the Provisionals operated, caused worldwide condemnation, and were transformed by constitutional politics.

This #1 internationally bestselling and award-winning memoir about overcoming trauma, prejudice, and addiction by a Métis-Cree author as he struggles to find a way back to himself and his Indigenous culture is "an illuminating, inside account of homelessness, a study of survival and freedom" (Amanda Lindhout, bestselling coauthor of *A House in the Sky*). Abandoned by his parents as a toddler, Jesse Thistle and his two brothers were cut off from all they knew when they were placed in the foster care system. Eventually placed with their paternal grandparents, the children often clashed with their tough-love attitude. Worse, the ghost of Jesse's drug-addicted father seemed to haunt the memories of every member of the family.

**Soon, Jesse succumbed to a self-destructive cycle of drug and alcohol addiction and petty crime, resulting in more than a decade living on and off the streets. Facing struggles many of us cannot even imagine, Jesse knew he would die unless he turned his life around. Through sheer perseverance and newfound love, he managed to find his way back into the loving embrace of his Indigenous culture and family. Now, in this heart-wrenching and triumphant memoir, Jesse Thistle honestly and fearlessly divulges his painful past, the abuse he endured, and the tragic truth about his parents. An eloquent exploration of the dangerous impact of prejudice and racism, *From the Ashes* is ultimately a celebration of love and “a story of courage and resilience certain to strike a chord with readers from many backgrounds” (Library Journal).**

**A sweeping history of twentieth-century Europe, *Out of Ashes* tells the story of an era of unparalleled violence and barbarity yet also of humanity, prosperity, and promise. Konrad Jarausch describes how the European nations**

emerged from the nineteenth century with high hopes for continued material progress and proud of their imperial command over the globe, only to become embroiled in the bloodshed of World War I, which brought an end to their optimism and gave rise to competing democratic, communist, and fascist ideologies. He shows how the 1920s witnessed renewed hope and a flourishing of modernist art and literature, but how the decade ended in economic collapse and gave rise to a second, more devastating world war and genocide on an unprecedented scale. Jarausch further explores how Western Europe surprisingly recovered due to American help and political integration. Finally, he examines how the Cold War pushed the divided continent to the brink of nuclear annihilation, and how the unforeseen triumph of liberal capitalism came to be threatened by Islamic fundamentalism, global economic crisis, and an uncertain future. A gripping narrative, *Out of Ashes* explores the paradox of the European encounter with modernity in the twentieth century, shedding new light on why it led to cataclysm, inhumanity, and self-destruction, but also social justice, democracy, and peace.

extraordinary attempt to join the world's elite cricketing nations. That this devastated nation should be able to field a cricket team at all, let alone one as successful as this, is an unbelievable achievement. Seven years ago, in a country which does not have a real cricket pitch even today, there was no national team. But a group of young Afghan men, exiled by war, learnt to play in the smashed concrete of refugee camps, and have risen from obscurity to the groomed grass pitches of international cricket. With unlimited access, Tim Albone travelled alongside the team for the two years, charting the players' progress from refugees in Pakistan to the brink of international sporting stardom. Far from being bogged down in cricket jargon, this tale of a gang of dedicated, charismatic, occasionally exasperating young men seeking triumph out of disaster is one that will move and inspire everyone.
