Falling in love is easy. Staying in love is hard. In this heart-pounding follow-up to Tangled by New York Times bestseller Emma Chase, Kate reveals that there is trouble in paradise, when unexpected circumstances force her and Drew to "renegotiate" their relationship. There are two kinds of people in the world. The ones who look first, and the ones who leap. I've always been more of a looker. Cautious. A planner. That changed after I met Drew Evans. He was so persistent. So sure of himself—and of me. But not all love stories end happily ever after. Did you think Drew and I were going to ride off into the sunset? Join the club. Now I have to make a choice; the most important of my life. Drew already made his—in fact, he tried to decide for the both of us. But you know that's just not my style. So I came back to Greenville, Ohio, alone. Well, sort of alone... What I've come to realize is that old habits die hard, and sometimes you have to go back to where you began before you can move ahead.

Childhood friends reconnect as grown-up rivals—and maybe something more—in this witty Filipino romance from Carla de Guzman. What's written in the stars isn't always the whole story... Chocolate maker and shop owner Kira Luz isn't looking for love, but if fate leads her that way, so be it. When she randomly runs into her childhood crush, Santi, on vacation, it feels like the stars are trying to tell her something. Memories of their time growing up in Lipa—not to mention the steamy kiss they share when they reconnect—get her heart pounding. But she has to go back to Lipa while he's headed for Manila, and long distance is kind of an issue. Until he moves back home...and distance becomes the least of their problems. Estranged hotel heir Anton "Santi" Santillan is left adrift when his grandfather abruptly cuts him out of the family business. But he finds his footing again running a small niche hotel back in Lipa. The downside of living in his old hometown: it's no Manila, that's for sure. The upside: seeing Kira again. Kira, who loves food as much as he does. Kira, who loves kissing as much as he does. Kira, whose family owns the property—including her shop—his grandfather wants him to buy out from underneath them. Mixing love and chocolate and family just might get messy. And sometimes messy is exactly what fate had in mind. The Laneways Book 1: Sweet on You Book 2: A Match Made in Lipa

*"The most delightful, absorbing, and hilarious book I have read in ages."
—Christina Lauren, New York Times bestselling author of The Soulmate Equation For fans of The Devil Wears Prada and The Bold Type comes a smart, modern story about the shifting media landscape and one Middle Eastern-American writer finding her place in it. How far would you go to keep the job a hundred other girls are ready to take? Noora's life is a little off track. She's an aspiring writer and amateur blogger in New York—which is a nice way of saying that she tutors rich Upper East Side kids and is*

currently crashing on her sister's couch. But that's okay. Noora has Leila, who has always been her rock, and now she has another major influence to lean on: Vinyl magazine. The pages of Vinyl practically raised Noora, teaching her everything from how to properly insert a tampon to which political ideology she subscribes to. So when she lands a highly coveted job as assistant to Loretta James, Vinyl's iconic editor-in-chief, Noora can't believe her luck. Her only dream is to write for Vinyl, and now with her foot firmly in the door and the Loretta James as her mentor, Noora is finally on the right path... or so she thinks. Loretta is an unhinged nightmare, insecure and desperate to remain relevant in an evolving media landscape she doesn't understand. Noora's phone buzzes constantly with Loretta's bizarre demands, particularly with tasks Loretta hopes will undermine the success of Vinyl's wunderkind digital director Jade Aki. The reality of Noora's job is nothing like she expected, and a misguided crush on the hot IT guy only threatens to complicate things even more. But as Loretta and the old-school print team enter into a turf war with Jade and the woke-for-the-wrong-reasons digital team, Noora soon finds herself caught in the middle. And with her dream job on the line, she'll need to either choose a side or form her own. Clever, incisive, and thoroughly fun, A Hundred Other Girls is an insider's take on the changing media industry, an ode to sisterhood, and a profound exploration of what it means to chase your dreams.

A Hundred Other Girls

A sexy, enemies-to-lovers standalone novel from #1 New York Times Bestseller, Vi Keeland. The feud between Weston Lockwood and me started at the altar. Only neither of us attended the wedding, and the nuptials happened decades before either of us was born. Our grandfathers had been best friends and business partners, at least up until my grandfather's wedding day—when his bride-to-be blurted out she couldn't marry him because she was also in love with Weston's grandfather. The two men spent years fighting over Grace Copeland, who also happened to be their third business partner. But in the end, neither man could steal half of her heart away from the other. Eventually, they all went their separate ways. Our grandfathers married other women, and the two men became one of the biggest business rivals in history. Our fathers continued the family tradition of feuding. And then Weston and I did, too. For the most part, we kept as much distance as possible. Until the day the woman who started the feud died—and unexpectedly left one of the most valuable hotels in the world to our grandfathers to share. Now I'm stuck in a hotel with the man I was born to hate, trying to unravel the mess our families

inherited. As usual, it didn't take long for us to be at each other's throats. Weston Lockwood was everything I hated: tall, smart, cocky, and too gorgeous for his own good. We were fire and ice. But that shouldn't be an issue. Our families were used to being at war. There was just one minor problem, though. Every time Weston and I fought, we somehow wound up in bed.

A captivating paranormal from a rising voice in erotic romance. As undisputed Alpha, Rafael must choose a life mate to preserve the dominance of his Lycan pack. She's also a mesmerizing beauty whose sensuality tempts the warrior to take risks. Surrendering to their primal heat could destroy them both...for a vengeful foe awaits to take what is rightfully his by Blood Law.

