Who will speak for the poor? Who will listen to slaves, and those who have no rights? Who will work for a future where everyone is equal? Who will give up his house, job, and money to fight for people who are shut out by everyone else? 'I will,' said Mohandas Gandhi. And he began to fight in a way the world had not seen before – not with weapons, and wild crowds, and words of hate, but with the power of non-violence. This is the story of a man who became the Father of the Nation in his own country of India, and a great leader for the whole world. Suitable for younger learners Word count 18,055 Bestseller

Gulliver has an itch to travel around the world, but whenever he steps on a ship, bad luck seems to find him. He is shipwrecked, abandoned, marooned, and mutinied against, and each time lands in a strange and curious place. First he discovers the kingdom of the six-inch-tall Lilliputians, then the country of the giant Brobdingnagians, then the island of the academic Laputans, which floats in the sky, and finally the noble realm of the horselike Houyhnhnms. Who knew there were so many unusual creatures under the sun.

When Black Beauty is trained to carry a rider on his back, or to pull a carriage behind him, he finds it hard at first. But he is lucky – his first home is a good one, where his owners are kind people, who would never be cruel to a horse. But in the nineteenth century many people were cruel to their horses, whipping them and beating them, and using them like machines until they dropped dead. Black Beauty soon finds this out, and as he describes his life, he has many terrible stories to tell.
