The Jungle is a 1906 novel written by the American journalist and novelist Upton Sinclair (1878–1968). Sinclair wrote the novel to portray the lives of immigrants in the United States in Chicago and similar industrialized cities. Many readers were most concerned with his exposure of health violations and unsanitary practices in the American meatpacking industry during the early 20th century, based on an investigation he did for a socialist newspaper. The book depicts working class poverty, the lack of social supports, harsh and unpleasant living and working conditions, and a hopelessness among many workers. These elements are contrasted with the deeply rooted corruption of people in power. A review by the writer Jack London called it, "the Uncle Tom's Cabin of wage slavery." Sinclair was considered a muckraker, or journalist who exposed corruption in government and business. He first published the novel in serial form in 1905 in the Socialist newspaper, Appeal to Reason, between February 25, 1905, and November 4, 1905. In 1904, Sinclair had spent seven weeks gathering information while working incognito in the meatpacking plants of the Chicago stockyards for the newspaper. It was published as a book on February 26, 1906 by Doubleday and in a subscribers' edition.

Kaa's Hunting (The First Jungle Book)

Presents the further adventures of Mowgli, a boy reared by a pack of wolves, and the wild animals of the jungle. Also includes other short stories set in India.

The gripping story of one American lawyer's obsessive crusade—waged at any cost—against Big Oil on behalf of the poor farmers and indigenous tribes of the Amazon rainforest. Steven Donziger, a self-styled social activist and Harvard educated lawyer, signed on to a budding class action lawsuit against multinational Texaco (which later merged with Chevron to become the third-largest corporation in America). The suit sought reparations for the Ecuadorian peasants and tribes people whose lives were affected by decades of oil production near their villages and fields. During twenty years of legal hostilities in federal courts in Manhattan and remote provincial tribunals in the Ecuadorian jungle, Donziger and Chevron's lawyers followed fierce no-holds-barred rules. Donziger, a larger-than-life, loud-mouthed showman, proved himself a master orchestrator of the media, Hollywood, and public opinion. He cajoled and coerced Ecuadorian judges on the theory that his noble ends justified any means of persuasion. And in the end, he won an unlikely victory, a \$19 billion judgment against Chevron—the biggest environmental damages award in history. But the company refused to surrender or compromise. Instead, Chevron targeted Donziger personally, and its counter-attack revealed damning evidence of his politicking and manipulation of evidence. Suddenly the verdict, and decades of Donziger’s single-minded pursuit of the case, began to unravel. Written with the texture and flair of the best narrative nonfiction, Law of the Jungle is an unputdownable story in which there are countless victims, a vast region of ruined rivers and polluted rainforest, but very few heroes.

The book guides us through the jungle to hear the distinctive, gentle snore of each animal: "Listen to the tiger: ZEEE-ZOOO-HAAA Listen to the cheetah: CHEE-CHEE-TAAAAH." A free downloadable JUNGLE NIGHT recording offers a narration of the book, with each and every animal snore interpreted by the expressive, playful cello of Yo-Yo Ma. He even does the elephant's stop-the-show snore—though admittedly that took Ma's cello PLUS the classic horn salute of the James R. Barker steamship. (Seriously.) The Jungle Book is a collection of stories. The tales in the book are fables, using animals in an anthropomorphic manner to give moral lessons. The verses of The Law of the Jungle, for example, lay down rules for the safety of individuals, families and communities. Kipling put in them nearly everything he knew or "heard or dreamed about the Indian jungle." The best-known of them are the three stories revolving around the adventures of an abandoned "man cub" Mowgli who is raised by wolves in the Indian jungle. The most famous of the other four stories are probably "Rikki-Tikki-Tavi", the story of a heroic mongoose, and "Toomal of the Elephants", the tale of a young elephant-handler. As with much of Kipling's work, each of the stories is preceded by a piece of verse, and succeeded by another. "The Second Jungle Book" is a sequel which features five stories about Mowgli and three unrelated stories, all but one set in India, most of which Kipling wrote while living in Vermont. Rudyard Kipling (1865-1936) was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He is regarded as a major innovator in the art of the short story; his children's books are classics of children's literature; and one critic described his work as exhibiting "a versatile and luminous narrative gift".

Could you survive in the jungle? Six months after his adventures in Spirit of the Jungle, Mak returns to the Wainganga River, where a conservation project is tracking the elusive wild elephant, endangered by loggers and poachers. When a young elephant is captured by an unscrupulous merchant, Mak and his friend Diya follow them into the heart of the jungle in a quest to set the animal free. But soon Mak finds that he must remember all his survival skills to escape danger. Inspired by Rudyard Kipling's classic The Second Jungle Book, Return to the Jungle is an exciting contemporary action-adventure from the nation's favourite adventurer, Bear Grylls.

**A compelling graphic novel adaptation of Upton Sinclair's seminal protest novel that brings to life the harsh conditions and exploited existences of immigrants in Chicago's meatpacking industry in the early twentieth century. Long acclaimed around the world, Upton Sinclair's 1906 muckraking novel The Jungle remains a powerful book even today. Not many works of literature can boast that their publication brought about actual social and labor change, but that's just what The Jungle did, as it led to the passage of the Pure Food and Drug Act of 1906. In today's society, where labor and safety of the food we eat remain key concerns for all, Sinclair's shocking story still resonates. Bringing new life and energy to this classic work, adapter and illustrator Kristina Gehrmann takes Sinclair's prose and transforms it through pen and ink, allowing you to discover (or rediscover) this book and see it from a whole new perspective.**

**This breathtaking new edition of Rudyard Kipling's celebrated coming-of-age tale illustrated by German illustrator Aljoscha Blau contains the eight stories and verses featuring Mowgli. Published to celebrate what would have been Kipling s 150th birthday, these stories and drawings will fascinate and delight a new generation of readers."**

**During the time Mowgli was with the wolf pack, he is abducted by the Bandar-log monkeys to the ruined city. Baloo and Bagheera set out to rescue him with Kaa the python. In this “hypnotic, violent, unsparing” (A.J. Banner, USA TODAY bestselling author) thriller from the author of the “haunting, twisting thrill ride” (Megan Miranda, New York Times bestselling author) The River at Night, a young woman leaves behind everything she knows to take on the Bolivian jungle, but her excursion abroad quickly turns into a fight for her life. Lily Bushwood thought she’d found the antidote to endless foster care and group homes: a gig teaching English in Cochabamba, Bolivia. As soon as she could steal enough cash for the plane, she was on it. But the program was a scam. And bonding with other broke, rudderless girls in the local youth hostel wasn’t the answer. Falling crazy in love with Omar, a savvy, handsome local who’d left his life as a hunter in Ayachero—a remote jungle village—to try city life: this was the last thing Lily could have imagined. When Omar learns that a jaguar had killed his four-year-old nephew in Ayachero, he gives Lily a choice: stay alone in the unforgiving city, or travel to the last in the ever-more-isolated string of river towns in the jungles of Bolivia. Thirty-foot anacondas? Puppy-sized spiders? Vengeful shamans with unspeakable powers? None of it matters to love-struck Lily. She follows Omar to a ruthless new world of lawless poachers, bullheaded missionaries, and desperate indigenous tribes driven to the brink of extinction. To survive, Lily must navigate the jungle—and all its residents—using only her wits and resilience. “Gripping, breathtaking, and exquisitely told—Into the Jungle pulls you into another world, returning you forever transformed” (Wendy Walker, USA TODAY bestselling author).