Abigail Haddock is stunning, sensible, and some would say...stuffy. But it's not really her fault. She was raised in one of Wessco's oldest, most affluent, aristocratic families—"stuffy" is their middle name. So is successful. Abby's working overtime to distinguish herself as a top-notch physician, just as her family legacy demands. She doesn't have time for nonsense. Tommy Sullivan's all about nonsense. Sure, he's an elite bodyguard with lethal skills and co-owner of the renowned, S&S Securities Firm—protector of the wealthy and titled. But he's also rowdy, fun and thoroughly irresistible. Tommy knows how to have a good time, and he's never seen someone more in need of a good time than Abby. The lass needs long, wet, filthy kisses—STAT—and he's just the man for the job. It doesn't take long for a wildly sexy, sinfully satisfying, no-strings attached arrangement to turn into something more. Something sweet and addictive and real. A Match Made in Lipa

A new, sexy standalone novel from #1 New York Times Bestseller, Vi Keeland.

Terminated for inappropriate behavior. I couldn't believe the letter in my hands. Nine years. Nine damn years I'd worked my butt off for one of the largest companies in America, and I was fired with a form letter when I returned home from a week in Aruba. All because of a video taken when I was on vacation with my friends—a private video made on my private time. Or so I thought. Pissed off, I cracked open a bottle of wine and wrote my own letter to the gazillionaire CEO telling him what I thought of his company and its practices. I didn't think he'd actually respond. I certainly never thought I'd suddenly become pen pals with the rich jerk. Eventually, he realized I'd been wronged and made sure I got my job back. Only it wasn't the only thing Grant Lexington wanted to do for me. But there was no way I was getting involved with my boss's boss's boss. Even if he was ridiculously gorgeous, confident, and charming. It would be completely wrong, inappropriate even. Sort of like the video that got me into trouble to begin with. Two wrongs don't make a right. But sometimes it's twice as fun. There was a time when Jake Becker had it all together. He was controlled, driven, ruthless--in and out of the courtroom. Then, six irresistible orphans and their

heartbreakingly beautiful aunt crashed into his perfectly ordered life. They changed everything. They changed him. Now he's a husband, an upstanding member of society, a father figure--a family man. And he's pretty damn good at it. Sure, he has to referee sibling smackdowns, re-learn algebra, ensure his clients stay of jail, and keep his wife happy--but it finally feels like he's got it together again....So, of course something has to screw it all up.It's huge. Life-changing. Kind of terrifying.And it will be the most amazing, perfect thing he'll ever do. Join Jake & Chelsea, Stanton & Sofia, Brent & Kennedy as they navigate the hilarious and heartwarming hurdles of love, life and the law in this final addition to the Legal Briefs Series

The Beautiful Bastard series continues in this new novella--back when not being able to stand each other also meant not being able to keep their hands of each other, neither Bennett nor Chloe could have seen this day coming. One beautiful bastard of a groom. The most beautiful bitch of a bride. A panty-ripping office hook-up turned true love everlasting. Wedding bells can't chime soon enough for Chloe Mills and Bennett Ryan. Chloe, exasperated and stressed by all the last-minute to-dos, is on the verge of saying "I do" to eloping. For his part, Bennett's so worried about being distracted by Chloe's body that he makes a no-sex-until-the-wedding-night rule that only seems to be making things worse by continually backfiring on him. As their crazy families descend for the big day- only a few of them actually trying to be helpful- the fiery lovers are about to test whether the couple that argues together can keep it together long enough to exchange rings, and not just heated words.

Should the Supreme Court defer to the will of the majority and uphold most democratically enacted laws? Or does the Constitution empower the Supreme Court to protect a broad range of individual rights from the reach of lawmakers? In this timely and provocative book, Damon Root traces the long war over judicial activism and judicial restraint from its beginnings in the bloody age of slavery, the Civil War, and Reconstruction to its central role in today's blockbuster legal battles over gay rights, gun control, and health care reform. It's a conflict that cuts across the political spectrum in surprising ways and makes for some unusual bedfellows. Judicial deference is not only a touchstone of the Progressive left, for example, it is also a philosophy adopted by many members

of the modern right. Today's growing camp of libertarians, however, has no patience with judicial restraint and little use for majority rule. They want the courts and judges to police the other branches of government, and expect Justices to strike down any state or federal law that infringes on their bold constitutional agenda of personal and economic freedom. Overruled is the story of two competing visions, each one with its own take on what role the government and the courts should play in our society, a fundamental debate that goes to the very heart of our constitutional system.

Second Chance Summer

Overruled Simon and Schuster

Princess Lenora Celeste Beatrice Arabella Pembroke had an unusual childhood. She was raised to be a Queen—the first Queen of Wessco. It's a big deal. When she's crowned at just nineteen, the beautiful young monarch is prepared to rule. She's charming, clever, confident and cunning. What she isn't...is married. It's her advising council's first priority. It's what Parliament is demanding, and what her people want. Especially them. ** Years ago, Edward Langdon Richard Dorian Rourke, walked away from his title and country. Now he's an adventurer—climbing mountains, exploring jungles, going wherever he wants, when he wants—until

Meet the men of Oxford magazine! In the first captivating spin-off of Lauren Layne's *Sex, Love & Stiletto* series, a not-so-friendly battle of the sexes turns into a scorching office romance. Hotshot sports editor Cole Sharpe has been freelancing for Oxford for years, so when he hears about a staff position opening up, he figures he's got the inside track. Then his boss drops a bombshell: Cole has competition. Female competition, in the form of a fresh-faced tomboy who can hang with the dudes—and write circles around them, too. Penelope Pope knows all too well that she comes off as just one of the guys. Since she's learned that wanting more usually leads to disappointment, Penelope's resigned to sitting on the sidelines when it comes to love. So why does Cole make her want to get back in the game? The man is as arrogant as he is handsome. He probably sees her as nothing more than a barrier to his dream job. But when an unexpected kiss turns into a night of irresistible passion, Penelope has to figure out whether they're just fooling around—or starting something real.
